TRANSPORTATION

Hello Parents! A safety message and protocols for you and your child's safety. We kindly ask parents to park in the gravel parking area (south of main parking) to pick up your child afterschool at 3 PM. Students without a proper bus pass will be required to sign out by their parent at the front office. The buses loading zone poses danger by creating potential blind spots, it is a designated area for staff assisting boarding of the buses. Your patience and understanding is greatly appreciated as we board the students and bring your child home.

Ahxehee' Ntsxaago.
