

Mrs. McKay

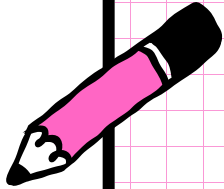

4th Mathematics

You will be introduced to many new topics in Mathematics/Art this year. If you or your parents have any questions or concerns about the classroom activities or your performance in the class, please contact me, and we can discuss the proper next steps.

I am looking forward to a great year!

Don't forget, we are in this together!

Class Rules

- Be responsible
- Be respectful
- Be honest
- Make smart choices
- Accept responsibility for the choices that you make

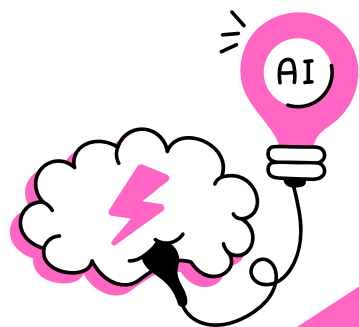

Optional Supplies

- We will be completing various projects throughout the year. I will notify you if any supplies are needed .

Classroom Policies

- Students are expected to follow all GES handbook rules.
- All work must be shown on a students paper and be legible.
- Students are expected to come prepared to class with a writing utensil everyday, a pencil is preferred, but any writing utensil will suffice.

Mrs. McKay

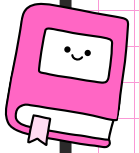

4th Mathematics

Classroom Policies

- Students will not regularly have homework, most work will be completed in class. If students have homework it is because they have not managed their time well and finished their in-class work.
- Students are expected to keep their journal, work area, and the classroom neat.

Grading Policy

- Daily grades will make up 40% of grades. Participation will be accounted for in the homework category as 10%.
- Assessment grades will make up 50% of grades

Contacting Parents

I will be in communication with parents frequently. I will communicate via email and Class Dojo most often and will occasionally make phone calls to guardians.
