Highlights from Letters to Power 88

Radio With a Vision

Dear Staff of Power 88.5,

Praise God! for this radio ministry.

I'm presently being housed on Alabama's Death row, for the last thirty years.

I have been listening to this station from the very start, I believe that was back in March 1992.

The reason why I remember that March and year, was because the State of Alabama had an execution on that day or that night and I was trying to find some music to drown out my sorrow and I ran across a Praise

& Worship radio station with a weak signal called "Power 88."

I had an opportunity to sow a seed through this radio ministry back then, and I plan to give to this radio ministry again very soon - smile! As soon as I get some funds.

I am amazed at how clear and strong the radio station is coming to my cell, because there is a lot of steel, concrete, and iron around here – smile!

I mostly listen in the morning to Kevin and Taylor while I'm doing my morning devotional. They are a real hoot, and joy to listen to, they keep me laughing.

Well, let me stop for now, my prayers are that this radio ministry will continue to reach those who are troubled, confused, persecuted, and casted down, that the life of Christ may be manifested in them, to the glory of God. Amen-amen.

With Much love, peace & Joy in Christ!

From the Alabama State Prison in Atmore, AL
