

DECEMBER 2024

Safe Toys and Gifts Awareness Month

Now's the time to gather with loved ones, eat comfort food and share thoughtful gifts. Unfortunately, sometimes even the most well-intentioned gifts can come with unforeseen risks.

December is Safe Toys and Gifts Awareness Month. When holiday shopping, it's important to think about a gift before giving it. One of the biggest risks during this time of year is giving young children toys with potentially dangerous components, such as small parts that can be swallowed. Tips for selecting appropriate toys include checking labels for age ranges; avoiding toys with small parts that can injure, be swallowed or cause blindness; and ensuring toys are labeled as nontoxic. Additionally, if you intend to gift sporting equipment or similar gear, it's also important to provide protective gear, such as helmets and knee pads.
