

Reminders:

Tomorrow, February 17th. Lion Pride Day and a half day with an 11:30 dismissal.

Monday, February 20th: No School for Presidents Day

Wednesday, February 22nd: 3rd - 6th graders will be going on a field trip to our state capitol in Olympia

We have updated our bus snow route sheet and have attached it to this newsletter. We do have possible snow in our forecast for next week

Valentine's Day Party

Unfortunatly we had to cancel school on Valentines Day due to the snow. However, that did not stop us from still having our party!! All of the students had a great time celebrating Valentines Day on Wednesday the 15th. Everyone got together in the lunchroom and had a great snack sponsored by the Booster Club and opened their valentines! There were smiles all around!!

(For April due to Spring Break)

APRIL

Mon. 3rd - Fri. 7th: NO SCHOOL for Spring Break!

100th Day of School!

We had a super fun time celebrating the 100th Day of School! Some students dressed up as 100 year olds and many students brought in collections of 100 items! We also had contests and prizes!

Kindergarten

Mrs. Tinnin

Students had fun celebrating 100 days of school. They made necklaces with 100 beads. They used dobbers and stamps to finish different tasks involving 100. They worked with a partner to count out 100 items. Students predicted which items would weigh more. They found that 100 counting cubes weighed more than 100 popsicle sticks, 100 paper clips, or even 100 small rocks.

First and Second Grade Explorers

Mrs. Mittge

An unexpected snow day, 100s Day, Valentine's Day, and conference week made for a very busy week in 1st and 2nd grade! Whew!

Our alevin have almost completely absorbed their yolk sacs and are beginning to look more like fry. They are also getting the hang of swimming. These have been super exciting changes!

We found time to try out some Valentine's Day science with a bit of our candy. We investigated whether our treats would sink or float and if water, vinegar, or soda would dissolve the sugary samples.

Thank you for all of your help and support! I am so looking forward to our second term of 2022-2023.

Third and Fourth Grade Classroom

Mrs. Mars

Students had a busy fun filled week! We started the week off celebrating 100 days of learning, had a snow day, enjoyed Valentine's Day a day late, went water testing at Winolequa Park and will finish off the week tomorrow with our Lion Pride Day. Wow! That sure was a lot! We enjoyed every minute of it and got a lot of learning done in the process.

On the 100th day students came up with 100 ways to make 100.

Fifth and Sixth Grade Classroom

Mr. Burlingame

As you have read throughout this newsletter, our students have had a fun week filled with activities, unique educational connections, and even a field trip! All of this couldn't be done without the support of our parents and members in the community.

Thank you to everyone who supports Evaline through helping organize our activities, donating money to the booster club or other activities, donating their time participating in contest judging or running parties, or any of the many other ways you show your support. You are very much appreciated by the students and staff at our little school. They say it takes a village to raise a child and our "village" is very much a part of the growth, learning, and fun our students get during their time at Evaline.

Special Education-Title1/LAP- Social Emotional Learning (SEL): Mrs. Duren

5th and 6th Graders Celebrating 100s Day SEL Style....

It was great to see the students having a great time while being students of character ... exhibiting acts of Respect, Responsibility, Gratitude, Creativity, Empathy, Honesty, Cooperation, Courage, Perseverance and best of all Kindness! Way to go 5th and 6th Graders... you ROCK!

Super Secret Message: Friday (TOMORROW) is the National Random Acts of Kindness Day! Please think about what you can do to celebrate this day in a special way in your family, your community and your world! Since this has been a crazy week schedule wise at school with many other things to focus on, and few SEL classes due to the shortened days, we will introduce this day in our assembly tomorrow but will also continue the "Random Acts of Kindness" focus during next week as well.
