harder."

Students work for many different reasons. Senior Charlie Houston said, "Working at Ponderosa is very enlightening." Flipping burgers at the local fast food joint, junior Chris Asberry said, "Well working at McDonalds puts money in my pockets anyways." Some work to make a few extra

dollars; but working can also be very social. Senior Rhoda Leach said, "Shoneys is great fun I meet a lot of interesting new people." Exciting Summer Adventures

Students had a wide range of activities over the summer. Some students continued their activities from the school year such as band and basketball camp. Senior band member Bryan England said, "Band is the kinkiest school activity I've participated in ... to date." Each student celebrated their summer freedom in their own

way, some worked while some slept. Senior Shane Palmer said summer was, "Summer? Why didn't someone wake me up!" For others their summer was full of adventure and travel. Senior Shelia Jolly said, "Summer was great this year, cause I got to go swimming and go to Nashville with my best friend." Freshman Storme Cross

said, "The real adventure is to make it through my freshman year so I can have a summer vacation." For some, summer was shorter than they would have liked.

Junior Kristi Abbott said, "This summer was way too short to do anything extremely fun, but I'm sure we all tried our best." There were some who's summer ending

meant seeing their friends on a regular basis again. Senior Melissa Fields said that, "Summer was fun but I was glad to see school start. How can anyone stand that much fun?"

Freshman Caleb Paquette says, "Kayaking is a blast."

Football Homecoming Parade

The sun was shining as floats and firetrucks made their way through town. Many students had fun just watching their classmates in the parade. Junior Desiree Rogers said, "The excitement was unbearable." Sophomore David Coffey said, "It was a great experience running around town making an idiot of myself for homecoming."

ing." Many students showed their school spirit through the parade. Pep Club sponsor Anna Gilbert said, "I think the crowd could feel the kids' enthusiasm as the pep club rode by."

lot of fun!" Pep club member, junior Tiffany Barnwell said, "The bugs in my eyes were worth it all until I fell off the firetruck and got trampled by the horses."

Homecoming Activities

Homecoming activities were held before the game and during halftime. Senior football player Joey Spriggs said, "Getting my colors pinned was great. I want to do it again." Senior cheerleader Breanna Phillips said, "Getting my colors pinned made me feel like I had achieved something."

The homecoming court was es-

corted onto the field and presented to the crowd. Junior football representative Amanda Ellis said, "Standing in front of the homecoming crowd made me very nervous, but it's something I'll always remember my junior year by." During halftime senior Katie Evans was crowned homecoming queen. Evans said, "I was honored and

surprised."

The traditional homecoming parade was held earlier that day. Seniors won the class competition. Their float, entitled "Can the Cougars," was the winning homecoming float. During the week students had an opportunity to show their school pride by participating in dress up days. Dress up days

were P.J., camo, costume, 70's, and color day. Students also had a chance to compete in wing decoration, spirit links and class games at a pep rally.

Student Council

What is most of the student body doing at 7:00 a.m? Probably sleeping unless you are a member of Student Council. Junior Michael Daniels said, "I loved all the fun times in council, even breakfast!"

Many things were changed for council. The activities were moved to senior-junior and sophomore-freshman activities. Homecoming

activities, intramural championship and talent show were combined activities for all grade levels. Activities were held once a month.

Student Council organized and participated in many activities such as intramurals, concerts, homecoming, aids awareness, mock elections, Blood Mobile, UNICEF, teacher barbeque, and

The band travelled all over Tennessee performing at games. In October, they went to Rome, Georgia where they attended the Peach State

Marching Band Festival. "They work hard and they show a great deal of 'Jet Spirit'," said director Steve Tinnel.

With it's 114 members, eight instrument sections, 25 member flag corps, and majorette Jessica Dickenson, the band is one of the largest groups in the school. "In one word it is a family. The respect

we have for each other is huge," said sophomore Adrian Rhodes. Freshman Margaret Barnes said, "I enjoy the flag corps because I have fun and meet new friends."

Senior Lacy Gaynor said, "What can one say about it, other than it's tons of work? It does eventually pay off, like when you march off the field for the very last

time knowing that the years you've invested were spent wisely. It's mostly done for the feeling that you've done your best and it was great."

Senior Mary Green says, "Marching band has been a great experience that I will remember forever."

Jazz and Concert Band

Jazz band officially became an elective credit in music. The class, made up of mostly juniors and seniors, must be auditioned for. Students bare their souls on saxophones, trumbones, rhythm section, piano, and guitars.

The jazz band performed at civic groups, concerts, Valentine programs, Lake Tansi, Fairfield, and some home basketball games.

They competed in the Jazz Festival in March, and the Dogwood Arts Festival in April.

The concert band met first period in the spring. It was made up of 9th-12th grades. Not everyone in the concert band is in the marching band. There were 65 students enrolled in the concert band. They played concerts for the public and went to festivals in

which they were graded and judged. They participated in the Music Festival in Cookeville in April, and one in Knoxville at the University of Tennessee.

They played music from the Phantom of the Opera and Oklahoma. They planned on playing pieces from the movie "Evita". They wore their band uniforms when they performed. Many of

the students enrolled in the class made All-State Band this past year.

Junior Celia Dunaway said, "This was my first year in choir and it was great!" The choir also

participated in the Roane State Humanities Festival and the ETVA Choral Festival.

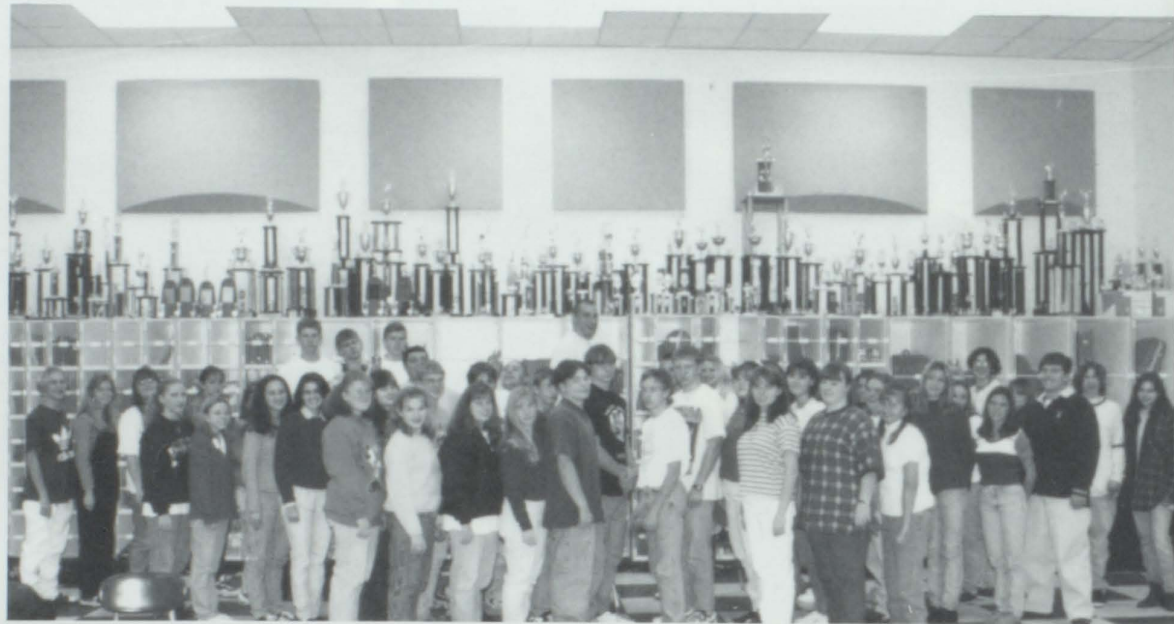

"I love having great positive upbeat students in class," Gibson said. "It's a really fun class," said freshman George Stepp. Choir was a very social class. Most people got along or at least tried to. Junior Tiffany Hughes said, "I love choir! It's a great time to make

new friends." "Choir has been fun and it was great being with my friends," said freshman Tina Lee.

Mini floats and banners had to be finished and judged by Friday. Senior Virgil Thompson said, "The

junior class is working hard and it's going to all pay off when we win the spirit stick." The juniors weren't the only ones that said they were working hard. Senior David Lovell said, "Working on the float for homecoming was great! I loved helping with the eagle!

Visual Arts

Have you noticed a change in the art classes? It was not a new teacher or new equipment. It was the new art rooms. Art teacher Jane Armes said, "The new art rooms are wonderful. They have lots of storage and are brightly lit for maximum viewing of pictures as the students draw. I also like having my co-worker, Kim

Whitson Herring, close-by for drawing supplies and ideas."

Armes's classes studied cubism through Picasso. They drew self-portraits and cartoon characters. Art history, with the works of Monet and Van Gough, were some areas covered. Whitson-Herring's class used computers to draw their self-portraits. Herring's class also

created landscapes of the State Park. Some students participated in an art show at the Community Complex.

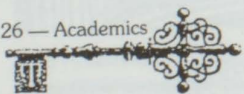

Whitson-Herring said, "I am continuously amazed at the creativity I find in the students in my art classes. Because we use computers, I believe many students are not as inhibited by the feeling that

they can't draw." Armes said, "Students seem to enjoy drawing and painting." Sophomore Jason Fish said, "Art has allowed me to explore my imagination."

Drama has expanded drastically since last year. The actors have expanded into three sections: the drama club, the Jet Theatrix, and the varsity team called the Forensics. Junior Stephen Rutherford said, "Drama has to be the greatest class ever. Ms. Shelton is a wonderful teacher and the students are great friends." This year

is Tracie Shelton's second year as drama teacher. Freshman Brad Chesnut said, "Drama is kind of like acting ... except for you gotta make it up. Or is that freeze improv.?" Whether you enjoyed doing freeze improvisations or pantomimes, there were different styles of acting. Freshman Sammy Houston said, "Drama is an expansion

of your body and soul. There is nothing like it in the entire world."

Language

Language was essential if one planned to survive in the ever-changing world. Several classes were offered to help students with their language skills. These classes ranged from required English to Spanish or French. College bound students were required to have two years of the same foreign lan-

guage.

Spanish teacher Anna Gilbert said, "Teaching Spanish is a lot of fun. We play memorization games to make learning more fun and rewarding." Sophomore Leigh White said, "I enjoyed Spanish II a lot, although I did not understand what my teacher said."

Math teacher Romalina Thompson says, "Studying is a full time job. Anyone that will not work hard at it will be left behind."

Math

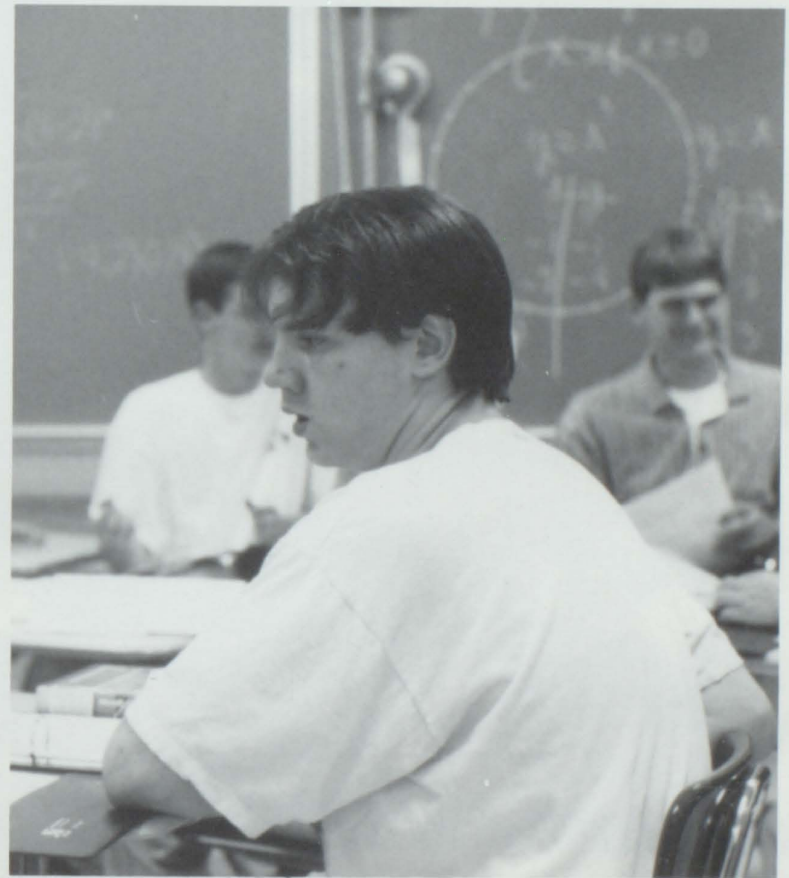

Math class was a very important part of a high school education. Students wishing to graduate were required to earn three credits in math. University pathway students must have completed 2 units of math above Algebra I, or 2 units above Math for Technology II. Technical pathway students must have reached Algebra I level.

Math courses differed according to which path was taken. University pathway classes included algebra, geometry, and calculus. Junior Kristi Abbot said, "Geometry is a challenging subject, but it is essential to the professional life I want to live." Technical pathway classes include Math for Technology I and II, and also Algebra I.

Freshman Troy Hurd said, "Math for tech is a really tough subject. I hope I pass." Honors math classes were also available including Honors Algebra II, Honors Geometry, and Advanced Math.

Most teachers were pleased with their classes and students. Algebra I and II teacher Janet Burnett said, "With block style sched-

uling, every minute counts. My classes are doing well. They participate in class by asking questions and working diligently."

Dazed and confused, senior Jeff Tatum says, "Math is great. Now I can really go grocery shopping!"

Performing for his fans, algebra teacher, Ron Cook says, "Summer Tour '96 was a good time. I don't sign autographs."

Science

The science department held a fund raiser which raised \$5,000 by selling recycled products. Among the items sold were bird-feeders, paper products and environmentally safe household cleaners. The Environmental Club went on a canoe trip down Daddy's Creek. They also attended a banquet with the Upper Cumberland

Recycling Partners and helped with a county-wide household waste disposal drive-in dubbed "Each Free".

Science teachers participated in two days of training at the Marriott Inn in Nashville. Teachers influenced students in many ways. "I like McDuffee's class, even though I struggle, because she

doesn't mind taking her own time to help others," said sophomore Amber-Jo Evans. Physical science teacher Ray Myers said, "Science is such an integral part of our present lives and the study of science will be more important in our future." Some students held a different idea about science. "I think there is no point in chemistry.

What good is it in the future?" said junior Brandi Swallows. Then there are those that were gung ho like freshman Amy Kubas who said, "Wow! This class is fun!"

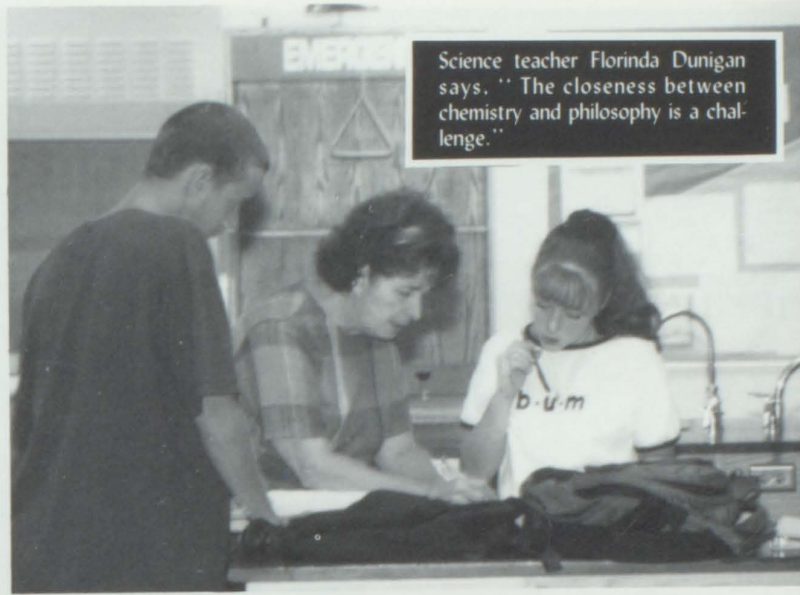

With fellow classmates, senior Beth Dawkins says, "Ecology was big honking fun."

World Geography teacher Tony Brock says, "Some drink at the fountain of knowledge. I just gargle."

Teaching a class in his Revolutionary War outfit, American History teacher J.C. Davis says, "We learn from history so we don't repeat it."

Social Studies

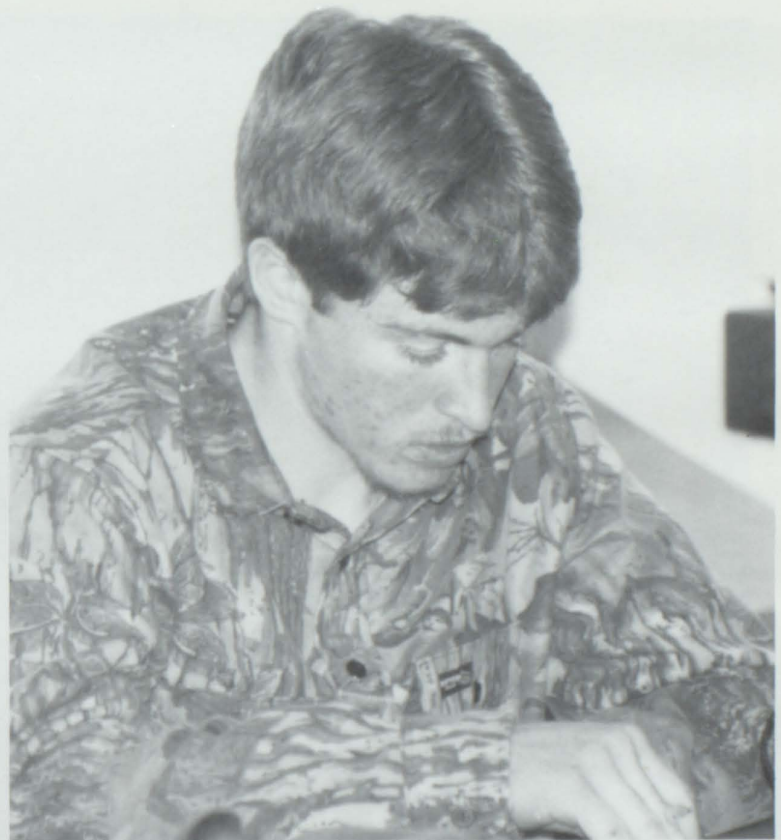

One requirement students must have to graduate was American History. Junior Amanda Ellis said, "There is so much to learn about America's history." Seniors must also have economics and government. Government teacher Jeff Wallace said, "This is a very informed and opinionated group of students I deal with. We have been

given the chance to see the Supreme Court in action and taken part in a mock election. These experiences have greatly enhanced the knowledge and participation of my students, our leaders of tomorrow." Senior Eric Henline said, "I love economics because Mrs. Hasler has the prettiest eyes I have ever seen."

Some other choices students had to choose from were world history and world geography. Sophomore Misty Dykeman said, "World geography is fun! Mr. Brock is a nice guy and a great teacher."

Department chairperson and world geography teacher Tony Brock said, "There are a lot of

student teachers in the social studies department this year."

Working on history homework, freshman Mike Brown says, "This class gives me a good chance to sleep."

American history teacher Audrey Akins says, "Whether my students like history or not, they're always interesting and fun."

Special Education

The Individual Educational Program was one that aided students in preparing them for the real world. An ordinary school day consisted of taking regular classes, such as life-skill training, vocational training, and community-based projects. Instructor Peggy Paquette said, "My students want to work hard and have fun just like

everyone else. Some things may be a little harder for them, but they never give up. The peer tutors who work with us can testify to how great my students are."

With the help of peer tutors and special education teachers, the students are provided with the basic training they need for their future jobs. Instructor George Kington

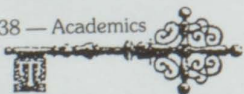

said, "I am very proud of my students that have participated in the LRE community math class. My students have shown much improvement in their money and purchasing skills." Instructor Tracie Buckner said, "My students are super. I enjoy working with them and seeing their expressions when they have accomplished some-

thing." Every year, the special educational students participate in an annual event known as the Special Olympics.

great experience for the squad to grow closer together. This squad "rocks!" said Whitney Wilson. JV placed second for their home routine. Freshman Ashley Wilson said, "We have worked hard and have come a long way since tryouts." The varsity squad won a Superior trophy for their overall perfor-

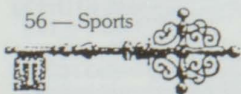

mance. The cheerleaders held many fundraisers such as doughnut and coke sales, car washes, and collecting parking money at the home football games. Coach Shannon Atkinson said, "We would like to thank the community for taking part in the many fundraisers that the varsity cheerlead-

The first home game was a victory against Knoxville Karns. It inspired new hope and spirit for many Jet football fans. Many team members were very optimistic as well. Senior Derek Travers said, "The hardwork and dedication is

The football season for the freshman team began with a loss to Oak Ridge and was followed by two more losses, but the team continued to practice and show their dedication throughout the season. Assistant Coach, Roger Dixon, said, "We are an up and coming program. Each week of

practice I can see a progressive change in attitude and ability. It won't be long until the Jets receive long overdue respect."

tential if they will work hard in the weight room and in spring practice." Freshman Sam Perkins said, "Playing freshman football is great. It is a lot of fun to play for Coach Raper." Freshman Weston Potter said, "Freshman football is the greatest thing there ever was."

Baseball

"The season looks great from two sides. A few seniors that can contribute and a multitude of sophomores and juniors that can compete in District 5 AAA. Our team goal- I team, I ego, I direction. Bringing 25 personalities together for one common goal and making this the most successful

season in Jet Baseball History," said head coach Dean Darnall. Freshman Calvin Farris said, "I am a tadpole in my baseball life. My metamorphosis will be coming soon. I can't wait till the day I play as a frog under my great reptilian predecessor.

Many players shared his

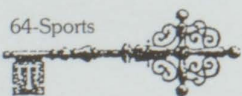

mistic view point. Senior Derek Travers said, "We are hoping to improve on last years promising season. We have been working hard in the off season and it should all pay off." Junior Doug Smith said, "I guarantee that we are the hardest working team in the District.

Team goals in order of priority were pitching, defense and timely hitting. Junior Jacob Austin said, "If baseball was a giraffe, Coach Darnall would be Japanese maple, from which the giraffe eats to gain strength and knowledge."

Junior Aaron Elmore says, "Through intense winter workouts, we could surprise a lot of people this season."

J.V. and Freshman Girls' Basketball

The Lady Jets freshman and J.V. team worked very hard this season. The J.V. team won the majority of their games, which showed promise for the future Lady Jets team. Most of the junior varsity team enjoyed playing. Sophomore Lesley Henery said, "Playing J.V. Basketball is a lot of fun. Playing

with all of my friends is great." The J.V. team was coached by Amy Breazeale. Breazeale said, "J.V. basketball is a very important part of our basketball program because we are trying to get the girls ready for the next level."

In addition to playing junior varsity the freshman also played in

freshman games. The freshman were coached by Randy Herring and assisted by Jason Atkinson. Freshman Kristen Bridges said, "To be a Lady Jet basketball player it takes hard work and dedication." The freshman team worked hard this year in practice and in games. Freshman Crissy

Larson said, "It is hard to play basketball, but fun. It is pretty easy to learn, but it takes hardwork and dedication."

Intramurals

Being in the eighth year, intramurals were still one of the activities most participated in. There were eight teams which consisted of five to eight players. Junior Bratcher Wilson said, "Intramurals are for the lazy basketball players that don't care to get up on Saturday mornings." All the teams had

a chance to play each other every week. Joey Spriggs said, "It would be great if my team would show up. I'm tired of carrying the load." Senior Josh Randol said, "Intramurals is a chance for the lower class to refine their basketball skills. It is great!" The best two teams were determined through a single elimi-

nation tournament. Junior Virgil Thompson said, "We got second place last year, but this year we're going all the way!"

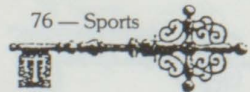

Physical education teachers officiate the games. Marty Davis said, "All teams play pretty fair. One game I only called four fouls. Most of the games are really close and

are played fairly. I think this is a great way to get a lot of students to participate in school activities. Intramurals is also less stressful than varsity basketball, this makes the game a lot more fun."

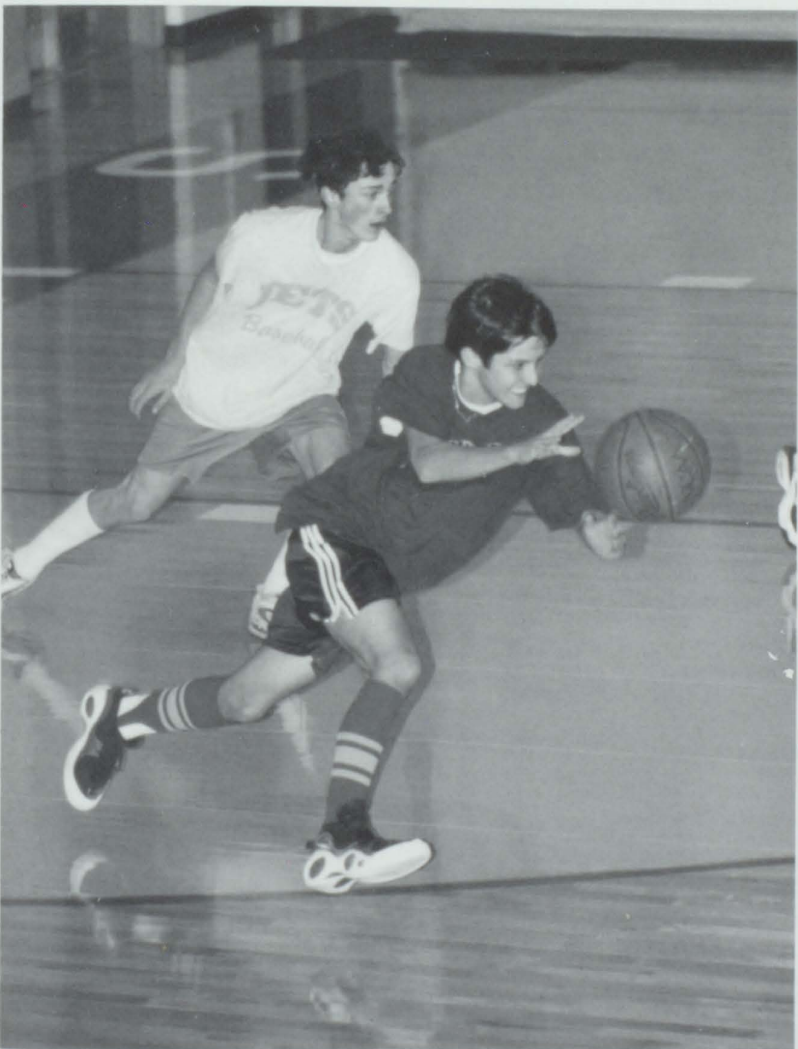

Senior Eddie Hetherington says, "After I wake up in the morning and feed my chickens, I like to go play intramurals and improve my health."

Senior Eric Henline says, "It's great getting up early on Saturday's to play ball, that is if you can get me up!"

Back and ready for more action, that would be the wrestling team. Coach Ron Cook said, "I really believe that we are going to have a good team. No, a great team!"

Last year was their first year and they defeated some of the best teams out there. Junior Mike Spangler said,

"I think our team has a lot of potential, and I'm sure we'll do great." The team hopes to send a few wrestlers to the state.

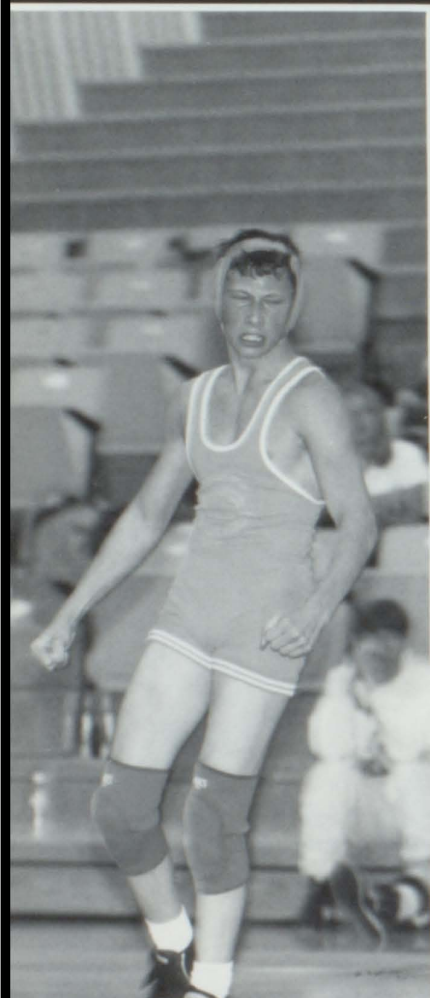

The team purchased new uniforms and mats with money they received from their sponsors. Freshman Jennifer Blakley said, "Wrestling is great. I've loved ev-

ery second of it."

During some of the home matches the team gave out "wrestler of the week" awards to outstanding individuals that sealed the victory, pepped up the team, or showed leadership. These wrestlers were honored with a plaque provided by Legge Insurance. Sophomore Josh

Volleyball

The volleyball team started with new faces and a lot of young talent. Freshmen Tracy Parham said, "Volleyball is really awesome, we are all like sisters! It's great." With ten returning players and two new coaches, the team had adjustments to make. Junior Kristie Dyer said, "It's been a long year, but

we've pulled through. The new coaches are great." The spikers did not have the opportunity to have a home game due to the loss of the gym floor. Junior Virgil Thompson said, "You really have to keep your eye on the ball!" Sophomore Lisa Pelfrey said, "I think even though we didn't win many games

it was really fun." Practice was always somewhere different and this was another adjustment that had to be made. Senior Carrie Burnett said, "I had a wonderful time the last three years with volleyball team. I learned what teamwork means."

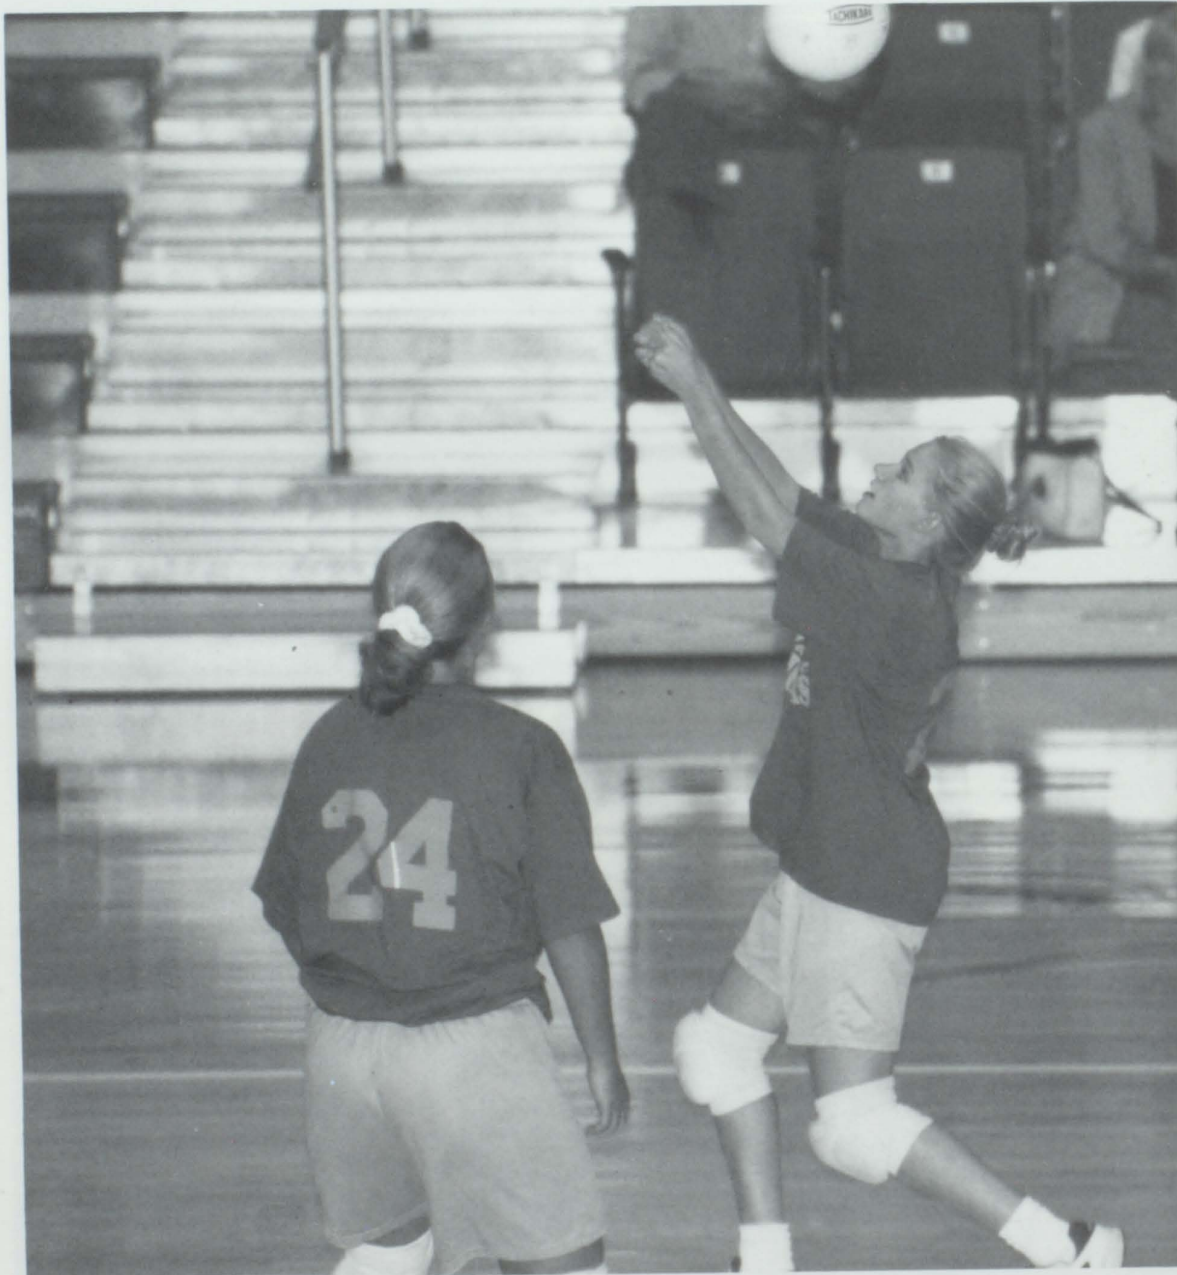

Coach Jason Atkinson said, "To

me you measure success not by just looking at the win and loss record, but at effort and a changing attitude of wanting to play hard and play your best. For this reason I would call our season a success."

Sophomore Tyler Biss says, "After the many days of practice and running it's worth it when you have a winning season."

Soccer

Rick Gilbert returned for a second year to coach both the Jets and Lady Jets soccer teams. Sophomore Nate Haskins said, "Soccer was fun because our coach was so darn great!"

Despite their poor win-loss record, the Lady Jets improved in many ways over last years inaugural season. Junior Alice Pee-

bles said, "The amount of games we won was overwhelming." Sophomore B.J. Burke said, "Soccer is great because you knock people down and hurt them." Junior Natalie Cobb said, "Our wins are dedicated to a sickly blue jay."

The Jets began in the late fall. Senior Tom Griffith said, "Soccer is a safe way to relieve my frustra-

tions." The Jets also worked hard to improve their own record over the previous years. Senior Jesse Hughes said, "Soccer is a way to explore my violent side in a structured, organized manner." Sophomore Tyler Biss said, "Overall the Jets and Lady Jets soccer teams had both productive and rewarding seasons." Senior Beth Dawk-

ins said, "Endless sprints, banana uniforms, Princess Pat, I love my rooster, and warm gatorade made my senior year unforgettable."

Senior Anna De Vos says, "Soccer kicks butt. It is the only time my dad has told me to go out and score!"

Bodilying down the ball, sophomore B.J. Burke says, "It's always fun to get hit by a ball."

Boys and Girls Golf

Both teams prepared themselves for the season by working hard during the summer hitting range balls and playing in individual tournaments. One team member senior Jason Wyatt played in the William Bryan Memorial Tournament. Freshman Kristin Huddleston said, "Golf is not easy it takes a lot of

practice and hard work."

Some team members felt that a tough schedule was ahead of them for the coming season. Despite the tough season the Jets finished with a record of 18-6, and a second place showing at the district tournament held at Deerfield Country Club. Senior Michael En-

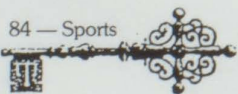

gland said, "We played really well this season and I am going to miss the competition." Without the hard work and dedication from each player the season would not have been as successful. Coach Richard Fields said, "It has been a great honor to be associated with these fine young men."

The Lady Jets also had a tough schedule this season. Coach Debbie Jones said, "We have a very young team, but they have had a successful season. I'm looking forward to the future with this team."

Senior Jason Wyatt says, "Hit it hard, hit it firm, straight in the hole."

Concentrating hard on her swing, freshman Sara Tollett says, "Don't cheat!"

Senior Michael England says, "You have to have a smooth stroke to be a player."

Senior Adam Mahaney says, "Golf is about positive energy and feeling the flow."

The tennis team started the season with a lot of hard work and dedication. The practices involved strenuous conditioning and drills. The boys hoped to defend their district title, while the girls strived to maintain their winning record. Coach Jill Lay said, "Our boys have a good nucleus of experienced players coming back from a

12-1 team. I have a great group of girls to work with. We are hoping to improve to the point where we can push the top teams in the district."

Senior Kartika Patel said, "Tennis gives me a feeling of stability in a world full of chaos. I'm really glad I got to participate in such a wonderful sport for four fulfilling

years. I would like to thank Ms. Lay, my mentor, for helping me be all that I can be." Junior Tiffany Phillips said, "It's been fun playing along side great teammates and hearing Kartika's inspirational pep talks."

Junior Robert Perron says, "The team has improved a lot since last year."

Junior Ivy Doster says, "Tennis is the highlight of my whole year."

Boy's and Girl's Track

Track was a hard fought battle for a struggling 2nd year program. "We started the season with five boys and ended the season with only two. The boys could only compete as individuals. The little amount of boys on the track resulted in a low win loss record," said coach Ron Cook. Their record for the year was 0-21. Junior J.T.

Kerley said, "Track is really fun. It is a lot of fun competing against other athletes. Coach Myers is a good coach and we will have a good year." Junior Donny McDonough said, "Track is a great time to spend having fun with your friends and every now and then run some." Sophomore Matt Hedgecoth said, "It was a lot of

hard work, but we all love coach Cook."

The girls produced an impressive record of 11-10. Most evident was their much larger roster than the boys team. Several members of the team set records throughout the season. Senior Jacklyn Stevens set a record in the 100 meter dash with a time of

13.12 seconds. Senior Jennifer Myers set two school records in the 800 meter with 2:57 and the 1600 meter with a time of 6:15. Myers said, "Track was fun, and I've really enjoyed the training for it."

Sophomore Staci Davis says, "Track was fun, I got to meet a lot of new people."

Cross-Country

Cross-Country is a long distance running sport. Several students participated in this running event. The returning members consisted of Jennifer Myers, Amy Sanders, and Sam Bohannon. Freshman Joseph Zimmerman said, "Cross-Country was a lot of hard work but we all had a great time. Hopefully we will have a better

year next year." Practice for this sport was strenuous and consisted of a daily practice of running five to six miles. Sophomore Joshua Hudgins said, "Cross-Country is a fun sport, but it is hard work."

The key quality of being a good competitive runner was endurance. Junior Adam Choate said, "It was great, hopefully we will have a bet-

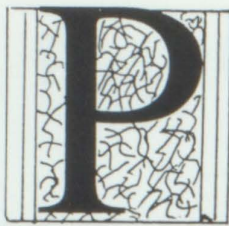

ter year next year." Senior Jennifer Myers said, "Cross-Country was great this year. I really enjoyed running with my teammates." Junior Sam Bohannon said, "Cross country keeps me in shape." Additional support was provided by three juniors, six sophomores, and four freshmen. Coach Ron Cook said, "We had a great

year for such a young team." Fundraisers for this sport were a golf tournament and car washes. They raised enough money to run the season.

Senior Steven Wilson says, "This has been a great year for me at CCHS. One of the best things about this year was cross-country, and I thank God for that. I believe that if it wasn't for him I would not have tried as hard. I also want to thank my mom, because I love her and she pushed me to do the best I could."

Senior Jeff Armes says, "The parade was a blast. Wade's truck is a monster."

Junior Melinda Merrill says, "Being in Pub and selling ads is great because I get to meet new people."

Senior Michael England says, "Thanks to Pub, I never have to eat school lunch."

Senior Travis Dixon says, "Pub was a great experience, the leaving part was the funnest."

Junior Jeff Petro says, "An ad editor must work hard, stay after school and be completely INSANE."

We Miss you, Jordan
June 17, 1980 - August 19, 1996

"... I can't wait 'till I can drive myself to school so I don't have to wait on you guys !!"

Jordan Graham

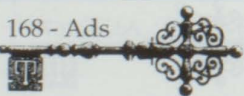

"... and isn't it ironic, don't you think? A little too ironic... oh yeah I really do think. It's like rain on your wedding day. It's a free ride when you've already paid. It's the good advice, that you just didn't take and who would have thought? It figgers..."

Alanis Morissette

"... Every time, EVERYTIME you get into your vehicle or anybody else's - please fasten your seat belt - for Jordan !"

Jenny Graham

ABC's of Being a Christian

Accept....

- That you are created by God and in His image
- That you are a sinner, rebel against God
- That you will have to pay a penalty for sin if it is unforgiven
- That at some point in time, you will die

Believe ...

- That Jesus is God's son
- That He came to earth to pay the penalty for your sins
- That He died on the cross and rose from the dead
- That He can save you and give you eternal life

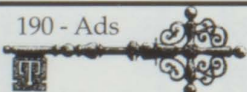

Confess....

- That you are a sinner and need forgiveness
- That you need Jesus to save and forgive you
- Your sins to Jesus, ask for His forgiveness and invite Him to live in your heart

Publications

A letter from the editors:

We would like to thank everyone who took part in the making of this yearbook. A special thanks to the section editors, the photography classes, Mr. Sanderson, the pub classes, and a great big hug to Ms. Hemmati. We also want to thank our friends who have listened to our complaints and

helped us survive deadlines. We love you guys! Many people receive their yearbooks without ever realizing the hard work and many long hours that goes into producing a book of this proportion. Every picture is chosen from hundreds of choices. Then people must be identified, quotes received, stories written, and pic-

tures cropped to fit their allotted spaces. Then each page is typed in, printed out, edited, and sent to the plant for printing. With all this work, it is very impossible to produce an error-free yearbook. So please ignore our mistakes and appreciate our efforts. Thanks

Shasten Agee

David Hoj
