I try to get over before the year starts, but sometimes I am unable to do so (living in Moorhead,) please send me a DATE and TIME that works for you in August so we can meet. I will also be sending a Class Dojo invitation to you. This is a parent-communication tool that I use to communicate good and questionable behaviors to families as well as update you on things happening in our classroom. This will be my main form of communication with families, so please accept the invitation when it comes to your phone.

6th Grade Recommended Supply List 2024-2025

Each 6th grade student **SHOULD HAVE:**

1- **1&1/2 inch to 2 inch binder**

The binder should be durable enough to last the whole year. We recommend the Mead 5-star, or any cloth/poly type. The ones with zippers are especially useful for students who struggle with organization. It is fine to get a more standard binder, but if you buy a durable one, you will be able to also use it in 7th grade. If you bought one in 5th grade, feel free to use that one again.

6 - **different 3 hole punched folders that will fit in the binder**

I recommend the poly type folders because they do not rip as easily at the binder rings. The pronged folders **cannot** be used.

*Buy the following colors for notebooks (1 subject notebooks):

Journal – Yellow

Math – Blue

*Pencils and Erasers

*Pens

*Scissors

*Ruler

*Glue Stick

*Crayons or colored pencils

*Pack of highlighters (I recommend a 5 pack with colors such as yellow, pink, blue, green, and orange. These packs are usually a couple bucks at Walmart or Target.)

*Full size box of Kleenex

*Headphones in a Ziploc bag

*Water bottle (optional)

*Tennis Shoes used only for Phy Ed.

*The school will supply an academic planner, so please don't purchase one.

Thanks,

Mr. Grohnke
