READ THESE NOTES

1. Consult Instruction Form 43 "How to take the School Census."
2. If the district is fractional, write the names of the children in each township separately under the name of the township, beginning with that township in which the schoolhouse or site is situated. A separate statement must be made to the clerk of the several townships in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district lying within their respective townships. Make your list alphabetical.
3. If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon the blanks 2a, provided for this purpose. If those blanks have not been furnished you, apply to your commissioner. Census lists copied on any but the prescribed blanks will not be accepted.
4. The ages of the children must be given as they are on May 31, 1920. If a child removes from the district during the fifteen days preceding June 1, he should be enrolled in the district in which he is resident May 31, 1920.
