We want EVERY 8th grader to have the opportunity to attend this trip! We are going to approach charitable organizations to ask them to sponsor full and partial scholarships. Please fill out the declaration of financial need below so that we can better communicate (respecting confidentiality) the necessity with our community. Please also understand that we will want this trip and scholarships to be an added incentive for kids to keep good behavior, passing grades, and regular attendance for all potential applicants. We are unsure of our fundraising due to Covid restrictions, but we still want to communicate the need to our charitable organizations.
