The District's Board Policy and Administrative Regulation covering travel expenses and related reimbursements is #3350 and can be found on the District's website.

The District does not pay for extra miles, extra meals, meals included in the registration, or extra days. (i.e. if you go to the conference early or stay after). The District may limit number of vehicles going to a conference – carpooling is more cost effective. Sharing rooms is encouraged to stretch our funds (no coed allowed). If spouses attend the District will only pay ½ the room if you could have shared with someone else.
