32 Edition

17 April 2026

LAST CALL FOR YEARBOOKS!

This is your last chance to order the 2025-2026 yearbook. This yearbook includes grades 6-12. Yearbooks can be purchased at school for \$38. A receipt will be issued to the students at the time of payment. This is the lowest price you will find. You can also order online at Jostens.com/ykorder. There are more options, but the book will cost more than at school. This book will be delivered to the school in September of 2026.

This week our M.A.T.H. Bowl team competed at Westchester Intermediate School and placed 5th out of 9 teams—great job!

Our team included: Braelynn Doms, Evelyn Mayo, Griffin Messner, Ian Ricks, Bentley McMahan, Max Kaiser, Dylan Pete, Kenzie Vinciguerra, Marissa Wozniak, Derek Hanna, Gracey Grott, and manager Joel Hanna.

This year's competition focused on probability and statistics... which means there was a high probability we'd do great—and the statistics prove it—we did! Congratulations team!

We're proud to share that one of our Robotics teams is headed to the world stage!

Team 46390C—made up of Lance Sykora, Nolen Guse, Alyse Frank, and Orion Pottle will represent us as our middle school V5 team at the VEX Robotics World Championship.

The competition will take place April 25–27, 2026, at the America's Center in St. Louis. This year's event features the 2025–2026 VEX V5 Robotics Competition: Push Back, with 593 middle school teams from across the globe competing. Teams from over 50–60 different countries are expected to attend. Best of luck to our team as they take on this incredible opportunity—we're cheering you on all the way!

Prom is just around the corner!

It's one of those classic high school traditions that never goes out of style—an evening to dress up, celebrate, and make memories with friends. We're excited to see our students enjoy a fun and safe night together.
