

Stanfield Elementary School  
Temporary Bus Schedule  
Effective 8/18/2025

Please be assured that a different driver has been assigned to ALL bus routes:

Chantell Waggoner, our Transportation Manager, and long-time driver Dori Diaz will be taking all routes for the time being. Times listed below are estimated. Please allow 10 minutes before and after while we get used to our new assignments.

The Edulog App has been updated and should be working properly. Please use the QR Code on the Bus Schedule Page to help track your driver's progress.
