ASSESSMENT CALENDAR

2021-2022, version 3

Different assessments have different methods of reporting results to parents. Summative assessments like TNReady, ACT, PSAT, WIDA Access for EL 2.0, MSAA, and TCAP-Alt will generate Individual Student Reports that will be sent to parents once they are received by the system. Formative assessments like Aimsweb and Practice ACT will generate reports that will be available upon request, once the reports are made available to the system.
