

Students
Insurance

————5143.1

The Board will protect itself and its agents against suit for liability, through the purchase of comprehensive general liability insurance.

The Board will encourage parents/guardians to protect their children, through the purchase of pupil accident insurance or equivalent insurance coverage.

A student protection plan may be offered to all school children on an optional basis.

Approved: November 12, 2009

Revised: January 12, 2021
