2025-2026 RAIDER HEAD FOOTBALL COACH

"I am incredibly honored and excited to take on the role of Head Football Coach at Kirk Academy. I want to thank my Lord and Savior Jesus Christ for an opportunity to further his kingdom through this tremendous opportunity to not only build a competitive program but also to help shape the character and leadership of our student-athletes. Together, we will work hard, embrace challenges, and strive for excellence both on and off the field. I look forward to the journey ahead and to creating a disciplined and relentless culture at Kirk Academy."

"As we started the search for a new Head Football Coach, my top priority was to find someone who would continue to push forward the Vision of Kirk Academy which is "to provide a quality education in a Christian environment." After spending time with Coach Purvis, it was apparent his strengths and desires matched that exceptionally well. His coaching resume speaks for itself having been an integral part of multiple state championship programs, but it was his passion for the Lord and his passion for building up students that made it clear that he was the right coach to lead our Football program and continue on the legacy of success. We're excited to welcome Coach Purvis and his entire family into the Kirk Academy Family!" -Rob Shillito, Head of School
