POSITIVE THINKING

Happiness

Happiness isn't something that happens to you; it's a state of being. It's a choice you make every day. Work through the hard stuff and focus on the good stuff.

SPORTS ACTION

VARSITY SOCCER: The Chemics were visited by Davison in SVL league contest. The Chemics faced a strong wind in the 1st half, and managed to post 6 shots on goal to score the 1st goal by Ameris Blumenschein, assisted by Alahna Beckett. Niobe Marchalant on goal in the first half.

As the Chemics had the wind in their backs, they kept the pressure and control of the game, yet Davison managed to score off a set play to temporarily tie the match as MHS was driving the Cardinals in their area. 4 mins later Ameris Blumenschein managed to cross a ball in the goal that bounced of a defender to make it 2-1

Elle Arnold on goal posted 4 saves. Niobe Marchalant posted 3

This was a great team effort to keep the Chemics in the chase for the SVL since 2018.
