These schedules are for inclement weather. Time delays will be determined by road conditions. Buses will be running later than usual due to more cautious driving. Please be patient. Students transported to school in the mornings by means other than the bus and wishing to ride the bus home in the afternoon will be transported to a point on the snow schedule closest to their home.

Due to the number of side roads, turnarounds and conditions in various areas, some routes on this schedule may be altered when conditions justify. Students will be notified concerning changes of routes in their areas.
