Prioritization of Urgency of Need for Services (PUNS)

WHAT IS PUNS AND HOW IS IT USED?
- PUNS is a statewide database that records information about individuals with developmental disabilities who are planning for or seeking services
- The State uses the data to select individuals for services as funding becomes available, to develop proposals and materials for budgeting, and to plan for future needs

WHY ENROLL IN PUNS?
- To assist with identifying service needs and wants
- register individuals on the PUNS

WHO CAN ENROLL IN PUNS?
- Children, teens, and adults with developmental disabilities who need or want services or supports
