REV. 6/2/26

V. LIFE INSURANCE - LIVING BENEFIT

Terminally Ill and **Terminal Illness** mean a medical condition that is expected to result in Your death within 12 months.

- A. If You become Terminally Ill while covered for life insurance under the Group Policy You may elect to receive the Living Benefit as provided for under this section.
- B. The Living Benefit will be an amount equal to 75% of Your Employee Basic Life Insurance in effect on the date Your election is made, subject to a minimum of \$5,000 and a maximum of \$500,000. The amount payable will be equal to the Living Benefit less applicable amounts, if any, charged for an investment loss (interest) and administrative fees.
- C. The payment will be made in one lump sum to You or to the payee You appropriately assign.
- D. The Living Benefit will not be available if:
 1. You have any portion of any Life Insurance or ownership rights thereof absolutely or irrevocably assigned or transferred;
 2. You have made an irrevocable beneficiary designation;
 3. the insurance proceeds are subject to a court order under a divorce decree, separate maintenance agreement or property settlement agreement;
 4. You have filed for bankruptcy, unless You give Us written approval from the bankruptcy court for payment of the Living Benefit.
- E. No payment will be made under this election unless and until We receive and approve of all of the following:
 1. Your signed and notarized election of this option on a form furnished by Us;
 2. signed and witnessed written statements of all irrevocable beneficiaries and assignees (and Spouse in marital property states) consenting to Your election of this option; and
 3. satisfactory written proof from a Physician other than Yourself or a member of Your or Your Spouse's immediate family that You have been diagnosed as being Terminally Ill and that You are of sound mind and under no constraint or undue influence.
- F. We may require a second opinion and examination of Your condition at Our own expense by a Physician of Our choice.
- G. Payment of the Living Benefit will reduce correspondingly the face amount of Your life insurance benefits under the Group Policy. This will result in reduced life insurance proceeds payable to Your beneficiary at Your death. Furthermore, any amount of insurance that would otherwise be continued will be reduced proportionately, as will the maximum face amount available under the "Life Insurance Conversion Benefit" section.
- H. Premium payments must continue to be paid for Your life insurance unless You qualify to have Your life insurance premium waived. The premium due will be based on the amount of insurance remaining in force after deducting the amount of the Living Benefit.
- I. Payment of the Living Benefit will not affect the amount of, or change an existing beneficiary designation for, the AD&D Benefit, if any, in effect and kept in force under the Group Policy.

- J. Your election together with Our payment of the Living Benefit constitute a valid and effective beneficiary designation change, but only with respect to the specified life insurance benefits, and only to the extent affected by the Living Benefit payment, and applicable interest and fees, if any, charged thereon.
- K. Payment of the Living Benefit will be exempt from the claims of creditors and from legal process to the extent permitted by law.
- L. All other provisions of the Group Policy, including the effective date provisions of any benefit increases and the provisions on benefit reductions because of amendments to the plan or benefit classification changes or Your attained age, remain valid and in effect. Any such life insurance benefit reduction will be calculated based on Your life insurance amount in effect immediately before the Living Benefit payment.
- M. You are responsible for any tax consequences related to this benefit.

VIII. CLAIMS PROVISIONS

A. Filing A Claim

1. To file a claim for benefits under this Certificate, the claimant (depending on the benefit the claimant could be an Insured Person, a beneficiary or personal representative of an Insured Person) must provide Us with Proof of Loss in a timely manner. Or, upon receipt of written notice of claim, We will send the claimant a Claim Form for filing Proof of Loss. If the claimant does not receive such forms within 15 days after the giving of such notice, the claimant can send us, without the Claim Form, the written proof covering the occurrence.
2. Proof of Loss.
 - a. Proof of Loss must be provided in writing to Us, at the claimant's expense, within 90 days after the date of the loss if reasonably possible. If that is not reasonably possible, Proof of Loss must be provided no later than one year after expiration of that 90-day period, or the claim will be denied. The time limits under this section shall not apply while the claimant lacks legal capacity.
 - b. **Proof of Loss** means satisfactory written proof that a loss occurred for which the Group Policy provides benefits, which is not subject to any exclusion, and which meets all other conditions for benefits. Proof of Loss includes any other information We may reasonably require in support of a claim for benefits under the Group Policy.

B. Notice of Decision on Claim

1. We will evaluate a claim for benefits promptly after We receive it. Within 30 days after We receive the claim We will send the claimant:
 - a. a written decision on the claim; or
 - b. a notice that We are extending the period to decide the claim for an additional 45 days.
2. If the claim is approved, We will pay benefits within 30 days after the Proof of Loss requirement is satisfied.

3. If We extend the period to decide the claim, We will notify the claimant of the following:
 - a. the reasons for the extension;
 - b. when We expect to decide the claim; and
 - c. any additional information We require to decide the claim.
4. If We request additional information, the claimant will have 45 days to provide the information. If the claimant does not provide the requested information within 45 days, We may decide the claim based on the information We have received.
5. If We deny any part of the claim, We will send the claimant a written notice of denial containing:
 - a. the reasons for Our decision;
 - b. reference to the parts of the Group Policy on which Our decision is based;
 - c. a description of any additional information required to support the claim;
 - d. information concerning the claimant's right to a review of Our decision.

C. Payment of Claims.

Upon receipt of proper Proof of Loss, benefits will be paid within 30 days. If any claims payment interest accrues, interest will be paid in the amount determined by the State in which the claims are incurred.

Death Claims: If an Insured Person dies while insured for life insurance under the Group Policy, We will pay benefits according to the "Schedule of Benefits", after We receive Proof of Loss, as follows.

1. The death benefit will be paid in a single sum or by any other method agreeable to Us and the beneficiary. Payment of the benefit will extinguish Our liability under the Group Policy for which the death benefit has been paid.
2. No Surviving Beneficiary. If You do not name a beneficiary, or if You are not survived by any named beneficiary, benefits will be paid to Your estate.
3. Dependent Benefits. Dependent Life Insurance benefits that are payable, but unpaid at the Insured Person's death, will be paid in equal shares to the first surviving class of the following, if the Eligible Employee is dead:
 - a. The children of the Dependent.
 - b. The parents of the Dependent.
 - c. The Insured Person's estate.

The following Dependent benefits, payable under the Group Policy, will be paid to the Eligible Employee if he or she is living:

- a. AD&D Insurance benefits;
 - b. Life Insurance benefits;
 - c. Supplemental Life Insurance benefits payable because of the death of Your insured Spouse or Child;
 - d. Living Benefit.
4. Facility of Payment. If the benefits provided by the Group Policy are payable to the Insured Person's estate or to a beneficiary who is a minor or otherwise not legally competent to give a valid release, We may pay up to one of the following, not to exceed the Insured Person's Basic Life Insurance Amount:
 - a) \$5,000 to any person related to the Insured Person by blood or marriage; or
 - b) \$2,000 to any person who is a non-relative of the Insured Person who:
 - i. has assumed and provided proof of the care and support of the Insured Person or the Insured Person's beneficiary;
 - ii. has incurred and provided proof of expense as a result of the Insured Person's last Physical Disease or death; or
 - iii. is the personal representative of the Insured Person's estate.

Any payment made in good faith will fully release Us to the limit of the payment. If a beneficiary is a minor, or is not able to give a valid release for any payment of benefits made, We will pay the life proceeds to the legally appointed guardian. The guardian must provide Us with adequate written proof of such appointment. This provision does not prevent us from making payment to or for the benefit of a minor beneficiary in accordance with the applicable state law. Payment made before We have received written notice at Our home office of a valid claim by some other person releases Us from further obligation.

D. Review Procedure.

1. If all or part of a claim is denied, the claimant may request a review. The claimant must request a review in writing within 60 days after receiving notice of the denial.
2. The claimant may send Us written comments or other items to support the claim. The claimant may review and receive copies of any non-privileged information that is relevant to the request for review. There will be no charge for such copies. Our review will include any written comments or other items the claimant submits to support the claim.
3. We will review the claim promptly after We receive the request. Within 60 days after We receive the request for review We will send the claimant:
 - a. a written decision on review; or
 - b. a notice that We are extending the review period for 60 days. If the extension is due to the claimant's failure to provide information necessary to decide the claim on review, the extended time period for review of the claim will not begin until the claimant provides the information or otherwise responds.
4. If We extend the review period, We will notify the claimant of the following:
 - a. the reasons for the extension;
 - b. when We expect to decide the claim on review; and
 - c. any additional information We require to decide the claim.
5. If We request additional information, the claimant will have 45 days to provide the information. If the claimant does not provide the requested information within 45 days, We may conclude Our review of the claim based on the information We have received.
6. If We deny any part of the claim on review, the claimant will receive a written notice of denial containing:
 - a. the reasons for Our decision.
 - b. references to the provisions of the Group Policy on which Our decision is based.
 - c. information concerning the claimant's right to receive, free of charge, copies of non-privileged documents and records relevant to the claim.
7. The Group Policy does not provide voluntary alternative dispute resolution options.

GTL-C2200-0608

IX. GENERAL PROVISIONS

A. Naming a Beneficiary.

1. At the time You became insured under the Group Policy, You should have named a beneficiary of the proceeds of Your life insurance on the enrollment form.
2. You may have named primary beneficiaries and secondary beneficiaries. A secondary beneficiary will become a primary beneficiary if the named primary beneficiary is not living at the time of Your death. Two or more surviving primary beneficiaries will share equally, unless You specify otherwise.
3. AD&D Insurance death benefits will be distributed according to the beneficiary designation of Your corresponding life insurance.
4. You may change Your beneficiary designation at any time, subject to the following:
 - a) The designation must be made in writing on a form suitable to Us;
 - b) The designation must be dated and signed by You (and by your Spouse where required by law);
 - c) The designation must relate and refer to the insurance provided under the Group Policy;
 - d) If applicable, We must have the written consent of all irrevocable beneficiaries;
 - e) You must not have assigned the ownership of Your insurance.
5. When a valid change of beneficiary is received by Us, the change will relate back to and take effect as of the date it was signed. This is the case whether You are alive or not when We receive the request. Even though the change of beneficiary will relate back to the date it was signed, it will be without prejudice to Us on account of any payment We have already made.

6. If We approve it, a written designation signed and dated by You under the Prior Plan will be accepted as Your beneficiary designation under the Group Policy.

B. Simultaneous Death Provision.

If a beneficiary dies on the same day You die, or within 120 hours from Your time of death, benefits will be paid as if that beneficiary had died before You, unless Proof of Loss with respect to Your death is delivered to Us before the date of the beneficiary's death.

C. Entire Contract, Changes

1. This Certificate, including the Enrollment Form, Group Policy and any Riders, Amendment or attached papers, if any, constitutes the entire contract of Insurance. No change in this Certificate shall be valid until approved by an executive officer of Our company and unless such approval is endorsed hereon or attached hereto. No agent has authority to change this Certificate or waive any of its provisions.
2. Except for those functions which the Group Policy specifically reserves to the Policyholder or Employer, We have authority to control, manage, and interpret the Group Policy, to administer claims and to resolve all questions arising in the administration, interpretation and application of the Group Policy.
3. Our authority includes, but is not limited to the following:
 - a) the right to resolve all matters when a review has been requested;
 - b) the right to establish and enforce rules and procedures for the administration of the Group Policy and any claim under it;
 - c) the right to determine eligibility for insurance, entitlement to benefits, the amount of benefits payable and the sufficiency and the amount of information We may reasonably require to make determinations.

D. Incontestability of Insurance

1. Any statement made to obtain or to increase insurance is a representation and not a warranty.
2. No misrepresentation will be used as a basis for reducing or denying a claim or contesting the validity of insurance unless:
 - a) the insurance would not have been approved if We had known the truth; and
 - b) We have given You or any other person claiming benefits a copy of the signed written instrument which contains the misrepresentation.
3. After insurance has been in effect for 2 years, during the lifetime of the Insured Person, We will not use a misrepresentation as a basis for reducing or denying a claim, unless it was a fraudulent misrepresentation.

E. Incontestability of the Group Policy or Employer Coverage under the Group Policy

1. No misrepresentation by the Policyholder or Your Employer will be used as a basis for denying a claim, or for denying the validity of the Group Policy or Your Employer's coverage under the Group Policy unless:
 - a) the Group Policy would not have been issued or Your Employer's coverage under the Group Policy would not have been approved if We had known the truth; and
 - b) We have given the Policyholder or Employer a copy of a written instrument signed by the Policyholder or Employer which contains the misrepresentation.
2. The validity of Your Employer's coverage under the Group Policy will not be contested after it has been in force for 2 years, except for nonpayment of premium or fraudulent misrepresentations.

F. Clerical Error

1. Clerical error by Us, the Policyholder, Your Employer, or their respective Eligible Employees or representatives will not:
 - a) cause a person to become insured under the Group Policy or a provision of it.
 - b) invalidate insurance otherwise validly in force.
 - c) continue insurance otherwise validly terminated.

- d) cause an Employer to obtain coverage under the Group Policy or a provision of it.
- 2. In the event that a clerical error results in an incorrect rate, We reserve the right to adjust the rate accordingly.
- 3. The payment of premium, by itself, will not obligate Us to provide benefits to anyone who is not eligible for coverage under the Group Policy.
- 4. Your Employer acts on its own behalf as Your agent, and not as Our agent. Your Employer has no authority to alter, expand or extend Our liability or to waive, modify or compromise any defense or right We may have under the Group Policy.

G. Misstatement

1. Age or Gender

If the age or gender, or both, of a person has been misstated, We will make an equitable adjustment of premiums, benefits or both. The adjustment will be based on:

- a) the amount of insurance based on the correct age and gender; and
 - b) the difference between the premiums paid and the premiums which would have been paid if the age and gender had been correctly stated.
2. A legal action may not be brought to recover on this Certificate within 60 days after written Proof of Loss has been given as required. No such action may be brought after 3 years from the time written proof was required to be given.

H. Assignment

An Insured may not assign any of his or her rights, privileges or benefits under the Group Policy, unless approved by Us.

I. Conformity With State Laws

If any provision of this Certificate is contrary to any law to which it is subject, such provision is hereby amended to conform to the minimum requirements of such law.
