Become a published author!

After school program

Enhance literacy and life skills

Conveniently held at your child's school

Nurture your child's creativity & boost valuable life skills

Children in grades 3+ are guided from beginning to end in the process of writing and illustrating a children's book through fun brainstorming activities, drafting, revising, editing, and adding illustrations. Books are professionally published, and students will receive their very own hardcover copy. Additional copies may be ordered as gifts, and your school library may add students' books to its collection for checkout*. Children learn organizational, planning, communication, and time management skills, all essential for academic and life success. *Don't miss the author signing party on December 17th!*

Camp meets after school until 5:00 pm • Tuition: \$299 \$249 • Use code: SJCS2018 for discount!
