Dear Parents, Caregivers, and Students,

As summer comes to a close, I would like to take this opportunity to welcome each of you to Liberty Center Middle School. I am honored to be the principal of LCMS and to work with our highly qualified and dedicated staff, exceptional students, and supportive parents and community members that make this school great.

We are committed to providing your child with a great education in a safe environment each day. This school year we are implementing a new program called 7 Mindsets to address the social emotional health of every student and learn the traits of highly effective individuals. We are excited about this new initiative and look forward to sharing more through our social media platforms!

Breakfast and lunch **Will Not** be provided for students free of charge as it was last school year.

School will begin on Wednesday, August 24.

LCMS is committed to maintaining effective communication. We encourage both students and families to keep current with upcoming events and activities by regularly checking our website at <https://libertycls.ss9.sharpschool.com>.
