1012.731 The Florida Best and Brightest Teacher Scholarship Program.—

(1) The Legislature recognizes that, second only to parents, teachers play the most critical role within schools in preparing students to achieve a high level of academic performance. The Legislature further recognizes that research has linked student outcomes to a teacher's own academic achievement. Therefore, it is the intent of the Legislature to designate teachers who have achieved high academic standards during their own education as Florida's best and brightest teacher scholars.

(2) There is created the Florida Best and Brightest Teacher Scholarship Program to be administered by the Department of Education. The scholarship program shall provide categorical funding for scholarships to be awarded to classroom teachers, as defined in s. 1012.01(2)(a), who have demonstrated a high level of academic achievement.

(3)(a) To be eligible for a scholarship in the amount of \$6,000, a classroom teacher must:

1. Have achieved a composite score at or above the 80th percentile on either the SAT or the ACT based on the National Percentile Ranks in effect when the classroom teacher took the assessment and have been evaluated as highly effective pursuant to s. 1012.34 in the school year immediately preceding the year in which the scholarship will be awarded, unless the classroom teacher is newly hired by the district school board and has not been evaluated pursuant to s. 1012.34.

2. Beginning with the 2020-2021 school year, have achieved a composite score at or above the 77th percentile or, if the classroom teacher graduated cum laude or higher with a baccalaureate degree, the 71st percentile on either the SAT, ACT, GRE, LSAT, GMAT, or MCAT based on the National Percentile Ranks in effect when the classroom teacher took the assessment; and have been evaluated as highly effective pursuant to s. 1012.34, or have been evaluated as highly effective based on a commissioner-approved student learning growth formula pursuant to s. 1012.34(8), in the school year immediately preceding the year in which the scholarship will be awarded, unless the classroom teacher is newly hired by the district school board and has not been evaluated pursuant to s. 1012.34.

1(b)1. In order to demonstrate eligibility for an award, an eligible classroom teacher must submit to the school district, no later than November 1, an official record of his or her qualifying assessment score and, beginning with the 2020-2021 school year, an official transcript demonstrating that he or she graduated cum laude or higher with a baccalaureate degree, if applicable. Once a classroom teacher is deemed eligible by the school district, the teacher shall remain eligible as long as he or she remains employed by the school district as a classroom teacher at the time of the award and receives an annual performance evaluation rating of highly effective pursuant to s. 1012.34 or is evaluated as highly

effective based on a commissioner-approved student learning growth formula pursuant to s. 1012.34(8) for the 2019-2020 school year or thereafter.

2. A school district employee who is no longer a classroom teacher may receive an award if the employee was a classroom teacher in the prior school year, was rated highly effective, and met the requirements of this section as a classroom teacher.

(c) Notwithstanding the requirements of this subsection, for the 2017-2018, 2018-2019, and 2019-2020 school years, any classroom teacher who:

1. Was evaluated as highly effective pursuant to s. 1012.34 in the school year immediately preceding the year in which the scholarship will be awarded shall receive a scholarship of \$1200, including a classroom teacher who received an award pursuant to paragraph (a).

2. Was evaluated as effective pursuant to s. 1012.34 in the school year immediately preceding the year in which the scholarship will be awarded a scholarship of up to \$800. If the number of eligible classroom teachers under this subparagraph exceeds the total allocation, the department shall prorate the per-teacher scholarship amount.

This paragraph expires July 1, 2020.

(4) Annually, by December 1, each school district shall submit to the department:

(a) The number of eligible classroom teachers who qualify for the scholarship.

(b) The name and master school identification number (MSID) of each school in the district to which an eligible classroom teacher is assigned.

(c) The name of the school principal of each eligible classroom teacher's school if he or she has served as the school's principal for at least 2 consecutive school years including the current school year.

(5) Annually, by February 1, the department shall disburse scholarship funds to each school district for each eligible classroom teacher to receive a scholarship in accordance with this section.

(6) Annually, by April 1, each school district shall award the scholarship to each eligible classroom teacher.

(7) For purposes of this section, the term "school district" includes the Florida School for the Deaf and the Blind and charter school governing boards.

History.—s. 25, ch. 2016-62; s. 46, ch. 2017-116; s. 39, ch. 2018-6.

1Note.—Section 49, ch. 2018-6, provides that:

“(1) The Department of Revenue is authorized, and all conditions are deemed to be met, to adopt emergency rules pursuant to s. 120.54(4), Florida Statutes, for the purpose of administering the provisions of this act.

“(2) Notwithstanding any other provision of law, emergency rules adopted pursuant to subsection (1) are effective for 6 months after adoption and may be renewed during the pendency of procedures to adopt permanent rules addressing the subject of the emergency rules.

“(3) This section shall take effect upon this act becoming a law and shall expire January 1, 2022.”

1012.732 The Florida Best and Brightest Principal Scholarship Program.—

(1) The Legislature recognizes that the most effective school principals establish a safe and supportive school environment for students and faculty. Research shows that these principals increase student learning by providing opportunities for the professional growth, collaboration, and autonomy that classroom teachers need to become and remain highly effective educational professionals. As a result, these principals are able to recruit and retain more of the best classroom teachers and improve student outcomes at their schools, including schools serving low-income and high-need student populations. Therefore, it is the intent of the Legislature to designate school principals whose school faculty has a high percentage of classroom teachers who are designated as Florida’s best and brightest teacher scholars pursuant to s. 1012.731 as Florida’s best and brightest principals.

(2) There is created the Florida Best and Brightest Principal Scholarship Program to be administered by the Department of Education. The program shall provide categorical funding for scholarships to be awarded to school principals, as defined in s. 1012.01(3)(c)1., who have recruited and retained a high percentage of best and brightest teachers.

(3) A school principal identified pursuant to s. 1012.731(4)(c) is eligible to receive a scholarship under this section if he or she has served as school principal at his or her school for at least 2

consecutive school years including the current school year and his or her school has a ratio of best and brightest teachers to other classroom teachers that is at the 80th percentile or higher for schools within the same grade group, statewide, including elementary schools, middle schools, high schools, and schools with a combination of grade levels.

(4) Annually, by February 1, the department shall identify eligible school principals and disburse funds to each school district for each eligible school principal to receive a scholarship. A scholarship of \$5,000 must be awarded to every eligible school principal assigned to a Title I school and a scholarship of \$4,000 to every eligible school principal who is not assigned to a Title I school.

(5) Annually, by April 1, each school district must award a scholarship to each eligible school principal.

(6) A school district must provide a best and brightest principal with the additional authority and responsibilities provided in s. 1012.28(8) for a minimum of 2 years.

(7) For purposes of this section, the term "school district" includes the Florida School for the Deaf and the Blind and charter school governing boards.
