### **DELAYS / CANCELLATIONS**

Listen to local radio or TV stations for announcements of delays or cancellations. If it has been decided to cancel or delay school, the announcement will be made on the following radio and TV stations. We will also use the "School Messenger" system.

<b>Radio</b>		<b>TV</b>
WDFM - DEFIANCE	FM 98.1	WTOL - CHANNEL 11
WNDH - NAPOLEON	FM 103.1	WTVG - CHANNEL 13
WMTR - ARCHBOLD	FM 96.1	
WONW - DEFIANCE	AM 1280	
WMHE - TOLEDO	FM 92.5	
WSPD - TOLEDO	AM 1370	

### **SCHOOL VISITORS**

To maintain a safe and secure school and academic environment, we ask that visitors follow these guidelines.

1. Visitors need to report to the middle school office.
2. Visitors need to be clear about their purpose for visiting, or whom they wish to see.
3. Student visitors from other schools are prohibited.
4. Appointments are recommended for meeting with teachers.

**The administration reserves the right to deny visitation to anyone.**

### **ARRIVAL / DEPARTURE**

You are encouraged not to arrive at school prior to 7:45 a.m. unless you ride a school bus or have a scheduled meeting. Students arriving before 7:50 a.m. must go to the auditoria. Students are NOT permitted to go to their locker before 7:50 a.m. Once a student has arrived at the school he/she is not permitted to leave without first receiving permission from the office. At the end of each school day, students are to leave school grounds at 3:00 p.m. (dismissal) unless they are involved in a school-related activity or under the direct supervision of school personnel.

## **Emergency Drills**

In order that students may know how to act quickly and without confusion in emergencies, fire, school safety and tornado drills are held at regular intervals throughout the school year. Teachers will give students instructions after school begins. These instructions must be followed carefully. All students in the building must leave during each fire drill and some school safety drills.

## **OPEN ENROLLMENT**

Students who are open enrolled must reapply each year beginning May 1. Forms for open enrollment can be obtained from the District office. Students who move out of the district during the year, and who wish to stay at Liberty Center Middle School, must open enroll at the time of the move. Please contact the district office for forms. All applications must be filed prior to June 15<sup>th</sup> to be considered for the next school year.

## **SCHOOL MESSENGER**

The "School Messenger" Parent Notification System will be used to alert families about upcoming events, weather delays, cancellations, absenteeism, lockdowns and/or relocations. Parents can sign up for messenger within PowerSchool.

## **FEES**

School fees should be paid in a timely manner. Fees will not be issued until after all schedule changes have been done (usually after 1<sup>st</sup> quarter). Fees must be paid in full for students to purchase Prom and Homecoming dance tickets.

## **TRANSPORTATION**

Once you have established a normal method of coming to school, this method should not be changed. If you ride a bus, you are expected to ride the assigned bus each day. **You are NOT permitted to ride home with a classmate unless you get a Bus Pass from the office.** (Notes are required from your parent/guardian for you to be allowed to go home with a classmate.) . **All notes relating to change of transportation must be given to the school office by 8:00 a.m.** The bus driver is in complete charge of you once you get on the bus. Students must ride the bus to and from extracurricular events. In cases of extenuating circumstances, a **Transportation Request Form** signed by the principal must be given to the coach/ advisor. Administration holds the right of discretion in granting permission/signing notes.

## **CHILD CUSTODY**

The staff and administration will rely on the most recent certified (court stamped) copy of any order or decision in the child's file regarding custody/allocation of parental rights.

## **STUDENT WITHDRAWAL OR TRANSFER**

If your family is changing its place of residence, be sure to notify the school office of your new address. All of your student's records will be transferred from the present school directly to the school district to which you will be moving upon receipt of written request from the new school. Before leaving the school district, it will be necessary for you to get personal possessions on the last day from the school where your student has been in attendance as well as submit payment for any outstanding fees and to return school property. You must sign a release of records form when enrolling at your new school before we can forward any information to them.

## **ATTENDANCE & TARDIES**

There is a positive correlation between a student's attendance and achievement. Many important lessons are learned through active participation in classroom and other school activities that cannot be replaced by individual study. The parent/guardian is responsible for permitting only those absences that can be excused under the recommendations of the State Department of Education and the policies of LCMS. One of the major aims of Liberty Center Schools is to teach students to assume responsibility and one way to achieve this is by requiring students to be regular in attendance and punctual in reporting to classes.

Regular school attendance is an important ingredient in students' academic success. Excessive absences interfere with students' progress in mastering knowledge and skills necessary to advance into their future. To support academic success for all students, the district will partner with students and their families to identify and reduce barriers to regular school attendance. The district will utilize a continuum of strategies to reduce student absence including, but not limited to:

1. Notification of student absence to the parent or guardian;
2. Development and implementation of an absence intervention plan,
3. Supportive services for students and families;
4. Counseling, Mediation and Intervention programs available through juvenile authorities.

5. Requirement to make up seat time on a time/day deemed appropriate by administration.

### **REPORTING AN ABSENCE**

Only parents/guardians may report an absence. Parents/guardians are responsible for informing the school for ALL absences, as well as providing the reason for the absence, before 8:00 a.m. on the day of the absence. Parents may leave a message the night before or prior to 8:00 a.m. by calling (419) 533-0020.

A note from a medical or mental health provider may be required in some instances at the discretion of building administration. This is the case in all appointment-related absences. All attendance related phone calls or notes may be subject to verification for absence from school.

### **FAILURE TO REPORT AN ABSENCE**

***If a parent/guardian fails to inform the school as to the reason for a student's absence, the absence will be deemed UNEXCUSED.*** All unexcused absences will remain unexcused unless a note stating the reason is provided to the Middle School office. Upon receiving the absent list for each day, L.C.M.S. will telephone all parents who have failed to notify the school of their student's absence.

### **LEAVING THE BUILDING**

Students are not to leave the building or school grounds for any reason without first receiving permission from office personnel. Parents wishing to take their child out of school early for an excused absence should send a note in the morning so that we can plan for the time off.

### **DIRECTORY INFORMATION**

Directory information includes the student's name, address, telephone listing and parents'/guardians' names. Upon receipt of the directory information form through the registration process, parents/guardians have three days to inform school officials if they wish to have their student's information excluded.

## **FERPA RIGHTS**

Parents have the right to inspect and review his or her child's education records, the right to seek to amend the records, the right to consent to disclosures of personally identifiable information from the records (except in certain circumstances) and the right to file a complaint with the Office regarding an alleged failure by a school to comply with FERPA: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave SW, Washington D.C. 20202-5920 Phone: 1-800-USA-LEARN (1-800-872-5327).

## **POLICIES & PROCEDURES CONCERNING ATTENDANCE, ABSENCE, ENROLLMENT, & WITHDRAWAL ATTENDANCE PROCEDURES**

### **EXCUSED ABSENCE**

Students may be excused from school for the following reasons and will be provided an opportunity to make-up missed schoolwork and/or tests:

1. Personal Illness
2. Illness in the family
3. Death in the family
4. Necessary work at home due to absence or incapacity of parents/guardians
5. Observance of bona fide religious holiday
6. Set of circumstances which in the judgment of the Superintendent/designee, constitutes a good and sufficient cause

### **UNEXCUSED ABSENCES**

Unexcused absences are used to determine truancy, which will be dealt with through disciplinary action. As defined by the Ohio Revised Code, "Truant" means absent without excuse.

1. Oversleeping
2. Car trouble
3. Missing the bus
4. Shopping
5. Childcare difficulties absence
6. Out-of-school suspension
7. Truancy (purposefully skipping school)
8. Family errands
9. Family vacations not receiving prior approval (or over 65 hours)
10. Failure to appropriately contact the school

## 11. Other absences not listed as excused

*The law defines:*

### **Excessive absences** as

- Absent 38 or more hours in one school month **with or without** a legitimate excuse
- Absent 65 or more hours in one school year **with or without** a legitimate excuse.

When a **student is excessively absent** from school, the following will occur:

1. The district will notify the student's parents in writing within 7 days of the triggering absence;
2. The student will meet with a school official to determine the cause of the excessive absence;
3. The district may refer the student and family to community resources as appropriate.

A "**habitual truant**" as someone

- Absent 30 or more consecutive hours **without** a legitimate excuse;
- Absent 42 or more hours in one school month **without** a legitimate excuse;
- Absent 72 or more hours in one school year **without** a legitimate excuse.

### **When a student is habitually truant, the following will occur:**

Within 7 school days of the triggering absence, the district will do the following:

1. Select members of the absence intervention team;
2. Make 3 meaningful attempts to secure the participation of the student's parent or guardian on the absence intervention team.
3. Within 10 days of the triggering absence, the student will be assigned to the selected absence intervention team;
4. Within 14 school days after the assignment of the team, the district will develop the student's absence intervention plan; and
5. If the student does not make progress on the plan within 61 days or continues to be excessively absent, the district will file a complaint in the juvenile court.

### **Students who are tardy will receive the following interventions:**

- After 3 tardies a student will receive a 1 hour after school detention to be served with the principal
- After 6 tardies a student will receive a 1 hour after school service project. Students may help with building cleanup or maintenance.

- After the 9th tardy, and every tardy thereafter, the student will receive a Friday School
- These interventions will be in addition to those required by law for absences.

**Failure to participate in the above required interventions will be considered insubordination and will result in students being removed from school or extracurricular activities.**

**Students may be allowed to make up work from any absence. It is up to the teacher and the student to negotiate a reasonable time frame for make up work.**

### **MAKE-UP WORK FOR ABSENCES**

In case of absences, parents and/or students should check Google Classroom or contact teachers directly to obtain missing assignments. Students may be allowed to make up work from any absence. It is the student's responsibility to ask for the make-up work, to complete it on time, and to meet the quality standards expected by the teacher. Students will receive the amount of days to complete the work as the amount of excused absences.

### **VACATION**

If a family vacation is necessary, students will be allowed up to five days of excused absence for family vacations with their parents, provided prior notice is given by the principal, and the proper form is processed *prior* to the student's departure for vacation. All tests and quizzes shall be made up within three school days upon returning to school. The five day vacation time shall count as time absent in calculating the hours absent. Any student who has missed 65 hours of school prior to their vacation, hours will result in days missed being counted as unexcused. Parents of students who are consistently over their allotted excused absences or who are at academic risk are discouraged from taking their child out of school for a vacation.

- It will be the student's responsibility to return the completed Vacation Form to the Office at least one day prior to the absence and to make arrangements for make-up work and/or tests missed.
- Failure to do all work and/or tests/projects may result in "0" credit to be computed in the pupil's current grading period average.
- Vacations may not be approved if it puts the student in jeopardy of attendance consequences.

## **GENERAL MIDDLE SCHOOL INFORMATION**

### **HALL PASSES**

Teachers will determine who receives hall passes and when they are allowed to receive them. It is not a guarantee that a teacher will say yes when a student requests a pass. All students must complete a Smartpass submission before leaving their designated classroom.

### **SCHOOL PROPERTY**

It is important that you treat school items as you would your own things at home. If you mark or damage school equipment or property in any way, you will be required to clean the article and/or pay for damages. The law specifically provides that you and your parents or guardians are responsible for school materials in your use, including textbooks.

### **TEXTBOOKS**

Textbooks are provided for you free of charge. You are asked to use these books carefully, and all textbooks should be covered. If you damage or lose a book, you will be expected to pay damage or replacement cost. If you are issued a damaged book, report that fact to the teacher immediately.

### **LOCKERS/PERSONAL PROPERTY**

Lockers are assigned to all students. Coats, hats and book bags should be kept in lockers. Students may carry their laptop case or one additional bag of similar size to a laptop case (16"x 11"x 3"). Valuables should not be kept in lockers. Students are encouraged not to bring items of value to school. The school is not responsible for the safekeeping and will not be liable for any loss or damage to personal valuables. Gym lockers are available to students in P.E. and to be used by the students. The school accepts no responsibility for the loss of contents in the locker. The administration reserves the right to search lockers, electronic devices such as cell phones, person and personal belongings of a student on school grounds/school activity for maintenance of order, violation of discipline code, or student safety.

All student posters and/or signs must be approved by the administration before they can be displayed in the building.

## **STUDENT FUNDRAISING & SALES**

All fundraising and sales must be approved by the administration. Unauthorized fundraising may result in a disciplinary consequence.

## **ACADEMIC INTEGRITY**

Academic Integrity is an expectation for every student at LCMS. Being aware of your academic responsibilities is the best way to avoid an accusation of dishonesty. Aiding someone in being dishonest or sharing your work is just as serious as being dishonest yourself. If you feel something is unethical, your instincts are probably right. Academic dishonesty is defined as the act of presenting the words or thoughts of another person as if they were your own. Plagiarism will be judged as flagrant or accidental. Flagrant plagiarism is extensive, intentional, and/or shows a pattern to deceive. Submitting someone else's paper, including commercially prepared papers, will be considered flagrant plagiarism. Accidental plagiarism is infrequent, minor, and usually involves a misunderstanding of citation requirements. In an effort to help students understand this integrity policy, the following examples of academic dishonesty might include, but are not limited to:

- Giving or copying another student's homework
- Using prohibited (unauthorized) resources, tests or electronic information on quizzes, tests or assignments
- Eyes not on own test or quiz
- Allowing another student to view your test or quiz
- Working with others on an assignment that was intended to be done individually (consider all work individual unless otherwise specified)
- Altering answers on a graded test or quiz

The following examples of plagiarism might include but are not limited to:

- Downloading a paper from a "paper-mill" or paying someone to write a paper for you
- Submitting another student's work as your own
- Copying a portion of another's work without proper citation
- Paraphrasing ideas without documentation
- Using another's opinions, theories, quotations, graphics, interviews, email, or other information without citing the source
- Using the exact language of someone else without using quotation marks and/or without giving proper credit to the author

Discipline consequences for cheating/plagiarizing on homework :

- 1st two incidents - Warning and teachers/parent notification, student must redo the assignment
- 3rd incident - out of school suspension, grade of F on the assignment

## **NATIONAL JUNIOR HONOR SOCIETY**

Students who have completed their fifth semester (2nd semester 6th grade year) and have a solid 3.5 cumulative GPA or greater are eligible. This calculation is not rounded. The student will be notified of their eligibility for membership into N.J.H.S. Transfer students must have been enrolled at LCMS for at least one semester. The Faculty Council evaluates each candidate's qualifications and makes recommendations for membership. Along with GPA, the other criteria for membership are: Service, Leadership and Character. It is important to note that no student has a right to be selected for membership and the decisions of the Faculty Council are final.

## **DANCES**

The Middle School may hold school dances for students in grades 7-8 throughout the school year. Middle School students ARE NOT permitted to attend High School dances under any circumstance.

## **RECESS EXPECTATIONS**

If the weather is such that the students are to be inside, they are to be in classrooms or an announcement will be made as to where they will be. This means ALL students are to be outside when the weather permits. A student just recovering from an illness may stay in if he/she brings a note from home to the teacher explaining why he/she needs to stay inside. Should this be a prolonged period (exceeding two days) they should have a doctor's note stating that the child is healthy enough to be in school, but not outside. All students are responsible to the teacher or playground aide that is on duty—whether or not that teacher is their grade level teacher. When on the playground, students are expected to play an organized game, play on playground equipment, and engage in casual conversation with friends.

## **LCMS STUDENT DISCIPLINE / BEHAVIOR CODE**

The administration reserves the right to exercise flexibility in the administration of all disciplinary action due to the individuality of the student infractions and other considerations. LCMS operates on the assumption that all disciplinary action functions on the philosophy of progression. Therefore, as referrals to the office mount, more severe penalties will be progressively implemented. The intent of this philosophy is to modify, and perhaps eliminate, undesirable and inappropriate student behavior. The penalty for violations of any rule may be any of the consequences listed below. Furthermore, violations may also result in criminal and/or civil actions.

### **DISCIPLINE TRACK**

A student who disrupts the teaching and/or learning of a class, not only affects his/her own learning but the learning environment of the entire class. Therefore, the following clear and decisive penalties and disciplinary track have been

established in order to eliminate repeated disruptions by any one student in any one class/subject during the school year. The Discipline Track will also be used for repeated violations such as Profanity, Cafeteria referrals, Hallway violations, etc.

Teacher Detention

Office Detention \*

Wednesday/Friday School (if available)

In School Detention or Out of School Suspension

Out of School Suspension

\*The maximum number of Five (5) Office Detentions will be assigned as a result of disciplinary infractions. The philosophy behind this policy is if a student has not yet modified/improved his/her behavior after serving five Office Detentions, more severe consequences are appropriate in order to obtain a change in student behavior.

## **DETENTIONS**

Teacher Detentions will be served with the issuing teacher.

Office Detentions are offered in the main office.

- Missed ½ hour detention = 1 hour detention
- Missed 1 hour detention = In School Suspension or Friday School
- Missed Friday School = Out of School Suspension

## **OUT OF SCHOOL SUSPENSION**

To be suspended from school means that while you are suspended, you are not allowed on school property to attend classes or extracurricular activities. Only credit for tests and projects will be permitted provided you complete and submit the required tests/projects upon your return to school. Students are responsible to check the learning management system and/or contact their teachers to obtain work and keep up with assignments. Credit will be given for all work completed and turned in the day you return to school. Tests/quizzes should be completed upon return to school, as well.

## **SUSPENSION AND EXPULSION**

A student may be suspended by the Superintendent or the building principal for a period of not more than (10) days, provided the student has been given written notice of his/her suspension and the reasons thereof, and has been given an opportunity to appear at an informal hearing to answer the charges against him/her. The Superintendent may expel a student from school provided the student and his/her parent/ guardian have been given written notice of the intention to expel and the reasons. An opportunity to appeal, with a representative before the Superintendent (or designee), must be made within five (5) days after notice has been given, unless the Superintendent grants an extension of time. Extraordinary

circumstances, involving the health and safety of students, that would require immediate exclusion of that student from a curricular or extracurricular activity; the hearing shall be held within 72 hours.

### **FIGHTING/ROUGHHOUSING/PUSHING**

The discipline for fighting can range from a suspension to possible expulsion and/or court action. Moreover, other levels of violence include:

- Loud Emotional Verbal Confrontation
- Roughhousing/Pushing
- Punching/Kicking

Any of these inappropriate behaviors can result in several days of detention or a short suspension depending upon the events. Students should seek non-violent means to resolve their differences. Classroom teachers, counselors, coaches and administrators are all available to assist students to resolve conflicts. If a student is found guilty of initiating a fight or aggravating a fight, disciplinary action will also result.

### **INSUBORDINATION**

Students are expected to follow the instructions of all teachers and other school personnel while in the school, on school grounds, and at all school events, including those held off campus. Refusal by a student to cooperate with a reasonable request by a staff member will result in disciplinary actions.

### **PROHIBITION AGAINST BULLYING AND OTHER FORMS OF AGGRESSIVE BEHAVIOR**

Harassment, intimidation, or bullying behavior by any student/school personnel in the Liberty Center School District is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school.

“Harassment, intimidation, or bullying,” in accordance with House Bill 276, means any intentional written, verbal, graphic or physical act including electronically transmitted acts or cyber-bullying (e.g. electronic devices, Internet, cell phones, social media), either overt or covert, by a student or group of students toward other students/school personnel with the intent to harass, intimidate, injure, threaten, ridicule, or humiliate. In particular, bullying includes the aforementioned acts occurring more than once. Such behaviors are prohibited on or immediately adjacent to school grounds, at any school-sponsored activity, on school provided transportation or at any official school bus stop that a reasonable person under the circumstances should know will have the effect of:

- Causing mental or physical harm to the other student; school personnel including placing an individual in reasonable fear of physical harm and/ or damaging of students’ personal property; and,

- Is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student/school personnel.

Any staff member or student or student's parent/guardian who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal or the Superintendent. The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator or Board official. If the investigation finds an instance of harassment, intimidation, and/or bullying/cyberbullying by an electronic act or otherwise, has occurred, it will result in prompt and appropriate remedial and/or disciplinary action.

Retaliation or deliberately making false reports may result in disciplinary action. In addition, Liberty Center Schools offers a Safe School Helpline, a toll-free number that parents, students or community members can use to report any information that threatens our students, faculty or staff. Your name is never asked.

### **BOOK BAG, GYM BAGS & PURSES**

Book bags have been determined to be a health hazard (causing back and neck injuries) for growing and developing students of middle school age. Therefore, use of book bags is prohibited during school hours unless specially authorized by the administration. Gym bags and cinch sacks should only be used to carry gym shoes and clothes to gym class.

Gym bags and cinch sacks must be returned to ones locker immediately after gym class. Females are permitted to carry a purse but they cannot be too large. The administration has the right to determine if a purse is too large.

The District is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which s/he receives help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

## **DANGEROUS WEAPONS IN THE SCHOOLS**

The Board is committed to providing the students of the District with an educational environment which is free of the dangers of firearms, knives and other dangerous weapons in the schools.

The Board of Education prohibits students from possessing, storing, making, or using a weapon, including a concealed weapon in a school safety zone and any setting that is under the control and supervision of the Board for the purpose of school activities approved and authorized by the Board, including, but not limited to, property leased, owned, or contracted for by the Board, a school-sponsored event, or in a Board-owned vehicle.

The term "weapon" means any object which, in the manner in which it is used, is intended to be used, or is represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health and safety of persons. ### **ELECTRONIC DEVICES**

Parents, guardians and students are expressly prohibited from using covert means to listen in or make a recording (audio or video) of any meeting or activity at school. This includes placing recording devices, or other devices with one or two way audio communication technology (i.e., technology that allows a person off site to listen to live conversations and sounds taking place in the location where the device is located), within a student's book bag or on the student's person without the express written consent of the school administration.

An "electronic device" includes any wireless communication device that emits an audible signal, vibrates, displays a message or otherwise summons or delivers a communication to the possessor. Students may use EDs before and after school, during after school/extra curricular activities and at school-related functions as long as they do not create a distraction, disruption or otherwise interfere with the educational environment. Middle School students are NOT permitted to use EDs in-between classes and during lunch break. Use of EDs, except approved educational devices, at any other time is prohibited and they should be powered completely off (i.e. not just placed into vibrate or silent mode) and stored in the lockers.

Approved EDs are to remain inaudible at all times during the school day; ringers must be silenced, headphones must be used as needed and students are not to talk on the phone. Students may not use EDs on school property or at a school-sponsored activity to access the District's network, unless a guest account is available. Distracting behavior that creates an unsafe environment will not be tolerated.

Students are prohibited from using EDs to capture, record or transmit the words (i.e. audio) and/or images (i.e. pictures/video) of any student, staff member or other person in the school or while attending a school-related activity, without the express prior notice and explicit consent for the capture, recording or transmission of such words or images.

Students are prohibited from using an ED in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated.

EDs, including but not limited to those with cameras, may not be possessed, activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include but are not limited to locker rooms, shower facilities, restrooms and any other

areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes.

Students may use EDs for an educational or instructional purpose (e.g. taking notes, recording a class lecture, writing papers) with the teacher’s permission and supervision. Teachers may permit student use of EDs in their classrooms as they feel it is appropriate. Violations of this policy may result in disciplinary action and/or confiscation of the ED. The building principal may also refer the matter to law enforcement if the violation involves an illegal activity (e.g. child pornography).

Students are personally and solely responsible for the care and security of their EDs. The Board assumes no responsibility for theft, loss, damage or vandalism to EDs brought onto its property, or unauthorized use of such devices. Any student in violation of the above prohibitions may result in disciplinary action, confiscation of the device and/or the issue may be referred to law enforcement if it involves any illegal activity.

Failure to give the item (ED) including battery to a staff member when requested will be considered insubordination and may result in an out of school suspension.

## **GUIDANCE SERVICES**

The Guidance Counselors will assist students in developing skills, making decisions, accepting others, and resolving conflicts. Our counselors also help students identify strengths, set goals, and learn effective study and test-taking skills. The counselors work with teachers, parents, and other staff members to encourage students to reach their academic potential. Guidance and counseling activities are done on an individual basis, in small groups, and in classrooms. These activities include, but are not limited to, orientation and registration of new students, counseling programs, and parent and teacher conferences.

## **SCHEDULE CHANGES**

The school has the right to change a students’ schedule. In order for a student to drop an elective class, written parental permission is required. This may result in a grade of “withdrawn F” for the student. All Schedule changes must be completed in the first 10 days of the school year.

## **GRADING SCALE**

93 - 100 = A	4.0	73 - 76 = C	2.0
90 - 92 = A-	3.7	70 - 72 = C-	1.7
87 - 89 = B+	3.3	67 - 69 = D+	1.3

**S+**=Above Average    **S**=Average    **S-**=Below Average    **U**=Unsatisfactory  
Final grades for all classes will be determined by averaging the first semester and second semester grades. Students failing academic courses may be removed from band and/or chorus in order to provide academic assistance.

### **REPORT CARDS**

Grades are available online at all times through PowerSchool. Parents are reminded that grades may be three to five days behind work that has been turned in by students. Quarter grades will be entered within 5 work days of the end of the quarter.

### **HONOR ROLL**

The Honor Roll will recognize students in grades 5-8 who acquire a 3.0 average. A student may have one "C" and/or "S" but no D, F, or U grades. The Principal's List will consist of those students receiving a 4.0 average and "S+" in S/U subjects.

### **GRADE APPEALS**

If you feel a grade is unjust or unfair, you may request a conference with the principal, your parent/guardian, and the teacher involved. The principal will make the final decision on the appeal.

### **CREDIT FLEXIBILITY**

Liberty Center Middle School has developed a credit flexibility plan that enables students to earn high school credit by:

1. Completing Coursework
2. Testing out or showing mastery of content
3. College Credit Plus
4. Any combination of the above

Accordingly, all employees of The Liberty Center Local School District are expected to adhere to School Board policy which prohibits discrimination on the basis of a disability. Any employee, or parent who feels that he/she or his/her child has been discriminated against on the basis of disability should, file a written complaint with the district compliance officer. ### **INCOMPLETE GRADES**

Incomplete grades may be given for not completing requirements due to excused absences. Students with excused absences normally must have all work completed in as many days after returning as missed. Tests and assignments or the grade will be an "F," unless the teacher determines there are extenuating circumstances. Students who fail to meet course requirements due to unexcused absences or trancies will have their grade figured without the missing work. Newly enrolled and/or home-schooled students who do not provide official school records will receive no credit. (See pre-planned absences for additional information.)

### **RETENTION POLICY**

Students must be in good academic standing in all classes in order to pass to the next grade level. Students who fail two or more academic classes **may be retained the following school year**. No student shall be retained more than once or be more than one grade level behind "age mates".

### **COLLEGE CREDIT PLUS**

Students as young as 13 (grade 7) may take the ACT and attempt to qualify for CCP in the upcoming year. The October, December and February tests will provide results in time to become eligible for CCP.

Students unable to achieve a qualifying score may take an entrance test at a Community College to qualify for entry into the program at that Community College.

Student and a parent must attend an annual CCP meeting and sign a letter of interest. Liberty Center will provide CCP options at the school, but students may also take online courses or attend college campus classes. *Students and parent need to be aware that books remain the property of the school and students failing a class will be charged an amount equal to the charge incurred by the district for each class failed.*

### **LUNCH PROCEDURES**

Lunch is served during one of the scheduled 30-minute lunch periods. The consumption of food is permitted in the Auditoria and per teacher discretion in the classroom. Students are not permitted to eat in any of the hallways.

Students will not "cut" in line and will be respectful to other students and cafeteria employees. LCMS has a "closed" lunch period; therefore students are NOT

permitted to leave the building for lunch, have visitors, or have food delivered, unless approved by the office.

### **CAFETERIA/ AUDITERA**

All students eat in the auditeria and **are highly encouraged to eat lunch. Parents are asked not to bring in restaurant food and no orders from restaurants will be accepted in the auditeria.** Detentions may be issued for violations of auditeria conduct.

#### **Listed below are auditeria rules:**

1. Enter and leave the auditeria in an orderly fashion.
2. If you are buying food, wait courteously in the appropriate line as directed by the supervisor. Cutting in line or saving a place in line is not permitted.
3. Food is not to be ordered and delivered to the school for lunch. Delivery people will be turned away from the school.
4. When you have obtained your food, please be seated and remain there. However, you may return for more food.
5. Food is to be eaten, not thrown.
6. Pop and energy drinks are not prohibited unless authorized by school staff.
7. No Electronic Devices allowed in the auditeria during lunch.
8. Common courtesy and good manners are always expected. Loud or rowdy behavior will not be tolerated. Each student is responsible for properly disposing of his or her tray, wrappings, containers, and leftover food, and for making sure that the tables, seats and floors in his or her area are clean.

### **LUNCH MONIES**

Students must prepay for their lunches. No money will be collected at lunchtime. Money must be in a sealed envelope with the students name, grade and amount of money enclosed written on the outside of the envelope. Envelopes should be placed in one of the collection boxes in the hall or auditeria. Students must be responsible for bringing money or a lunch to school.

### **FREE LUNCH PROGRAM**

Students who were on the free and reduced lunch program last year must reapply each year. Lunch must be provided by parents until notification of approval or denial is received. An application for each child must be

completed and approved before he/she starts on the lunch program. Snack milk is not included in the free and reduced lunch program. If you are in need of free and reduced lunch forms, please request them from the office.

## **HEALTH SERVICES**

In compliance with law, the Board of Education may require students to submit to periodic health examinations to: protect the school community from the spread of communicable disease; verify that each student's participation in health, safety and physical education courses meets his/her individual needs and/or verify that the learning potential of each child is not lessened by a remediable physical disability. Unless the physical examination or screening is permitted or required by an applicable State law, parents may refuse to allow the Board to administer a non-emergency, invasive physical examination or screening upon written notification to the Board within fourteen (14) days after receipt of the Board's annual public notice.

## **IMMUNIZATIONS & HEALTH SCREENINGS**

All students are required by state law to have basic immunizations against diphtheria, tetanus, whooping cough, mumps, measles, rubella, and polio prior to entering school or they must have a medical waiver in the file. Immunization clinics are available at the Henry County Health Department (419)-599-5545.

Vision screenings are given to all 5<sup>th</sup> and 7<sup>th</sup> grade students. A postural screening exam, to detect possible spinal problems, may be given to all students in 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grades.

## **ILLNESS - MEDICATIONS**

If your child has a medical condition that affects his/her ability to participate in classroom activities, physical education, recess, or the school lunch program the school needs a written report or documentation from the physician specifying the medical condition, limitations, and treatment plan as pertains to school hours. This information is needed for the safety of your child so that our staff can accurately provide appropriate adjustments. The school nurse will be the point of contact to receive this documentation and work with staff.

## **MEDICATIONS**

If possible, all medication should be taken at home. If not possible, the parent/guardian shall fill out the Authorization for Medication or Treatment form available in the office. Medications will be given in accordance with administrative guidelines, board policy, and the Ohio Revised Code. All prescription or

non-prescription medication that needs to be taken at school must be stored in the nurse's office in its original container with the student's name on the container and taken in the presence of the nurse or office personnel. Proper paperwork and a doctor's signature are also required. By law students can carry an inhaler with them at school. However, students may not carry an inhaler and other emergency medication until the proper paperwork is on file in the nurse's office. Athletes who are required to have an inhaler must also file paperwork with the school nurse. All medication must be transported by a parent to and from school; this includes non-prescription medication.

### **ILLNESS & ACCIDENTS AT SCHOOL**

The clinic is provided for ill students. Students becoming ill during the school day should notify their teacher and then receive permission and a pass to the office. If there is a need to go home, a parent will be contacted. If proper procedure is not followed and the student leaves the school without checking out, or if the student remains in a restroom without notifying the office, the student may be considered truant. State Law requires all students must have an Emergency Medical Authorization Form completed by parents and on file in the office should an accident or emergency arise. This form is mandatory and will be included in the "Back to School" packet to be turned in the first week of school.

### **HEAD LICE**

Student's heads will be checked on an as needed basis. This may be requested by a parent, student, teacher, nurse, or school official. Children with lice (nits or bugs) will be sent home for treatment. Parents will be notified that a case has been found in their child's classroom. When the child returns to school, they must be accompanied by an adult and report to the school nurse. The nurse or her designee will check the student for any signs of a continued problem. Children must be nit-free to return to school. If problems still exist, the child will be sent home again.

A child will be excused from school for no more than 48 hours with an initial head lice incident. Times missed past that deadline will be considered unexcused. If the problem persists, parents may be asked to produce evidence of treatment and/or cooperate with outside officials.

Repeated infestations may result in notification of Children Services and/or truancy officials.

## **ATHLETICS**

### **ATHLETIC / EXTRACURRICULAR INFORMATION**

Eligibility for athletes will be determined on a weekly basis. Eligibility runs from Monday to the following Monday. Any middle school student who receives two

failing grades and/or falls below a 1.5 grade point average shall be declared ineligible for the week and/or next nine-week grading period. This applies to all activities, not just athletics. When a student is ineligible, he/she may not go on field trips that are not required for a class and may not participate in any activities not directly associated with academic pursuits (examples – select choir, band, quiz team, writing team, etc.). Also, the ineligible student may not travel with a group or team to any away contests. Students receiving two failing grades or falling below a 1.5 grade point average for a nine week quarter will be ineligible for the entire next nine weeks.

### **PHYSICALS FOR STUDENT ATHLETES**

Any students who wish to participate in athletic activities must have a physical on file with the Athletic Department before they can try out for a sport. Physicals are valid for one year. The physical form may be found on the district website under Athletics.

### **PROHIBITION FROM EXTRA-CURRICULAR ACTIVITIES**

Participation in extracurricular activities, including interscholastic sports, is a privilege and not a right. Therefore, the Board of Education authorizes the Superintendent, principals and other authorized personnel employed by the District to supervise or coach a student activity program to prohibit a student from participating in any particular or all extra- curricular activities of the District for offenses or violations of the Student Code of Conduct/Student Discipline Code for a period not to exceed the remainder of the school year in which the offense or violation took place.
