

WAO Building Project Update
January 2026

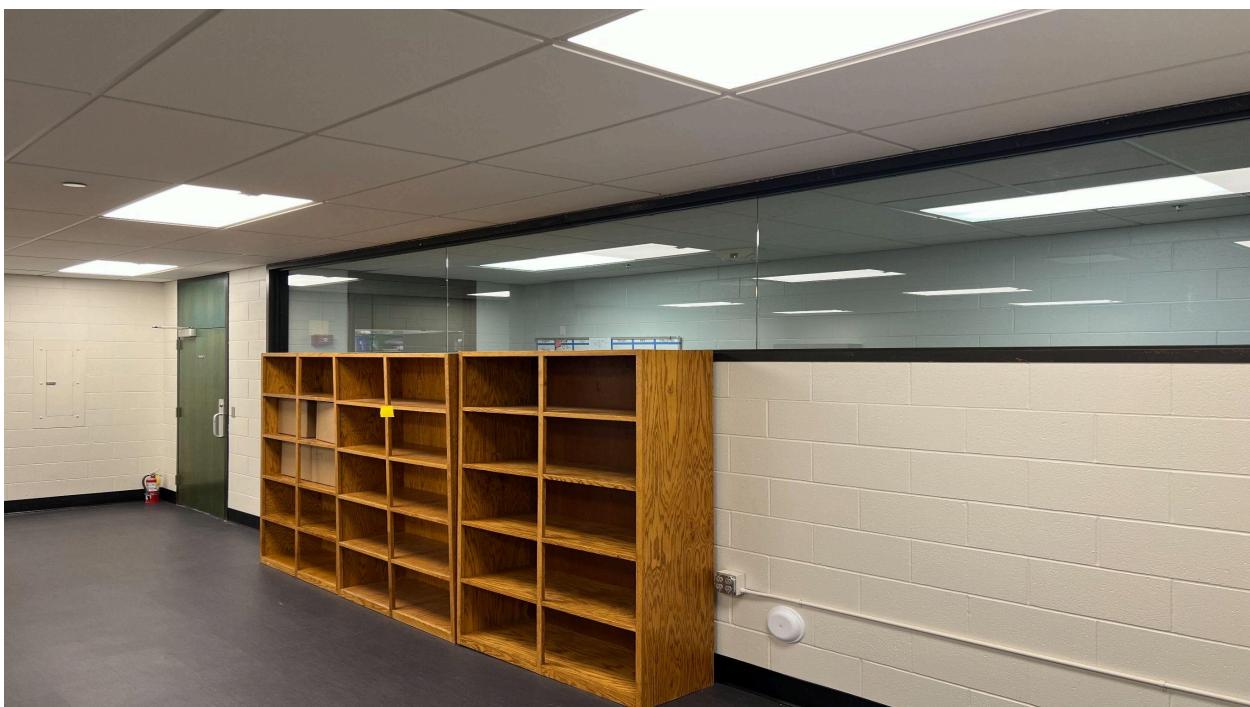

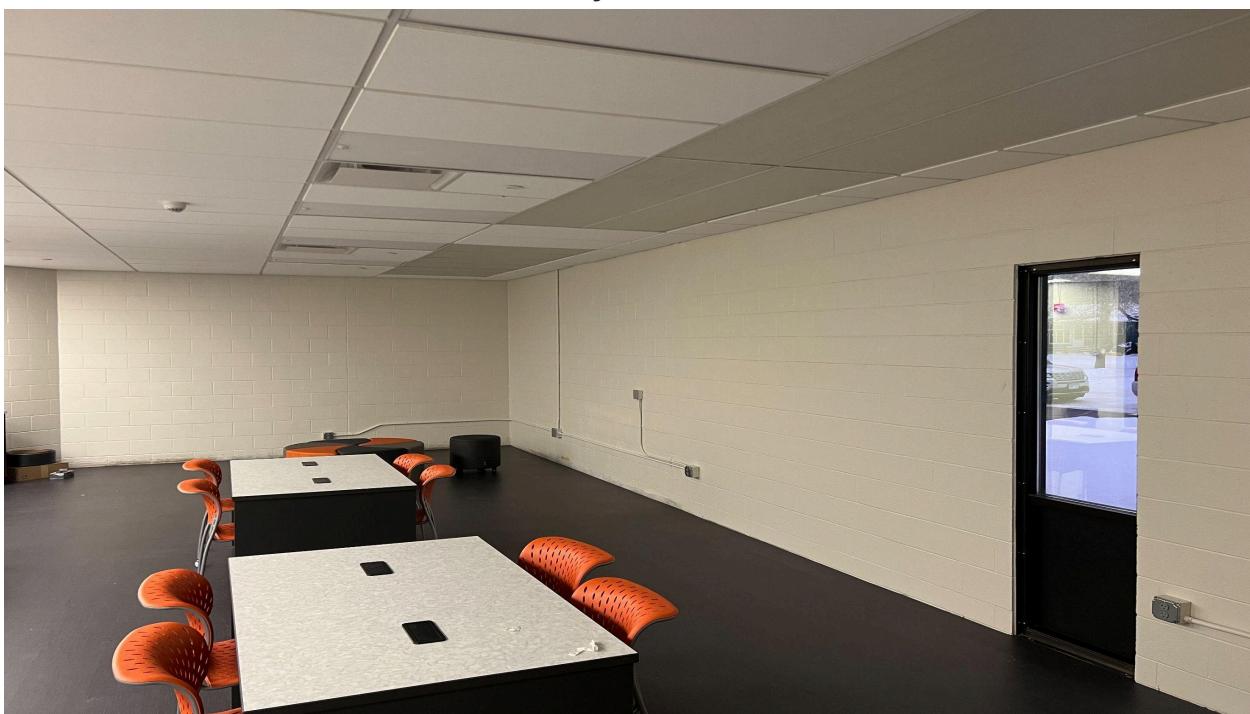

We continue to make progress in the last phase of the building project. At this point, it's mainly a matter of finishing some areas and repairing a few items left on the list. We are very thankful to be nearing the end of construction and excited for the future at WAO!

The WAO school board is looking to set a date in late March to host a celebration and open house event. You can follow the WAO building project updates on the school website and on the school social media.

Newly remodeled space in elementary

Windows installed in remodeled elementary classrooms

Last week Jason Morken raised the American flag on our new pole

If you ever have any questions about the construction project at WAO schools, please contact
WAO Superintendent - Bryan Hackbarth

LET'S GO PONIES!!!
