**Medicaid
renewal?**

**You're ready for a new school year,
but have you thought about renewing your child's Medicaid?**

Visit nheasy.nh.gov to check your child's Medicaid eligibility, update your information, and complete your renewal if you are due for one.

If you have received a **pink** letter from NH DHHS, take action now to avoid a gap in your child's health care coverage later.

**Questions about other health care options?
New Hampshire Navigators can help!**
