## Carver's View

We are so excited to have our students back in the building, meeting us face-to-face during the fourth nine weeks. What better way to kick off Spring than with our young learners. We have seen the students come in with apprehensions that turned into pure joy as they met and interacted with their teachers on our first day. Thank you, parents, for entrusting your students to us as we continue to navigate through this process. We look forward to more students joining us on May 17, 2021. We do understand that making the decision to bring students back was one of great difficulty, and we will continue to work hard to include our virtual students with as much face to face interaction as we can. All virtual students are asked to log into their regular class at 8:00 a.m. Virtual students will then log into their virtual teacher at 10:45 a.m. to receive their remaining support from our virtual instructors. In an effort to create a smooth transition for dismissal, we ask that 4<sup>th</sup> grade parents pick up on Oak Street by our Cafeteria entrance. 5<sup>th</sup> grade parents are asked to enter the bus lane on Oak Street. 6<sup>th</sup> grade parents are asked to pick up students from the main entrance on Jefferson Street. If you have any questions, please call the main office for assistance.

## Librarian's Corner

National Library Week (April 4 - 10, 2021), first sponsored by the American Library Association (ALA) in 1958, is a time to celebrate our nation's libraries, library workers' contributions and promote library use and support.

The theme for National Library Week 2021 is "Welcome to Your Library."

During the pandemic, library workers continue to exceed their communities' demands and adapt resources and services to meet their users' needs during these challenging times. Whether people visit in person or virtually, libraries offer endless opportunities to transform lives through education and lifelong learning.
