Dr. Scott Wynn
Thomson Middle

What do you love about your school?

I love the people who make Thomson great - students, teachers, parents, and support staff. We practice The Tiger Way which means we build powerful relationships, have a positive attitude, give our best effort, and remember greatness is a process.

What do you love most about being a principal?

I love the opportunity my role allows to impact the lives of students at an age where they are learning who they are and what makes them tick.

Tell us about the person who inspired you to become a leader.

My father was my inspiration to become a leader. As an attorney and judge, he always pushed me to help others better themselves and see the bigger impact on everyone around us.
