What's Happening:

Happy February! We are busy building concepts of blending sounds together to read and write words. I am so proud of all students and love seeing their progress towards becoming readers. They are starting to read "leveled readers" with consonant, vowel, consonant (cvc) words and sight words. Keep up the great work. We will continue working on adding and subtracting with in 10, counting backwards from 30, and identifying numbers up to 50 every day.

They are starting to write their own sentences in a daily journal that start with an uppercase letter, finger spaces between words, and finishing with a punctuation mark.

ABC Letter Sounds & Names:

Keep practicing saying their letter names and sounds at home. Work on how many sounds they can get in one minute for fluency. I highly encourage students go through these cards nightly.

Sight Words:

Keep working on Q1, Q2, and Q3 words. I highly encourage students go through these cards multiple times a week.

100th Day!

The 100th day of school is fast approaching. It's on Monday, February 3rd. We have planned fun activities that involve reading, writing, math, and some fun games to celebrate our 100 days of school.

Valentine's Day!

Our class will continue the tradition of creating a Valentine for someone special and it will be sent home on Friday, February 14, 2025.

If you are choosing to send valentines cards with your student, we will sort them at the end of the day and send home. **PLEASE NO food or candy.**

A class list is attached to this newsletter.

Academic Standards

Math:

1. Count to 100 by 1's, 2's, 5's, and 10's.
2. Can count forward beyond 50.
3. Can count backwards from 30 consecutively.
4. Can write & identify numbers greater than 50 and make a model.
5. Students can add and subtract numbers to 10.
6. Students can solve an addition and a subtraction word problem within ten, using objects or drawings.
7. Students can add and subtract numbers when given the sum with 10.

Writing:

1. Write all letters of the alphabet.
2. Students can capitalize the beginning of all sentences and create their own sentences.
3. Students will be able to orally say the opposites of given verbs and adjectives.
4. Students will be able to use a combination of drawing, dictating, and writing to compose informative/explanatory text in which they name what they are writing about and supply some information about the topic.

More information on other side.
