Dear Panther Cub Families,

We would like to take this opportunity to welcome you and your child to the 2021-2022 school year at Sumter County Primary School. As we embark on this new and unprecedented journey together, we promise to do our best to provide every student with engaging and meaningful instruction, while building positive relationships in the safest way possible. We thank you for your continued support of our school. We value your involvement and support in your child's education and look forward to a productive year.

Along with the teachers and staff, I will work hard to ensure that every child is successful at SCPS. As your Principal, it is important to me that everyone who steps through our doors--teachers, students and parents--are excited to be here! This attitude enables us to meet the challenges of academic excellence in a positive, fun and nurturing environment.

Parental Involvement is a key component to the success of students at SCPS. Our staff welcomes parent ideas and suggestions. Due to COVID-19, we will be unable to have in-house visitors. However, you are encouraged to make phone calls and schedule virtual conferences with your child's teachers.

Please feel free to call or email me to discuss any concerns, suggestions, or ideas to help make SCPS the best! I look forward to continuing to foster relationships with your families, your children and the community for years to come. Together, we will make a positive difference

Panther Cub Pride,

Dr. Renee' Thomas Mays
