Grading and Required Events

General Band is a course offered by Coffee County Central High School and therefore requires students to receive a grade. General Band fulfills the fine arts requirement to graduate from Coffee County and is included in the Fine Arts program of study. Students who participate in band for 3 years will automatically complete the fine arts program of study requirement for graduation.

Student grades will be derived from attendance at all rehearsals and performances, assessments (playing & written), and daily participation/preparation (materials will be checked everyday for a grade).

Grading and Required Events

Students will be at all scheduled rehearsals and performances in order to receive full marks for their grades. Unexcused absences from rehearsals and/or performances can significantly affect a student's overall grade.

The following events are required of members of the Coffee County Central Red Raider Band. Check the google calendar for current dates and times for all events.
