

York West End Junior High School Library

Vision Statement:

The York West End Junior High School Library envisions a community where all learners are empowered to think critically, read with understanding, explore creatively, and engage responsibly in a diverse and evolving world.

Mission Statement:

The mission of the York West End Junior High School Library is to:

- Provide equitable access to diverse resources that foster literacy, curiosity, and innovation.
- Empower students to inquire, evaluate, and create using a variety of information tools and technologies.
- Support collaboration among students, staff, and families to enhance teaching and learning.
- Cultivate a safe, inclusive, and engaging environment that inspires lifelong learning and responsible digital citizenship.
