

# 2026 Summer Reading Assignments for rising 1<sup>st</sup> grade students

**1<sup>st</sup>**: Complete the reading log for 10 books and complete 1 of the 4 comprehension sheets for 4 of the books. (1 sheet X 4 books = 4 sheets)

Book Choice #1..... Choose a worksheet to complete.

Book Choice #2.....Choose a worksheet to complete.

Book Choice #3.....Choose a worksheet to complete.

Book Choice #4.....Choose a worksheet to complete.

Each student should put the log and comprehension sheets and Favorite Character sheet (1<sup>st</sup>) in a folder or binder. Be sure to mark appropriately with the child's name and teacher. The student is welcome to decorate the folder/binder, but it is not required. The summer reading information is due August 14<sup>th</sup>.

We wish you a wonderful and safe summer!!

## First Grade Summer Math

As we head into summer, we would love for students to continue building their math skills using XtraMath. This is a quick and engaging way for them to stay sharp with their math facts.

Please have your child log on and complete at least 10 sessions over the summer. We recommend using XtraMath a couple of times each week. The sessions are short, and most students really enjoy them!

We are able to see when students log on, so we can keep track of their progress and celebrate their work when we return to school.

All students who complete at least 10 sessions will receive a special treat when they return to school!

Thank you for your support in helping your child stay successful in math!

Have a wonderful summer,  
First Grade Teachers
