Principal Lind reports:

- Enrollment: 174; three possible new students in PK after the first of the new year
- Illness has been high this past week; Field trip for grades 3-5 was canceled and will be rescheduled for the future TBD. We will not lose any money.
- PTC's are next week. Some teachers have started already. Conferences are either in-person or virtual.
- Erin's Law presentation will be December 6. There will be a parent communication going out about the program on Monday, November 21. Parents will have to OPT OUT if they do not want their child to attend.
- An email will be going out to parents regarding a breakfast to honor Fr. Tom to be held on December 5.

KPTA: President Connie Cassiani

Since we last spoke, we hosted our first event of the year, our fall fest. This event brought in \$2400 and will be donated to help offset the cost of our new website! Last week we also hosted our Thanksgiving feast.

After what felt like a lifetime, it was great to see all the children eating all together as one Koraes. We are thankful for all our donors and parent volunteers!

We have a very busy December. On December 8th-9th we have our Santa workshop, which is definitely a fan favorite!

We are also hosting our first ever family night on December 8th. This is a free event for our Koraes Families. We will be making gingerbread houses, decorating cookies and eating pizza. Our group felt that it was important to bring our families together to celebrate and get to know one another.

December 11th is our annual Santa's brunch. We have had a great response to this already with over 100 people registered. We will vote to where profits will be donated from this event at our next KPTA meeting.

In between all that we have 3 hot lunches, a staff Christmas lunch, and our classroom parties. I'm exhausted just thinking about it.

Wishing everyone a safe and health Thanksgiving
