DISTRICT BOARD POLICY & LABOR AGREEMENTS

Every manager is expected to be familiar with Midland Public Schools' District Board Policy and Labor Agreements in order to be aware of policies and operational practices under which the district operates. The Board policies and labor agreements are available on the District website www.midlandps.org.

CORPORAL PUNISHMENT AND LIMITED USE OF REASONABLE FORCE (4203)

"Corporal punishment" is defined as the deliberate infliction of physical pain by hitting, paddling, spanking, slapping, or any other physical force used as a means of discipline. Corporal punishment does not include physical pain caused by reasonable physical activity associated with athletic training.

Employees will not inflict, or cause to be inflicted, corporal punishment upon any student under any circumstances. Any employee who engages in corporal punishment against a student will be subject to discipline, including discharge. An administrator or supervisor will report the employee to CPS consistent with **Policy 4202**.

Employees may use reasonable physical force upon a student as necessary to maintain order and control in a school or school-related setting for the purpose of providing an environment conducive to safety and learning.

The District may provide training to employees on the use of reasonable force and physical intervention techniques. If the District has provided that training to an employee, the employee must comply with that training.

Employees must comply with **Policy 5211** on Seclusion and Restraint of students and federal and state law. An employee's illegal use of seclusion or restraint may result in discipline, including discharge.

ANTI-HARASSMENT POLICY (4102)

Employees will have the opportunity to work in an atmosphere free from unlawful harassment, including sex-based harassment, as defined by state, federal, and local laws. The District prohibits quid pro quo and hostile work environment harassment.

The District will promptly and thoroughly investigate complaints pursuant to **Policy 4104** alleging unlawful harassment and take appropriate action, including discipline, against any person found to have violated this Policy. Investigation determinations will be based on a preponderance of the evidence.

Unlawful harassment is strictly prohibited. This Policy applies to employee conduct perpetrated against other employees, parents/guardians, officers, Board members, agents, contractors, volunteers, and members of the public. Although Title VII sexual harassment falls within this Policy, Title IX sexual harassment does not. For the District's Policy on Title IX sexual harassment, see **Policy 3118**. Allegations that an employee engaged in unlawful discrimination, harassment, or retaliation against a student will be investigated under **Policy 5202**.

This Policy applies to unlawful conduct related to work in any way, regardless of location.

Definition of Unlawful Harassment.

Except with regard to **Title IX Sexual Harassment Policy 3118**, the following definitions apply:

1. "Quid pro quo" harassment occurs when a supervisor requires sex, sexual favors, or sexual contact from an employee or job candidate as a condition of employment and where:

    - submission to that conduct or communication is made a term or condition, either explicitly or implicitly, to obtain or maintain employment; or

    - submission to or rejection of that conduct or communication is used as a factor in a decision affecting a person's employment.

2. "Hostile work environment" harassment is unwelcome verbal, visual/written, or physical conduct towards an employee because of the employee's race, color, national origin, ethnicity, religion, sex (including pregnancy), height, weight, marital status, gender identity, age, sexual orientation, disability, genetic information, veteran status, military service, or any other protected class and that has:

    - the purpose or effect of creating an intimidating, hostile, or offensive work environment;

    - the purpose or effect of unreasonably interfering with an employee's work; or

    - an adverse impact on a person's employment opportunities.

Definition of Sexual Harassment. While all forms of harassment are prohibited, special attention should be paid to sexual harassment. "Sexual harassment" is generally defined under both state and federal law as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature where:

- Submission to or rejection of such conduct is made either explicitly or implicitly a term or condition of any individual's employment or as a basis for employment decisions; *or*
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

Other sexually oriented conduct, whether intended or not, that is unwelcome and has the effect of creating a work environment that is hostile, offensive, intimidating, or humiliating to workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct that, if unwelcome, may constitute sexual harassment depending on the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Verbal: Unwelcome comments, including: the use of derogatory, sexually suggestive, or vulgar language; the use of sexual innuendo; unwelcome advances or repeated requests for dates or sexual favors; threats based on or motivated by a person's sex; demanding or pressuring another person to submit to sexual requests or advances to attain academic or professional achievement; threatening another person's academic or professional reputation if that person does not submit to sexual requests or advances; or any other similar behavior.

- Visual/Written: Subjecting another person to sexually suggestive, pornographic, or obscene images, text, or cartoons, including by electronic mail, text message, letter, or any other medium; the use of obscene gestures toward or around another person; leering at another person; or any other similar behavior.

- Physical: Unwanted kissing, touching, patting, hugging, pinching, or any other unwanted physical contact; impeding another person's normal movements; stalking, assault, or battery based on the victim's sex; any other physical interference with another person based on that person's sex; or any other similar behavior.

All employees should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment and retaliation against individuals for cooperating with an investigation of sexual harassment complaint is unlawful and will not be tolerated at Midland Public Schools.

DETERMINATION OF SALARY RANGES, INDIVIDUAL SALARIES WITHIN RANGES

For purposes of salary determination, there is a maximum salary for each level of job responsibility. A salary range for each level is then established by calculating a base that is 15% below the maximum.

All staff members' salaries will be established within the range for their level. Staff members without experience in a position will be paid at a figure near the bottom of the range. They will receive raises each year within the range on the basis of an annual evaluation.

The rate at which a manager advances yearly, within the range from Base to Maximum, depends on the overall rating on the yearly Performance Evaluation.

The numerical scale for rating performance is:

1 – Overall performance is exemplary
2 - Overall performance exceeds district expectations
3 - Overall performance meets district expectations
4 - Overall performance is below district expectations
(This is a temporary rating; allowable for a one-year period only.)

The percentage advancement from Base to Maximum for each rating is:

1 – 3 percentage points and a stipend of 1% of the prior year salary
2 – 3 percentage points

3 – 1.5 percentage points
4 – No advancement

The manager will be considered to be at B+3, B+5.5, B+13, etc., depending on the percentage of advancement from Base.

The Associate Superintendent of Finance, before submission to the Board of Education, will approve all salary recommendations. All evaluations are to be reviewed, before discussion with the individual concerned, by a Performance Review Committee consisting of the Superintendent, Associate Superintendents and Directors.

The supervisor meets with the Performance Review Committee to recommend a rating. After meeting with all the supervisors, the Performance Review Committee votes to approve or disapprove each individual recommendation.

A manager moving from Base to Maximum on the appropriate salary level will advance three (3) percentage points if approved for the exemplary rating. The manager will also receive a stipend of 1% of the prior year salary.

A manager who has reached Maximum (M) and who receives a "1" rating will receive a stipend of 1% of the prior salary paid at the beginning of the next fiscal year.

A manager within three percent (3%) of Maximum in the Base to Maximum Range who is rated "1" will also advance to with the subsequent one percent (1%) stipend.

PROFESSIONAL DUES REIMBURSEMENT

Each manager is entitled to up to $200 per year in professional dues and/or conference reimbursement. Refer to the HR Forms Drive to access the current Manager Professional Dues Reimbursement Form.

ADMINISTRATIVE COUNCIL

Midland Public Schools' Directors are members of the Administrative Council. The Administration Council is made up of all Administrators and Directors, as appointed by the Superintendent.

Administrative Council meetings are the superintendent's opportunity to discuss and share information with the administrative team and to seek input on important decisions that will affect the district. All administrators are a part of the district administrative team and, as such, are expected to be in attendance at all Administrative Council meetings.

MANAGER CONCERNS COMMITTEE

The function of the Manager Concerns Committee is to consider any matters, which are of concern to the members of the managerial staff in their work with the Midland Public Schools. When applicable, the committee will review the goals and concerns of their members and present them to the Agenda Group of the Midland Public Schools for collaborative dialogue. The members of this committee are elected to staggered terms of three years and may serve, if re-elected, for a total of two consecutive terms. The chair is elected for a three- year term by the members of the committee and may be re-elected to serve as chair. Any member who retires, resigns or is reassigned to a different employee group will be replaced for the remainder of his/her term.

MANAGER EVALUATION

Managers will be evaluated yearly until reaching maximum. After reaching maximum, managers will be evaluated at least once every three (3) years so long as they maintain a '1' Performance Evaluation Rating. A highly effective performance evaluation rating will require a written evaluation. Supervisors will meet yearly to review the job performance of those managers they supervise who do not receive a written evaluation. Annual evaluations of all managerial personnel will be completed each year by June 30th. Recommendation for salary must be made by the first Monday in May.

Evaluation of managerial personnel, including a recommendation for salary, will be the responsibility of the administrator or administrators to whom the staff member is responsible.

Refer to the HR Forms Drive to access the current manager evaluation and guidelines.

EVALUATION RESPONSIBILITIES

Managers are responsible for the evaluation of those employees whom they supervise. Evaluations are confidential and shall be available only to the employee, the evaluator and other appropriate administrators.

LONGEVITY

Managers will receive additional salary compensation in the form of a longevity payment beginning in their sixth year of MPS administrative service and this sum shall be reported as wages for Office of Retirement Services (ORS) retirement contributions. This payment will be equal to 0.25% of their annual salary payable to their 403(b) account and will be deposited at the end of the school year. For every year of service with Midland Public Schools, the longevity will increase by 0.25% until a maximum contribution of 2.0% is earned, at the completion of your 13th year of service.

EMPLOYEE DISCIPLINE

All potential cases of discipline involving employees that a manager supervises are to be communicated to the Director of Human Resources prior to initiating any steps in the disciplinary process. The director will assist managers in following proper disciplinary procedures while protecting the due process rights of employees.

STAFF DIRECTORY

All Midland Public Schools' employees should have a Staff Directory and access to any information appearing in the directory. Telephone numbers and addresses are sometimes unlisted and are not to be given out by OP members, even to staff members. Authorization to provide any information in the Staff Directory to anyone other than staff members must be granted by the administrator in charge. In questionable cases the OP member can obtain the caller's telephone number or address and contact the staff member with this information; the staff member may then contact the calling party if they so choose.

CONFIDENTIALITY OF STUDENT RECORDS (4204)

Employees must maintain and protect the confidentiality of student information and student education records (as defined in Policy 5309) and recognize parent/guardian rights to student information about their minor child(ren).

Employees must not disclose to third parties confidential student information or records, medical information, performance records, or behavior records unless appropriately authorized. This Policy prohibits disclosure to employees who do not have a legitimate educational interest in the student record.

Disclosure is appropriately authorized with a written release from the parent/guardian or student 18 years or older in accordance with the Family Educational Rights and Privacy Act (FERPA), the Individuals with Disabilities Education Act (IDEA), implementing regulations, and state law.

Employees who receive a subpoena seeking disclosure of student records or other confidential information must immediately notify the Superintendent or designee. Employees must not speak with an attorney who does not represent the District about a student without approval from the Superintendent or designee.

SOCIAL SECURITY NUMBERS (3113)

The District's use, storage, and transmission of social security numbers will comply with this Policy and applicable law. As used in this Policy, "social security number" means more than 4 sequential digits of a person's social security number.

B. Social Security Number Confidentiality

1. District personnel may access another person's social security number only to the extent necessary to perform District job duties.

2. Any physical, non-digital document or physical copy of a digital document, containing a person's social security number, if practical, should be stored in a secure area when not in use.

3. Any application, software program, electronic document, or other digital means through which a person has access to a social security number must be password protected.

4. District personnel and Board members will not intentionally disclose a social security number or a document containing a social security number to another person unless (a) that person is authorized to receive social security numbers under subsection B of this Policy, or (b) the disclosure is necessary to comply with applicable law, subpoena, or court order.

5. To share a document containing a social security number with a person not authorized to receive a social security number under subsection B, District personnel must make reasonable efforts to redact social security numbers from the document.

6. District personnel authorized to receive social security numbers will make reasonable efforts to destroy each document containing a social security number when it is no longer needed by shredding or incinerating it, subject to record retention requirements. See **Policy 3502**.

7. The District will not display a social security number on its checks.

C. District Personnel Authorized to Receive Social Security Numbers

1. The following persons may receive a social security number in the course of performing their duties:

    - Superintendent;
    - Chief business official;
    - Chief human resources official

2. If District personnel or a Board member encounters a document in the District's possession containing a social security number of another person in the course of performing District duties, that person should give the document to a person authorized to receive social security numbers.

SCHOOL SAFETY AND SECURITY (3400)

Protecting the safety of our employees and visitors is the most important aspect of running our school district.

All employees have the opportunity and responsibility to contribute to a safe work environment by using common sense rules and safe practices and by notifying management when any health or safety issues are present. All employees are encouraged to partner with management to ensure maximum safety for all.

SMOKE FREE WORKPLACE (3102)

Smoking is not allowed in district buildings or property by law. “Use of tobacco product” means any of the following:

- the carrying by a person of a lighted cigar, cigarette, pipe, other lighted smoking device, or electronic nicotine delivery system;
- the inhaling or chewing of a tobacco product;
- the placing of a tobacco product within a person’s mouth; or
- the smoking or use of electronic vapor or other substitute forms of cigarettes, clove cigarettes, other lighted smoking devices, or other electronic nicotine delivery systems for consuming or inhaling tobacco or any other substance.

The District prohibits the sale, possession, distribution, dispensation, or use of tobacco products, electronic cigarettes, vaporizers, and all electronic nicotine delivery systems on property owned or operated by the District.

District personnel should review Policy 4210 for the district’s drug and alcohol free workplace policy.

The District may also prohibit the use of these products at District-related events.

INCLEMENT WEATHER POLICY

Managers are expected to report to work. An employee who will be delayed in reporting to work because of difficulties in traveling, or who may even be prevented from arriving at all, is to contact his/her supervisor to report the difficulties. Each supervisor is authorized to approve the employee’s being late (or in justifiable circumstances, absent) in this situation. Such absences are to be recorded as “miscellaneous approved absence” on the payroll records. Requests to review a decision on an employee’s tardiness or absence, if necessary, should be referred to the Associate Superintendent of Administrative Services.

HOLIDAYS

The official school calendar, as annually adopted by the Board of Education, defines holidays for the Midland schools. Such holidays include July Fourth, Labor Day, Thanksgiving, the Friday after Thanksgiving, Christmas Eve, Christmas Day, New Year’s Eve, New Year’s Day, Good Friday, and Memorial Day. Employees who need time off to observe religious practices or holidays not already scheduled by the company should speak with the Director of Human Resources. Depending upon business needs, the employee may be able to work on a day that is normally observed as a holiday and then take time off for another religious day. Employees may also be able to switch a scheduled day with another employee, or take vacation time, or take off unpaid days. The company will seek to reasonably accommodate individuals’ religious observances.

Employees are not expected to work on holidays unless special arrangements are made.

If any one of the foregoing holidays falls on Saturday or Sunday, the Friday preceding or the Monday following said holiday will be counted as one of the ten (10) paid holidays.

WORK YEAR, VACATION SCHEDULES

For all managers, vacation allowance is based upon the number of months of assignment. Effective July 1, 2006, after initial employment, granted days of vacation allowance follow the schedule listed below:

Fiscal Year – 11.5 to 12 Months (250 to 262 Days)		Limited Year – 10.5 to 11 months (230 to 249 Days)		School Year < 10.5 months (>189 to 229 Days)

Vacation days are eligible for manager use the year after they are earned. For new hires effective July 1, 2006, vacation days will be granted rather than earned. At the time of initial employment as a manager, years of service in the district and years of school service, military service and/or creditable related service outside the school system may be counted as credited years for vacation up to a maximum of twelve (12) years of total credit.

Days of vacation may be borrowed up to half the vacation earned during the current year to a maximum of five (5) days. For new hires effective July 1, 2006, vacation days will be granted rather than earned. **Those with granted vacation days may not borrow**.

If all vacation is not used in any one year, unused days may be carried over to the next year. The total number of vacation days granted and accumulated by the current year's assignment, carryover and borrowing shall not exceed thirty (30) days. If the vacation days granted in a given year and carried over from the previous year exceed thirty (30), the days above thirty (30) will be added to the manager's personal illness bank.

Managers employed less than 260 days: If all vacation is not used in any one year, a maximum of five unused days may be carried over to the next year. The total number of vacation days granted and accumulated by carry-over and borrowing shall not exceed twenty-one (21). With the exception of designated holidays on the official school calendar, days not worked during periods when schools are not in session are to be counted as vacation days. Any vacation days that exceed the five day carryover limit or exceed a total of twenty-one (21) days granted and carried over from the previous year, will be added to the manager's personal illness bank.

The non-work days for managers working in an assignment that is less than 12 months are commonly called "Z" days. Managers are encouraged to take these "Z" days in blocks of full weeks if possible. All "Z" days must be used before any charge is made against the manager's vacation bank.

Vacation time is to be scheduled with the approval of the proper supervisor and when least disruptive to the work program.

A manager who leaves employment with the Midland Public Schools shall receive vacation pay prorated on the basis of vacation days earned (unless days were granted after June 30, 2006) plus unused vacation days for the current fiscal or school year, not to exceed thirty (30) days. If a manager's vacation days were granted, a manager who leaves employment shall receive vacation pay based on the proration of days granted from July 1 through the last day of employment. If a manager has used more vacation days then would have been granted based on the prorated year, the employee will be responsible for reimbursing the District.

PERSONAL DAYS

Every Manager is entitled to three (3) personal days per year to be used for business that cannot be conducted off school time. Managers employed initially within a school year and/or work less than 189 days per year are allotted a prorated number of personal days based on the number of days worked per school year. The use of personal days should be determined with the employee's supervisor. One unused day may be carried over to the next year. A maximum of four (4) days could be available in any year. Unused personal days not carried over will be applied to the individual's personal illness bank.

If a manager's personal days were granted, a manager who leaves employment shall receive personal day pay based on the proration of days granted from July 1 through the last day of employment. If a manager has used more personal days then would have been granted based on the prorated year, the employee will be responsible for reimbursing the District.

PERSONAL ILLNESS

Managers employed more than 189 days up to 229 days per year are allotted twelve (12) personal illness days annually. Managers employed for eleven (11) months (230 to 249 days per year) are allotted fourteen (14) personal illness days annually and those managers employed for twelve (12) months (250 to 260 days per year) are allotted fifteen (15) personal illness days annually. Managers employed initially within a school year and/or work less than 189 days per year are allotted a prorated number of personal illness days based on the number of days worked per school year. Unused days are accumulative without limitation.

In cases of merit, upon recommendation of the Superintendent, the Board of Education may extend personal illness leave beyond the employee's accumulated days.

SERIOUS ILLNESS

Any manager who exhausts his or her personal sick bank, Z-days, personal days and all except for ten (10) vacation days due to one serious illness per work year shall be entitled to additional sick days, whether consecutively or intermittently, until the manager reaches the sixtieth (60^{th}) day from the onset of the serious illness at which time the manager would be eligible to apply for long-term disability benefits.

The manager would apply for long-term disability benefits and, if eligible, be placed on an unpaid Family Medical Leave of Absence (FMLA) until such time the manager provides the District with medical certification releasing the individual back to work. (The long-term disability carrier determines eligibility of LTD benefits, not the District.)

This benefit is limited to one serious illness per work year. Any additional request for access to this Manager Sick Bank, in any one work year, may be considered for approval by the Superintendent.

FAMILY ILLNESS

To any regular employee dealing with serious illness requiring bedside or household attention by the employee of spouse, child, sibling, parent, parent-in-law, daughter-in-law, son-in-law, grandparent, grandchild or dependent of the immediate household resident, a total of ten (10) days' leave in any one year will be granted without loss of salary. Managers employed initially within a school year and/or work less than 189 days per year are allotted a prorated number of family days based on the number of days worked per school year. Such leave shall not be cumulative nor counted as part of sick leave.
In the event that a manager is dealing with an extreme situation in a single school year involving family members as defined above and if that manager has exhausted his/her family illness days, personal days, Z-days, and all except for ten (10) vacation days, the manager may apply to the Superintendent for an extension of these days of absence.

BEREAVEMENT

Absence not to exceed five (days) in any one year for reason of death for a spouse, child, sibling, parents, parent in law, daughter in law, son in law, grandparent, grandchild, or dependent of the immediate household resident. Absence for death of others not named above will be granted on written request to the Director of HR. Such leave shall not be cumulative nor counted as part of sick leave.

FAMILY AND MEDICAL LEAVE ACT (4106)

Midland Public Schools complies with the federal Family and Medical Leave Act (FMLA), which requires employers to grant unpaid leaves of absence to qualified workers for certain medical and family-related reasons. The company also abides by any state and local leave laws. The more generous of the laws will apply to the employee if the employee is eligible under both federal and state laws.

Please note there are many requirements, qualifications, and exceptions under these laws, and each employee's situation is different. Contact the Human Resources department to discuss options for leave.

Basic Leave Entitlement. The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons: (1) for incapacity due to pregnancy, prenatal medical care, or childbirth; (2) to care for the employee's child after birth or placement for adoption or foster care; (3) to care for the employee's spouse, son or daughter, or parent who has a serious health condition; or (4) for a serious health condition that makes the employee unable to work.

Military Family Leave Entitlements. Eligible employees with a spouse, son, daughter, or parent on active duty or called to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include addressing issues that arise from (1) short notice of deployment (limited to up to seven days of leave); (2) attending certain military events and related activity; (3) arranging childcare and school activities; (4) addressing certain financial and legal arrangements; (5) attending certain counseling sessions; (6) spending time with covered military family members on short-term temporary rest and recuperation leave (limited to up to five days of leave); (7) attending post-deployment reintegration briefings; (8) arranging care for or providing care to a parent who is incapable of self-care; and (9) any additional activities agreed upon by the employer and employee that arise out of the military member's active duty or call to active duty.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties and for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections During FMLA Leave. During FMLA leave, the Company will maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees will be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. However, an employee on FMLA leave does not have any greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period.

Employee Eligibility. The FMLA defines eligible employees as employees who: (1) have worked for the Company for at least 12 months; (2) have worked for the Company for at least 1,250 hours in the previous 12 months; and (3) work at or report to a worksite which has 50 or more employees or is within 75 miles of Company worksites that taken together have a total of 50 or more employees.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job or prevents the qualified family member from participating in school, work, or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced work schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies also may be taken on an intermittent or reduced work schedule basis.

Pay while on FMLA leave. Employees will use personal or family illness banks while on FMLA leave. When the balance has been exhausted, the employee will be on unpaid FMLA leave.

MICHIGAN EARNED SICK TIME ACT (ESTA)

Midland Public Schools complies with the Michigan Earned Sick Time Act (ESTA), which requires employers to allow the use of paid leave time for specific qualifying reasons. The District's paid leave benefits outlined in this handbook exceed the maximum 72 hours (nine days) required by law for all eligible employees each year, including for those on a prorated schedule. ESTA does not provide additional leave beyond the amounts already allocated under District policy.

When an absence qualifies under both the Earned Sick Time Act and the District's paid leave policies, the time will always run concurrently and will not extend the total amount of paid leave available. If no paid leave time remains, ESTA leave will be unpaid unless otherwise provided by District policy.

Permitted Reasons for Use. Leave under ESTA may be used for:

1. The employee's own mental or physical illness, injury, or health condition, including medical diagnosis, care, or preventive medical care.
2. The care of a family member with a mental or physical illness, injury, or health condition, including medical diagnosis, care, or preventive medical care.
3. Closure of the employee's place of business, or the employee's child's school or place of care, due to a public health emergency.
4. Absences related to domestic violence or sexual assault, including medical care, victim services, counseling, relocation, or participation in legal proceedings.

Definition of Family Member. For purposes of ESTA, "family member" includes:

- A child (biological, adopted, foster, stepchild, legal ward, or a child for whom the employee stands in loco parentis).
- A parent (biological, foster, adoptive, stepparent, or legal guardian of the employee or the employee's spouse, or a person who stood in loco parentis when the employee was a minor).
- A spouse or domestic partner.
- A grandparent or grandchild.
- A sibling.
- Any individual whose close association with the employee is the equivalent of a family relationship, as reasonably determined by the District in accordance with applicable law.

Requesting ESTA Leave. Requests for ESTA leave must follow the District's standard leave request process for Personal Illness or Family Illness days, including providing advance notice when foreseeable and documentation when required. Leave under ESTA may be taken in full or partial day increments, consistent with District policy, and employees must make reasonable efforts to schedule leave in a manner that does not unduly disrupt District operations.

Please note there are many requirements, qualifications, and exceptions under these laws, and each employee's situation is different. Contact the Human Resources Department to discuss how the Earned Sick Time Act may apply to your circumstances.

WORKPLACE ACCOMMODATIONS FOR EMPLOYEES AND APPLICANTS WITH DISABILITIES (4105)

The District complies with the ADA, Section 504, the MPDCRA, and other federal, state, and local laws that prohibit discrimination in employment against qualified persons with disabilities. The District does not unlawfully discriminate against otherwise qualified employees or applicants for employment with a physical or mental impairment that substantially limits one or more major life activities, those regarded as having a disability, or those with a record of a disability.

An applicant or employee with a disability, like all other applicants and employees, must meet the District's requirements for the job, including education, training, employment experience, skills, or licenses/certifications. An applicant or employee with a disability must be able to perform the job's essential functions with or without reasonable accommodation(s). After an applicant has been given a conditional job offer, the District may ask disability-related questions about the applicant's ability to perform the essential functions of the position with or without reasonable accommodation.

An employee who requires a reasonable accommodation to perform essential job functions must promptly inform the employee's supervisor or the Superintendent or designee. An applicant who requires a reasonable accommodation to perform essential job functions must promptly inform the Superintendent or designee after receiving a conditional offer of employment. A reasonable accommodation is defined as a change in the work environment or in the methods of performing work to enable an otherwise qualified applicant or employee to perform the essential job functions of a position and to enjoy equal employment opportunities.

An applicant or employee who believes he/she has been discriminated against under this Policy must promptly file a complaint using the Employment Complaint Procedure in **Policy 4104**.

JURY DUTY

Any employee chosen for jury duty shall be excused without penalty or loss of salary.

MILITARY LEAVE (4107)

The District complies with the Uniformed Services Employment and Reemployment Rights Act (USERRA), Michigan's Military Leaves Reemployment Protection Act (MLRPA), and Michigan's Public Employees Entering Armed Forces Act (MPEEAFA). The term "military service" as used in this Policy includes the "uniformed services" as defined in the USERRA, "service" as defined in the MLRPA, and "military duty" as defined in the MPEEAFA.

Military service also includes service and training in the Army, Navy, Marine Corps, Air Force, Coast Guard, applicable reserve forces, Army National Guard, Air National Guard, Commissioned Corps of the Public Health Service, and other categories of persons designated by the U.S. President in times of war.

In qualifying circumstances, eligible full- and part-time employees may take leave related to military service and are entitled to reemployment and other rights during and at the conclusion of military leave. Military leave is unpaid, but employees may use accrued applicable paid leave for all or a portion of their military leave in accordance with a collective bargaining agreement or individual employment contract.

All employees who enter military service may accumulate a total absence of 5 years and still retain employment rights.

WORK-FROM-HOME (WFH)

The objective of this benefit is to implement a remote work framework to support flexible work arrangements and enhance organizational efficiency and effectiveness while maintaining exceptional educational standards.

The program is applicable only to the employees classified in the Manager handbook. The scope may be altered at any time by the Superintendent team.

Procedures for Work-From-Home (WFH) Arrangements:

Midland Public Schools (MPS) considers work-from-home (WFH) arrangements viable, flexible work options when both the employee and the position are suited to such an arrangement. WFH arrangements may be appropriate for some employees and positions and not for others. It is not an entitlement, it is not

an organization-wide benefit, and it in no way changes the terms and conditions of employment with MPS. WFH arrangements for Managers may be:

- **Hybrid WFH -** Employee works on-site, with predetermined, regular times when the employee works from home.

- **Situational WFH** - Employee is primarily on-site, with situational times when the employee works from home (e.g. virtual conferences, project-based work, inclement weather, etc.). This type of arrangement will not extend beyond three (3) consecutive days up to a maximum of ten (10) total days per year. A proration of the available WFH days will be applied to employees working less than a 260-day schedule as follows:
    - 250-day employees; up to nine (9) situational WFH days
    - 240-day employees; up to eight (8) situational WFH days
    - 220-day employees; up to seven (7) situational WFH days

  These arrangements are pre-approved on an as-needed basis only, with no expectation of ongoing continuance.

Any new WFH arrangements will be on a trial basis and may be discontinued at will and at any time at the request of either the employee or by request from the supervisor with approval by the District (Superintendent Team (Hybrid) -or- Director of Human Resources (Situational)). Every effort will be made to provide advanced notice of such change to accommodate commuting and other issues arising from the termination of WFH arrangements. There may be instances, however, when no notice is possible.

In the event of an urgent matter, employees may be required to report on-site within a two-hour time frame.

The employee must have an approved WFH Arrangement Application completed, approved, and on file with the Human Resources Department prior to the utilization of any instance of working from home. Please contact the Human Resources Department for the application.

Eligibility:

Hybrid WFH arrangements allow employees to work in an alternative work location for part of their work week. Positions that require daily on-site work may apply for a situational WFH arrangement only. A minimum service requirement of at least 90 days with MPS is required before considering or approving any WFH arrangement.

Before entering into any WFH arrangement, the employee and supervisor will evaluate the suitability of such an arrangement by reviewing the following areas:

- Employee suitability: The supervisor will assess the needs and work habits of the employee.
- Position suitability: The employee's position must be deemed eligible for hybrid WFH as defined by the position's essential functions. Positions that require daily on-site work may apply for a situational WFH arrangement only.
- Equipment needs, workspace design considerations, and scheduling: The employee and supervisor will review the physical workspace needs and the appropriate location for the remote work.
- Tax and other legal implications: The employee must determine any tax or legal implications under IRS, state, and local government laws and/or restrictions of working out of a home-based office. Responsibility for fulfilling all obligations in this area rests solely with the employee.
- Review and check-off of expectations and safety requirements: Before beginning a WFH arrangement, the employee must have all documents submitted and approved and complete all the required acknowledgments, reviews, and checkoffs.

- Trial Period & Monitoring: A trial period of the employee's completion of pre-determined measurables and expectations during the initial implementation of the WFH arrangement will be completed and will be monitored throughout the arrangement.

Employee Suitability:

The supervisor will determine the employee's needs and work habits to determine if they have the ability to work from home by discussing the following:

- Do you have a history of being self-motivated, results-oriented, and comfortable setting priorities and deadlines?
- Are you able to work independently with minimal supervision?
- Have you been successful in your current position?
- Are you familiar with the organization's procedures?
- Are you an effective communicator who takes initiative?
- Are you adaptable to change?
- Do you have strong time management and organizational skills?
- Do you have strong computer skills?
- Do you have an environment conducive to working from home (ability to have distraction free virtual meetings in a manner that protects confidentiality)?
- Do you have a reliable internet connection and cellular service at a remote location?

Employees who have received an evaluation rating that is less than effective or below district expectations on their most recent performance evaluation are not eligible to apply for (or continue in a previously approved) a WFH arrangement.

Position Suitability:

Upon request from an employee for a WFH arrangement, the supervisor (with assistance from the Director of Human Resources as needed) will review the position's job description and essential functions for suitability for work from home.

MPS uses the following factors when determining if a position may be suitable for remote work:

- Work activities are portable and can be performed effectively outside the office, at least on a temporary basis.
- Job tasks are easily quantifiable or primarily project-oriented.
- The employee's output can be assessed by the supervisor.
- An employee's participation in the WFH arrangement will not adversely affect the performance of other employees or stakeholders.
- Contact with other employees and the community is sufficiently predictable or can be done virtually.
- Technology and equipment needed to perform the job remotely are available.

If the following factors are identified when reviewing the position's essential functions, it may be determined that the position is **not suitable** for work from home:

- The nature of the work performed by the employee must be conducted onsite.
- Equipment is needed that cannot be portable.
- The need to protect confidential information about the organization, students, or staff.
- The need to directly supervise staff or students.
- The need to directly provide services for a student, staff member, or constituent of MPS.
- The position must have direct contact with other employees, parents, or the community, which may occur spontaneously and cannot be done virtually.
- The position requires regular visibility and in-person contact with other employees or the public.
- The position requires regular access to materials that cannot be removed from the worksite.

Equipment Needs, Workspace Design Considerations, and Scheduling:

On a case-by-case basis, MPS will determine, with information supplied by the employee and the supervisor, the appropriate equipment needs (including hardware, software, modems, phone and data lines, and other office equipment) for each work-from-home arrangement. The Human Resources and Technology Departments will serve as resources in this matter.

Equipment: Equipment and items supplied by the District will be maintained by the District. Equipment supplied by the employee, if deemed appropriate and approved by the organization, will be maintained by the employee. MPS accepts no responsibility for damage or repairs to the employee or employee-owned equipment. MPS reserves the right to determine appropriate equipment, subject to change at any time. Equipment supplied by the District is to be used for business purposes only. The employee must sign an inventory of all MPS property received and agree to take appropriate action to protect the items from damage or theft. Upon termination of employment, all company property will be returned to the District unless other arrangements have been made.

- Equipment furnished by MPS:
    - Laptop computer
    - Additional monitors/docking station (if needed)
    - Office supplies, as necessary (pens, notebook paper, calculator, scanner, etc.)
    - Web camera (if needed)
    - Speakers or headsets (if needed)
- Equipment furnished by the employee:
    - Work area (must be a designated work area with adequate working conditions [lighting, ergonomics, etc.] suitable for the performance of official duties)
    - Furniture (desk, chair, storage, etc.)
    - Environmental items (heating/cooling, lighting, etc.)
    - Reliable, adequate internet connection
    - Reliable, adequate cellular service & phone

Security: Consistent with the organization's expectations of information security for employees working at the office, work-from-home employees will be expected to ensure the protection of proprietary company and customer information accessible from their home office. Steps include using locked file cabinets and desks, regular password maintenance, and other measures appropriate for the job and the environment.

Safety: Employees working from home are expected to maintain their home workspace in a safe manner, free from safety hazards. MPS will provide each employee with a safety checklist that must be completed at least one yearly. Injuries sustained by the employee in a home office location and in conjunction with their regular work duties are normally covered by the District's workers' compensation policy. Employees are responsible for notifying the District of such injuries as soon as practicable. The employee is liable for any injuries sustained by visitors to their at-home work site.

Time Worked and Schedule: It is expected that employees will work the established District business hours and be readily available and responsive to the workplace during business hours. Employees performing work from home who are eligible for overtime requirements based on the Fair Labor Standards Act will be required to accurately record all hours worked using the MPS time-keeping system accurately. Hours worked in excess of those scheduled per workweek require the advance approval of the employee's supervisor. Failure to comply with this requirement may result in the immediate termination of the WFH agreement.

- **Working from home is not designed to be a replacement for appropriate dependent care or paid time off. The focus of the arrangement must remain on job performance and meeting business demands. In addition, it is expected that employees working from home are readily available and accessible during their**

scheduled workday unless the employee is utilizing their available paid time off (vacation, personal, sick time, etc.).

Unique circumstances that are outside of the scope of the conditions described in the previous paragraph may be considered on an individual basis. Any unique circumstance approved may only be used for a total of 1/3 of the allocated days for a 'Situational' employee. The circumstance must be presented to the Supervisor for consideration. The Supervisor must gain approval from a member of the Superintendent Team for final approval. Dispositions are final and not subject to appeal. Approvals are non-precedent setting and may be rescinded at any time.

Unique Circumstance Example: An employee that has an approved 'Situational' WFH application has a service appointment at their home for emergency HVAC repair. The service appointment is three hours. The employee needs to be present at their home when the repair is occurring. The employee is able to work at home during the repair and complete work tasks. Per MPS WFH policy, the time out of the office should traditionally be recorded as 'personal time.' If approved by the supervisor and a member of the Superintendent Team, the employee can use the 'unique circumstance' exception and use 'Situational' WFH hours vs. personal time.

Application:

If the employee and supervisor agree, all parties will complete an application, and a trial period will commence following approval from the Director of Human Resources (Situational). Documents will remain on file in the Human Resources Department. Any changes to the WFH agreement will require the employee to update the WFH arrangement agreement form on file. Once an application is approved, the employee will need to re-certify this agreement annually.

MPS Work-From Home Employee Arrangement Application Link

Review and Check-off of Expectations and Safety Requirements:

Before beginning a WFH arrangement, the employee must have all documents submitted, approved, and on file with the Human Resources Department:

- Work From Home Expectations & Etiquette Guidelines
- Work From Home Site Safety Review & Check-off
- Technology Setup Review & Check-off

Trial Period and Monitoring:

Monitoring of the employee's completion of the predetermined measurables and expectations during the trial period will include regular interaction by phone and email between the employee and the supervisor and 30-day (hybrid) or 90-day (situational) trial period check-in meeting to discuss work progress and any concerns. At the end of the trial period, the employee and supervisor will each complete an informal feedback form related to the arrangement and make recommendations for continuance or modifications. Monitoring of the employee's WFH completion of measurables and expectations beyond the trial period will be consistent.

An appropriate level of communication between the employee and the supervisor will be agreed to as part of the discussion process and will be more formal during the trial period. After the conclusion of the trial period, the supervisor and employee will communicate at a level consistent with employees working at the office or in a manner and frequency that is appropriate for the job and the individuals involved.

Appeal:

Any disagreement between an employee and supervisor shall be directed to the Director of Human Resources. The Director will work with the Superintendent Team to render a disposition. Dispositions are final and not subject to appeal.

Program Review:

The Superintendent team may amend or terminate the program in whole or in part. Programmatic review will occur at least annually.
