

Question:

Looking at your Math RFP, it looks like you're only requesting PDFs of the program. Would you like for us to also send physical samples? If so, is this the correct shipping information?

Riverview Gardens Business Office
Attn: Chief Financial Officer

St. Louis, Missouri 63137

Answer:

If you have 3 physical examples, that would be great. We are also requesting electronic copies so the committee can easily review the resources.

The address is correct.
