Going home today! Look in the red folders.

## Academic Goals

We have started this year off with a vision, and now we are ending the quarter with setting goals for a successful year. Speak with your student(s) about the goals that have been set in class and ask how you can help. Make sure that you are active on Dojo (communicate with the teachers) and checking our Facebook Page (Morningside Soaring Eagles) and school website for updates. It takes a village.

## Reminders

Car rider parents, do not drop students off at the corner or in front of the school (on Greenbrier) or at the side of the school by the horseshoe. This is a safety issue. No one is there to make sure that your child is safe. If you are dropping them off in a car, you MUST go through carline. Also, Greenbrier is a ONE-WAY street.

Walkers- Parents, they must walk to the crossing guard and then away from the school zone.

UNIFORMS- Students MUST be in full uniform everyday. That is the correct shoe and plaid. Please see website for policy.
