

KSD – Bond Oversight Committee

Memo

To: Cullen Bangs, Knappa School Board Chair
From: Marc Gendelman, Bond Oversight Committee Chair

Re: Semi-Annual Report Out

With the desire for public transparency and accountability, the Bond Oversight Committee has been tasked with monitoring the District's effective use of bond funds. The Committee met on December 5th, 2023 with Superintendent Fritz. We reviewed the proposed buy-back projects, current budget, and expenditures to date. Insofar as the Committee is concerned, these items are in accordance with the voter-approved work scope and bond objectives.
