Assistant Principals

Dear PHS Parents/Guardians and Students,

On Thursday, October 13th, we will be administering the PreACT assessment to all sophomores. All sophomores are required to be present on campus to take this assessment. For students in grades 9, 11, and 12, we have other plans and opportunities for a productive day of learning. Students in grades 9, 11, and 12 will be assigned to their homeroom teacher for the day. We will be taking attendance for students in grades 9-12. If students are absent, they will be coded as an unexcused absence for their homeroom, unless a parent or doctor note is presented to the Student Center. This is the same attendance procedure as any other normal school day.

If sophomores would like to check out after the PreACT test, they must submit a note to the teacher in their testing room. Students without a note will not be allowed to check out after the test. If students check out, they must exit through the Student Center. Students that check out are not allowed to remain on campus or come back to campus.

Students in grades 9, 11, and 12 will work on learning assignments that will be posted on Schoology. Teachers will post learning assignments on Schoology that all students in grades 9, 11, and 12 must complete. Students will work on their school issued Chromebook or personal laptop or Chromebook while in their homeroom teacher's classroom.

\*Digital devices are not allowed in the testing rooms. It is best to leave these at home or in cars if possible. Devices will be taken up and placed in a safe location before the test if students do bring them into the building. Devices include, but are not limited to, laptops, smartphones, smartwatches, fitness trackers, mp3 players, and tablets.

Should you have any questions about this day, or regarding any of the information shared, please contact your respective grade-level administrators listed below.

Go Lions!

Dr. Daniel Farris, Principal

Mr. Mitchell Thornton, 9th Grade Administrator  
Mrs. Michal Stallworth, 10th Grade Administrator  
Mr. Malcolm Dailey, 11th Grade Administrator  
Mrs. Gloria Jerkins, 12th Grade Administrator
