Dear Parent/Guardian,

The PA Department of Health has determined that a Pennsylvania licensed health care provider (physician, physician assistant, or certified registered nurse practitioner) or medical specialist must verify any chronic medical diagnosis of our students.

If your child has a current, active medical diagnosis (ie: asthma, life-threatening allergy, diabetes, seizure, etc.), please contact their primary care physician and make arrangements to have the following form completed. Once received, we will verify our school health records and notify your child's teachers. This signed form will remain in effect for 5 academic years unless we are otherwise notified by you.

Also included in this correspondence is a 'Permission to Administer Medication' form. A completed form is required for ALL medication taken during school hours. This includes prescription, over-the-counter, cough drops, lotions, sunscreen, etc. All medication orders must be renewed for each school year (July 1 to June 30).

Thank you for your cooperation.

Dear Parent/Guardian,

Pennsylvania law requires all students in **Grade 3** to have a **dental exam**. Please have your child's family dentist complete the Private Dentist Report form (found at www.frazierschooldistrict.org under Student/Parent Resources, or you may use the attached form) and return it to the office of your child's school before the beginning of the upcoming school year. This will be placed in your child's health record and will serve as documentation for the school year.

Or, if you prefer, your child can be scheduled to see our school dentist during the school year. Our school dentist will then be responsible for completing the necessary documentation.

Any student without a Private Dentist Report at the time of school dental exams, will be scheduled to see the school dentist.

Thank you for your time and cooperation.
Have a great summer!

Sincerely,
Elisa DeLucia, RN, BSN, CSN
