Safe In-Person Plan – Centennial BOCES Special Education Administrative Unit

Centennial BOCES's Special Education Administrative Unit (SPED AU) consists of 10 school districts in Northern and Northeast Colorado: Brush Re-2J, Weldon Valley Re-20J, Wiggins Re-50J, Weld Re-1, Eaton Re-2, Platte Valley Re-7, Weld Re-9 (Ault-Highland), Briggsdale Re-10, Prairie Re-11, and Pawnee Re-12. Each district has some level of local control in regards to addressing the impact of COVID-19 on in-person learning, including plans for the safe return to in-person instruction and continuity of services, layered prevention strategies, and a system of phased prevention. Therefore, while a Centennial BOCES staff is serving students within one of those districts, that staff member shall follow the requirements of that district regarding safe in-person learning plans. Centennial BOCES will do its best to provide the technological support needed to allow staff members to provide services within the remote and in-person instructional setting of the district(s) that they work in.

This plan was implemented at the onset of the COVID-19 pandemic in March 2020 and continues to the present day.
