February 8, 2022

Dear Bessemer Family,

Thank you so much for sharing your child with us each day! We are excited to see them and watch them grow their learning. As educators and staff we must grow our *professional* learning. We need your help to keep us teaching innovatively and learning professionally.

Starting on February 23, 2022, we will have districtwide monthly **Innovation Days** (e-Learning) for our students. **This will be a day of home and independent learning for students and professional learning for teachers and staff.** There will also be additional cleaning efforts throughout our district. We will have an **Innovation Day** on the fourth Wednesday of each month. Please start planning arrangements for your child to learn from home.

During e-learning days your child's teacher will have prepared lessons posted either in Google Classroom, Schoology, or by printed packet. The lessons and activities will be given to your child prior to the Innovation Day. If you have any questions about your child's work, please contact their teacher directly.

As always, thank you for your continued partnership with us. It is our goal to continue to provide the students of Bessemer City Schools with a quality education, within a safe environment. If you have any further questions, please feel free to contact your child's school.

## **Innovation Days**

*February 3rd (BCMS ONLY)*

*February 4th (BCHS ONLY)*

**February 23rd**

**March 23rd**

**April 27th**

**May 25th**

Sincerely,

**Dr. Autumm M. Jeter**  
**Superintendent**
