Message from Mrs. Murphy

Hello Room 1st grade families! We had a great first week of school. The students spent time getting to know one another, learning school and class rules, policies, and procedures. We read the book *First Day Jitters*, followed by a few fun activities relating to it. Ask your child about the Jitter Juice! We are going to have an exciting year in first grade.

Please continue to return the important informational documents that were sent home at our Meet and Greet. Our school needs this information as soon as possible. Thank you!
