

Addendum #1
RFP Division (Screen) Printing Services for Spirit Wear, Clothing and Gym Uniforms

Q: Is there any printing on the shirts or shorts? If so how many colors of ink? Do you use cotton tees? Or a dri fit tees?

A: **Yes, they have “Salem” printed on both the shirts and shorts. If it is a maroon shirt, the print is white or gray. If the shirt is white, the print is maroon. Cotton tees are fine.**

Q: Is this an all or nothing bid, as in if we can't/won't do the “provide a booth at the first 3 Salem football games” is that an automatic no-bid?

A: **It is the preference of the division that all noted parameters of the bid be met (i.e. presence and booth at the first 3 home Salem football games), but you can still submit a bid with it noted that you are not able to meet this part of the bid and the evaluation committee can make decisions based on the bids received.**
