WILLIAMSBURG COUNTY SCHOOL DISTRICT NUTRITION SERVICES CELEBRATES SERVSAFE CERTIFICATION MILESTONE

Williamsburg County School District (WCSD) is proud to recognize the outstanding accomplishments of its Nutrition Services Department as staff members continue to demonstrate their commitment to providing safe, nutritious, and high-quality meals for students across the district.

Of the department's 33 dedicated Nutrition Services employees, 20 are now ServSafe Certified, representing 61% of the entire team. Even more impressively, every WCSD school has at least one ServSafe Certified employee, ensuring that food safety knowledge and best practices are represented in every cafeteria throughout the district.

ServSafe Certification is a nationally recognized food safety training program that equips food service professionals with the knowledge and skills needed to prepare and serve meals safely while maintaining the highest standards of sanitation and food handling.

"This milestone reflects the dedication, professionalism, and teamwork of our Nutrition Services staff," said Nutrition Services Director Tory Gibson. "Our employees are committed to continuous learning and excellence because our students deserve nutritious meals prepared in a safe environment every day."

The achievement underscores Williamsburg County School District's ongoing commitment to student health, wellness, and academic success. By investing in professional development and food safety training, the district continues to strengthen its ability to serve thousands of healthy meals while creating an environment where students can thrive.

Williamsburg County School District congratulates the Nutrition Services team on this remarkable accomplishment and thanks each employee for their unwavering commitment to serving students with excellence.

As the department continues to grow and improve, one message remains at the heart of its mission: "Full Tummies = High Test Scores!"

The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.
