Our Catholic School Policy

St. John Paul II Catholic High School is a college preparatory secondary school sponsored by the Diocese of Birmingham. The mission of the school is to bring forth Christ to the people in the school communities – students, faculty, staff, parents, alumni, and those in the surrounding area. We – the administration, faculty, and staff – commit ourselves to the particular mission of the spiritual, intellectual, social, affective, and physical development of our students.

We view education in terms of message, community, worship, and service. The students and faculty are inspired to appreciate the faith in their life, to understand community in a global and local sense, to experience personal and communal prayer, and to realize that service to others is basic to the gospel message of Jesus. By these means, students and faculty will grow in their understanding and experience as disciples of Jesus. In ministering to this community, the teacher has a responsibility to foster, by both word and example, Christian values which mirror the belief in the special dignity given to each person by Jesus Christ.

We view academic excellence as an achievable goal for all students as each one learns and grows according to individual talents. We believe that the total education of each student necessitates the positive collaboration of faculty and an active commitment to the development of partnerships with parents for the student's benefit. Ongoing evaluation of our program and progress helps to ensure that we are properly responding to the genuine needs of our students.

We encourage the participation of each student in a well-developed program of faith formation, academics, fine arts, athletics, and extracurricular activities. The entire school is committed to the fostering of self-discipline and independence while maintaining the primary importance of providing an environment in which all students can learn to become educated, contributing citizens of the world.

Mission Statements

Diocese of Birmingham in Alabama

The mission of the Diocese of Birmingham Catholic School System is “Create a community of learners who joyfully navigate faith and reason in order to propagate our Catholic beliefs. Ensure vibrant and enduring communities of faith by:

- Fostering a sense of belonging,
- Providing a framework of operational support,
- Helping to bring our community of learners closer to their God-given spiritual and academic potential.

St. John Paul II Catholic High School

Inspired by our patron, St. John Paul II Catholic High School develops students in spirit, mind, and body through a Christ-centered, college preparatory education. As a welcoming community of faith, we encourage, challenge, and support our students to learn enthusiastically, lead honorably, and live responsibly so they will improve themselves and society through their faith and vocation.

OUR VALUES

Faith and Service

We practice the teachings of the Catholic Church and call each member of our community to a life of ministry and service.

Dignity and Diversity

We honor and respect individuals, embracing differences in a unified loving community.

Excellence and Quality

We promote the highest standards of achievement in our four pillars of Academics, Arts, Athletics, and Spiritual formation.

Spiritual Formation and Christian Service

RELIGIOUS FORMATION

The Religious Formation Program at St. John Paul II Catholic High School is designed to aid each student in developing his/her individual faith within the support of a Christian community. Along with religion courses, which cover the content of the Roman Catholic tradition, religious activities help students grow spiritually as they participate in retreats, celebrate in prayer and liturgy, and perform community service. Religion is not just a subject that students are required to take but is infused in all that we do.

CELEBRATION OF THE EUCHARIST

The school celebrates the Eucharist as a community each week. All students are expected to attend Mass with reverence and respect. Students may participate in the liturgy as lectors, servers, ushers, musicians, and other liturgical ministers.

SACRAMENT OF RECONCILIATION

The school offers a communal Penance service at least twice a year, typically during Advent and Lent.

SPIRITUAL and CAMPUS MINISTRY ACTIVITIES

To assist in the development of a Catholic faith community with Jesus as the model, St. John Paul II Catholic High School students and faculty organize and direct the spiritual activities of the school community. These activities include student retreats, liturgies, penance services, communal prayer, personal conferences, adoration, and Christian service to the surrounding population.

PRAYER

After the example of our Lord, our community is held together with prayer. Therefore, as part of a Catholic system of education, St. John Paul II Catholic High School students have the privilege of praying together during the school day. Prayer is recited before morning announcements and before lunch each day as well as during school assemblies.

OUR LADY OF HOPE CHAPEL

Our Lady of Hope Chapel is open to all for personal prayer and reflection. The Blessed Sacrament is present and a respectful attitude is expected from those entering the chapel. No food, drink or gum are allowed in the chapel.

OTHER SPIRITUAL OPPORTUNITIES

Other spiritual activities include Stations of the Cross – presented as “Way of the Cross” and Eucharistic Adoration.

RETREATS

St. John Paul II Catholic High School conducts retreat experiences that are structured appropriately for each grade level and are designed to help students deepen their relationship with Jesus, fellow students, and themselves. Retreats are an integral part of the religious formation at JP II and therefore students' **attendance is mandatory**. **Students who do not participate in their class retreat must have approval from the Principal at least one (1) week in advance with a remediation plan for the experience.** Students who have an approved absence from any retreat will be given a make-up reflection assignment. If a student has an unexcused absence on the retreat day or never completes the make-up reflection assignment it will result in 5% off a student's quarter average in Theology.

COMMUNITY SERVICE

Service to God by serving others is at the heart of spiritual education at St. John Paul II Catholic High School. Our service program is rooted in the Gospel call and reflects our Catholic identity. It is our goal to assist each student in embracing the values of the common good which comes from serving others and instilling the desire for a life-long commitment to service within the community.

Code of Conduct

In order to instill the spirit of trust that is necessary for honor to be maintained, it is essential that the Honor Code be supported by all students, parents, faculty, staff, and administration. Thus, each group in the school community holds a responsibility to ensure that a culture of integrity is upheld at all times.

The development of self-worth, respect for others, and responsibility for one's actions cannot occur without the individual's acknowledgement that honor must be respected at all times. Respectable and honorable conduct both on and off campus is expected from everyone at JPII. Students are encouraged and expected to adopt an ethical attitude in all academic and personal undertakings, and to only claim that which is rightfully theirs.

Failure to maintain these standards of honor will result in a breakdown of the spirit of community and the spirit of trust. Students and parents acknowledge this expectation and pledge to uphold their honor.

As the primary educators of their children, parents/guardians freely make the choice of a Catholic education for their sons/daughters. Registration in St. John Paul II Catholic High School is an agreement by the parent/guardian to accept and abide by the rules and regulations of the institution and to support its philosophy of education.

A cooperative relationship between the St. John Paul II Catholic High School personnel and a parent/guardian is essential for the overall education of a student. It is critical that a cooperative relationship be maintained through constructive dialogue with the parent/guardian.

If a parent/guardian refuses to abide by the rules and regulations of St. John Paul II Catholic High School by word or action, is unsupportive of its goals, or otherwise fails to meet his/her obligations under St. John Paul II Catholic High School or Diocesan policies, the administrator may require the parent/guardian to withdraw his/her child or children from the school.

Additionally, parents/guardians will be held to the same standards of respect as students are in regards to their interactions with administrators, teachers, staff, and students.

Conduct Policies

EXPECTATIONS AND RESPONSIBILITIES

We believe that a disciplined and structured atmosphere is necessary for students to achieve their potential academically, physically, socially and spiritually. The purpose of discipline is to maintain a safe, honest, and caring environment for students to thrive. Families with students at JPII are expected to be committed to and supportive of our behavior philosophy.

Each JPII student and parent/guardian will be held to the following expectations:

- Treat adults and peers with courtesy and respect.
- Show respect for all people regardless of gender, ethnicity, culture, religion, sexual orientation, and socio-economic background.
- Show respect for the property of others.
- Show respect for the environment by maintaining the cleanliness of the building and surrounding campus.
- Help maintain a positive atmosphere with appropriate behavior in the classroom, school assemblies, meetings, and other small and large gatherings, both on and off campus.
- Be responsible for honest/ethical behavior in all pursuits.
- Promote the safety and well-being of all students.
- Accept responsibility for all personal actions.

A stakeholder's – parent/guardian, student, family member, etc. – conduct, away from school, at school-related activities, and on social media (including networking sites, internet websites, and other published media) reflects upon St. John Paul II Catholic High School and may affect the student's standing as a member of the school community. Behavior which in any way discredits the school or is threatening to other students or employees will be addressed following established school policies.

EVALUATIONS FOR CONTINUED ATTENDANCE AT JPII

The privilege to attend JPII is reviewed periodically, especially at the end of each semester. The evaluation is based on a student's academic performance and positive response to the behavioral goals and expectations relative to the policies of the school. The criteria for evaluation are based on the following standards:

- Academic – the student must do his/her best academically in order to succeed at JPII
- Attendance – the student may not have excessive absence or tardiness without medical documentation
- Behavior – the student should adhere to school policies
- Attitude – the student should exhibit cooperation and responsibility
- Financial – the student's financial obligations have been met

BULLYING/CYBERBULLYING/HAZING/HARASSMENT/THREATS/SOCIAL MEDIA POSTS

JPII believes that all students and employees are entitled to work and study in a school environment that is Christ-centered and free of harassment. Accordingly, all patterns of intimidation, threats, or bullying by the JPII community are prohibited. Any student who engages in bullying and/or cyberbullying is subject to appropriate discipline. Students who have been bullied/cyberbullied should promptly report such incidents to any faculty or staff member. Students, who know of someone in our community who is being bullied or cyberbullied, should promptly report to a faculty or staff person.

Anonymous or authored **reports** may be made by anyone in writing to administration. Complaints of bullying or cyberbullying will be investigated promptly, and corrective action will be taken when a complaint is verified. All forms of bullying are disruptive to the educational process and a violation of our Honor Code. Consequences for this type of behavior include regular school discipline and/or a referral to civil authorities.

Harassment occurs when an individual is intimidated, teased, bullied, threatened, or discriminated against because of race, religion, age, gender, physical appearance, socioeconomic status, or sexual orientation. Harassment creates an offensive, hostile, and intimidating environment. Examples of harassing behavior include but are not limited to the following:

- **Verbal Harassment:** Derogatory or demeaning comments, jokes, threatening or intimidating words spoken to or about another person or group.
- **Physical Harassment:** Unwanted physical contact, touch, blocking movements, assault, hazing or any intimidating interference with normal activity or movement.
- **Visual or Cyber Harassment:** Derogatory, demeaning or inflammatory drawings, written words, cartoons, posters, gestures, or photographs produced or posted (which includes sexting).
- **Sexual Harassment:** Unwelcome comments and other verbal or physical conduct of a sexual nature.

CYBER- OR ELECTRONICALLY-BASED INAPPROPRIATENESS

The use of email messages, text messages, blogs, websites, or other electronic or media-based communications to make inflammatory or derogatory comments, and/or inappropriate descriptions or pictures, regarding an administrator, a teacher, a staff member, a coach, a fellow student, or another school/team is strictly prohibited. For the purposes of this policy, inappropriate comments/pictures/descriptions regarding another person's race, ethnic background, culture, religion, gender or sexual orientation are considered inappropriate.

The school includes as a violation of its Honor Code any offensive, lewd, scandalous, inappropriate, hostile, or intimidating communication or material that occurs via phones, email, voicemail, text messages, video, social networks (e.g., *Facebook, Instagram, KIK, TikTok, X formerly Twitter, and the like*), or the Internet in general.

CLASSROOM CONDUCT

Students are expected to participate in classroom exercises, lessons, and discussions. Furthermore, they are expected to contribute positively to the classroom learning environment and to facilitate classroom management and discipline. This positive interaction and participation satisfy our call to family, community, and participation. Teachers will handle minor discipline infractions with the full support of the Administration. Any major offense or excessive minor offenses will be referred to the Administration.

COUNTERCULTURAL YOUTH GROUPS, GANGS, AND ACTIONS

Any non-school sponsored groups, who engage in unlawful, uncharitable, or anti-social behavior that threatens the safety or welfare of others or disrupts the orderly operation of the school, are prohibited. All antisocial affiliations, cliques, associations, paraphernalia, symbols, gestures, and activities, including recruitment, presentation, initiation, or grooming, are also prohibited. Participation in such groups jeopardizes a student's continued enrollment at JPPII.

DISCIPLINE

BEHAVIORAL INFRACTIONS and DISCIPLINARY CONSEQUENCES

To ensure the well-being of our school community, inappropriate or unacceptable behavior will result in disciplinary actions from the Administration. Inappropriate or unacceptable behavior infractions and the corresponding consequences are shown in the following chart. Consequences may be adjusted depending on the severity of the infraction. The Administration will determine the level of all offenses and appropriate consequences for any behavior not addressed in this handbook. Repeated instances of the same behavioral infractions suggest a student's unwillingness to follow the rules and may result in more serious consequences.

Administrative discretion will be used for more than six (6) demerits in one quarter.

- Theft (taking and/or possession of another's property; also grounds for civil involvement)
- Vandalism (grounds for civil involvement)
- Setting off the fire alarm (grounds for civil involvement)
- Use of or possession of tobacco products (includes lighters, vapes, cigarette types)
- Harassment, intimidation, or bullying (whether verbal, written, or transmitted electronically)
- Threatening or violent statements (whether verbal, written, or transmitted electronically)

NOTE: Local law enforcement WILL be contacted if an illegal act has been committed on school grounds or at a school function.

Suspension

Students who either fail to correct behavior problems or who seriously violate the Student Honor Code will be suspended. Suspension may be in-school or out-of-school.

In-School Suspension (ISS)

- Student reports to the Assistant Principal at the start of the school day and is placed in a designated suspension room.
- Student completes daily assignments given to them by their teachers as well as homework.
- Student is dismissed at the end of the school day and must leave the campus immediately.
- Students will not be allowed to use cell phones during ISS.
- Students must work for the entire school day.

Out-of-School Suspension (OSS)

Students who are assigned an out-of-school suspension remain at home for the duration of the suspension.

- Students are responsible for turning in all schoolwork and submitting assignments either electronically or in person on the first school day they return.
- Students lose credit for any minor assignment. Upon readmittance, major assignments (e.g., project/tests) are lowered one letter grade per day until work is submitted with students unable to score higher than a B. If the assignment is submitted more than three days after readmittance, the student loses credit. It is the student's responsibility to make arrangements with his/her teachers.
- The Principal may assign additional work beyond classroom assignments that must be completed for re-admittance to school.
- Absence(s) from class are unexcused.

When a student is suspended either in-school or out-of-school:

- Student is removed from regular classes by the Administration.
- Student's parent(s) or guardian(s) will be contacted and asked to meet with the Administration.
- The length of suspension will depend on the seriousness of the offense.
- Student is ineligible to participate in or attend any co-curricular and extracurricular activities on day(s) of suspension.
- Based on the infraction, the student may be readmitted on Disciplinary Probation for OSS. The student will be placed on Disciplinary Probation if a second OSS occurs during an academic year.
- Suspension may impact student's ability to receive Tuition Assistance the following year.
- Suspension may be appealed following the Diocesan process. A copy of the appeals process will be provided to the parent and student when a suspension occurs.

General Probation

A student may be placed on probation for academic, attendance, or behavioral reasons. During the probationary period, the student shall demonstrate significant and obvious improvement. The time span of probation will be determined by the administration. At the end of the probation period, the student's performance will be evaluated and will result in one of the following actions: The student will be removed from probation, the probation will be extended, or the student will be dismissed for insufficient commitment to the terms of the contract.

Disciplinary Probation

Students may be placed on probation at any time for violating school rules and policies. Terms of probation vary by circumstances, but probation may include the following:

- Student meets with Assistant Principal as needed.
- Student's behavior will be monitored and reviewed for progress.
- If warranted by the Administration, outside counseling, evaluation, services, and/or drug testing/monitoring may be added.
- Disciplinary issues during the probationary period may be considered grounds for expulsion.

Level V

These are extremely serious infractions resulting in immediate expulsion. The school reserves the right to expel, at any time, a student whose attitude or conduct is judged harmful to himself/herself and/or other students, or who openly defies the school's expectations. In each instance, the Principal's final disciplinary decision will be based on an investigation, evidence and consultation with the student and parents.

Offense	Consequence
Assault	Expulsion
Possession of a weapon of any type	Expulsion
Distribution or selling of, use of, or possession of alcohol or drugs (whether illegal or prescription)	Expulsion
Possession of or selling stolen goods	Expulsion

NOTE: Local law enforcement will be contacted if an illegal act has been committed on school grounds or at a school function.

When a student is dismissed, the following will occur:

- Notification of the incident is made to the student's parent(s)/guardian(s) and counselor.
- The dismissed student will clean out her/his locker, and return all library books, textbooks and athletic uniforms. Students will be charged accordingly for any items not returned.
- The dismissed student will not be allowed back on the school campus for any reason.
- The dismissed student will not be allowed to attend any function that is the sole activity/event of JPII whether on campus or away.
- The student may appeal for readmission.

SUSPENSION AND EXPULSION PROCEDURES

SUSPENSION: When it becomes necessary to suspend a student because of a disciplinary problem, pattern, or need for investigation, the appropriate school authority will notify the student and parents/guardians immediately by telephone. The appropriate authority will be the Assistant Principal or the Principal, and they will determine the reentry needs relative to the situation. A question concerning the decision to suspend must be made to the Principal within three (3) school days of the receipt of written notification. At the Principal's discretion, there may be a meeting with the student and his or her parents/guardians. The Principal's decision will be final.

EXPULSION: For grounds set forth in the *JPII Family Handbook* or a pattern of poor behavior, a student may be expelled from school after the Principal has discussed the situation with the parents/guardians and the student. At that time, the Principal may offer the family the opportunity to withdraw the student or the Principal may decide that a unilateral expulsion is warranted. In the case of the latter, a written notice of expulsion will be sent to the parents/guardians after the discussion.

Elastic Clause: Faculty and administration may take disciplinary action for any behavior which violates the spirit and philosophy of JPII Catholic High School even if it is not specified in this Code of Conduct

School Day Schedules

St. John Paul II Catholic High School operates on an alternating block schedule. The A or B Day schedule includes 4 “block” periods. An 8 period schedule is reserved for special circumstances.

- The school year calendar is set to an A/B Day alternating schedule, if school is closed for any reason during the school year, the missed day schedule will be moved to the following school day (e.g. if Tuesday, Aug. 4 is a B Day and school is closed on Tuesday, Aug. 4, then Wednesday, Aug. 5 will be a B Day) and the alternating schedule resumes.
- On days that include Mass or an assembly, class meeting times are adjusted to account for the time spent in Mass or assembly.

Special schedule weeks are posted on the downloadable Google Calendar or on the school website’s Calendar.

Academics

The program of studies at St. John Paul II Catholic High School is consistent with the philosophy and objectives of the school and the recommended pre-college curriculum of the College Board. While a definite attempt is made to provide courses which meet the needs and interests of all students, our Principal’s academic focus is on college preparatory courses.

ACADEMIC ASSISTANCE

Teachers are generally available to students each day before and/or after school for extra help in class. Many core subjects provide tutoring sessions after school on a weekly basis. Consult the calendar on the school website for dates and times. Students are encouraged to take advantage of this assistance. Students with great difficulty in a given subject area should seek the assistance of their School Counselor. Peer tutoring will be provided as needed or professional services will be recommended.

ACADEMIC HONESTY

Students are expected to demonstrate honesty and integrity while in attendance at St. John Paul II Catholic High School. Each student is expected to do his or her own work. This includes test taking, homework, class assignments and the original creation of essays, compositions, term papers and scientific research. All work submitted by students should be a true reflection of their own effort and ability. Cheating and plagiarism are very serious offenses against the school’s Honor Code and will not be tolerated. Academic dishonesty includes attempting, assisting, and/or performing the following activities:

-
- Preparing to copy/cheat by having possession of another student’s work, test, notes, or papers without the expressed approval of the teacher.
 - Using/allowing another to use someone else's work.
 - Communicating with another or not maintaining a quiet atmosphere during quizzes/tests, including the use of photo, app, text, phone, or non-approved personal electronic device.
 - Not following commonly accepted test procedures or instructions announced by the teacher, (e.g., out of one’s seat, use a phone or any unauthorized technology for any reason).
 - Copying, or allowing another to have and/or copy previous homework, test information, reports.
 - Plagiarizing by using another person's ideas, text, words, artwork, or thoughts – in whole or in part – without referencing and giving credit (this includes material from technology that is downloaded, cut and pasted, and/or printed from the Internet or electronic resources). Previous student drafts demonstrating the evolution of research and writing will help demonstrate that his/her work is original, if an assignment appears to be a derivative of someone else’s work.

Plagiarism includes, but is not limited to:

- Student demonstrates limited understanding of referencing conventions, including the correct presentation of direct quotations
- Student demonstrates limited understanding of how to acknowledge the sources of both direct and indirect quotations
- Student fails to recognize the distinction between material in the public domain which does not require acknowledgement and that which does
- Student demonstrates limited understanding that the imitation of an author’s language or style constitutes plagiarism
- Student fails to acknowledge small amounts of material (text, graph, computer code, images, etc.)
- Student copies sections from other sources without citation
- Student borrows the language and style of another author while knowing that it is incorrect to do so
- Students unauthorized use of AI to complete assignments or generate work.
- Work contains unacknowledged material from someone else’s work, even if that author granted permission to use the material
- Work contains fabricated citations, entirely lacks citations, or lacks appropriate citation to a large degree

ACADEMIC MONITORING

Academic Monitoring occurs for any of the following reasons:

- A student receives two (2) or more “Ds” on a semester report card.
- A student receives an “F” on a semester report card.
- Previous standardized tests results and course grades.
- The Assistant Principal and/or Principal determine it is in the best interest of the student.
- A parent files a written request.

The student and his/her parent(s) will be notified that the student is on Academic Monitoring. A student on Academic Monitoring must raise all grades to a “C-” by the end of the subsequent semester. Failure to do so will result in the student being placed on Academic Probation.

ACADEMIC PROBATION

A student will be placed on Academic Probation for the following reason: The student was on Academic Monitoring and did not raise his/her report card grade(s) to a “C-” average by the end of the semester.

Parents will be notified by the Assistant Principal when a student is placed on Academic Probation. If a student on Academic Probation does not raise his/her grade to a “C-” average by the end of the following semester, the student may not be asked to return to school.

St. John Paul II Catholic High School believes that probationary students should commit all of their available time and effort to improving their academic standing. Students will not be allowed to take part in activities such as senior privilege, house leadership, clubs, pep rallies/house games, and field trips. During these activities, these students will be required to be at school to work on their academics. Absences during these activities will require an excused absence.

Students on Academic Probation will have their privileges removed for no less than one quarter. At the end of the quarter, the student may request an academic review if their grades have improved to a 73 or better. If the student has no grades below a 73 and has regularly completed assignments, they may have their privileges restored. After privileges have been restored, the administration will review the student’s grades and academic performance each quarter.

ADVANCE PLACEMENT (AP) COURSES

Advanced Placement (AP) courses are nationally standardized courses with an approved curriculum designed to be college level coursework. Students must have the recommendation from appropriate teachers to enroll in AP courses and be self-motivated with an exceptional level of responsibility. Students should expect significant amounts of reading, writing, and problem solving in AP courses. It is highly recommended that students taking AP classes select a study hall. Sophomores doubling in mathematics are not allowed to take an AP class. Any rising junior wanting to take three (3) AP classes needs the approval of the AP Coordinator and Principal and must have a study hall.

AP publishes a Bulletin for Students and Parents in the early spring. It is the responsibility of the student and parent to read the Bulletin. The Bulletin is given to students in the classroom and sent via FACTS SIS in early spring.

All students who enroll in an AP course are required to sit for the appropriate AP examination in May of each year and pay the required testing fee. Dates and times are strictly adhered to as set by College Board. The school will not administer alternate exams for non-school related event conflicts. Students and parents should seek other testing sites by contacting AP Services/College Board.

ASSIGNMENT PLANNING and ORGANIZATION

An important component of the study skills aspect of the academic program is helping students develop effective organizational techniques for managing assignments, projects and extracurricular activities. Students are encouraged to use planners.

CLASS RANK

St. John Paul II Catholic High School does not provide class ranking.

COURSE FAILURE and CREDIT RECOVERY

Students failing a required course will be given the option for credit recovery during the summer in order to be re-enrolled for the fall. Students may only take two (2) courses per summer unless the Principal has given prior approval. The credit recovery will be through an on-line course. The credit recovery must be completed before the following school year begins. The original “F” will remain on the transcript and will be factored into the GPA along with the grade from the class that was repeated. It is the student’s responsibility to provide the school with an official transcript of all make-up work.

A student who has successfully completed credit recovery will be placed on Academic Monitoring (or Academic Probation if already on Academic Monitoring). Students will be given the one-time option of returning to school after credit recovery is completed. If the student requires credit recovery a second time, the student will not be re-enrolled for the following school year.

CREDIT ADVANCEMENT

After the completion of their sophomore year, students may take two courses for credit advancement with prior administrative approval.

CREDIT POLICY

A full credit is awarded for the successful completion of a two-semester course. A half credit is given for one semester courses. Students who fail one semester of a year-long course but have a passing yearly average receive full credit for the class, and are not required to complete credit recovery.

DUAL ENROLLMENT

St. John Paul II Catholic High School participates in the Dual Enrollment program at the University of Alabama in Huntsville, Calhoun Community College, and University of Alabama Early College. Students who enroll in this program must meet UAH/Calhoun Dual Enrollment eligibility requirements and have permission from JPII Administration. Students register for classes through the Counseling Department. Students should seek classes that least interfere with their JPII schedule. Senior Privilege will be a priority for students taking these classes. Such courses appear on the student’s transcript designated as “UAH or Calhoun” class.

While most colleges accept Dual Enrollment course credits, it is the student’s responsibility to petition his/her college of choice to accept transfer credit for Dual Enrollment classes. Dual Enrollment courses receive a 0.5 credit qualifier on the student’s GPA.

GRADES and ASSESSMENTS

Grades are used as a means of measuring and reporting progress and achievement. Grades aid students in determining their individual strengths and weaknesses; they may also be incentives for greater academic growth.

GRADE COMPUTATION

Quarterly grades are determined by a combination of points earned on major tests, quizzes, projects, papers, homework, class work, and participation.

Final grades are calculated for a yearly course* as follows:

- 1st semester 50%
- 2nd semester 50%

*Grades are calculated for semester courses at 40% 1st quarter/40% 2nd quarter/20% semester exam.

**Second semester grades for AP courses without a second semester exam are calculated at 50% 3rd quarter/50% 4th quarter.

GRADING SYSTEM and GRADE POINT AVERAGE (GPA) CALCULATION

Grades on report cards are in numeric equivalencies. JPII calculates both an unweighted cumulative GPA and a weighted cumulative GPA based on semester grades. A weight qualifier of 0.5 is added to all courses for AP and dual enrollment courses. Transcripts will reflect only one GPA, either weighted or unweighted based on the grade calculation. **A student's GPA does not appear on the report card** but is updated in a student's Naviance account each semester. Any student/parent with questions or concerns regarding transcripts should contact his/her school counselor. The GPA quality points assigned are:

Letter Grade	Numeric Value	Quality Points	AP/Dual Enrollment Quality Points
A+	97-100	4.5	5.0
A	93-96	4.25	4.75
A-	90-92	4.0	4.5
B+	87-89	3.5	4.0
B	83-86	3.25	3.75
B-	80-82	3.0	3.5
C+	77-79	2.5	3.0
C	73-76	2.25	2.75
C-	70-72	2.0	2.5
D+	68-69	1.5	2.0
D	66-67	1.25	1.75
D-	65	1.0	1.5
F	Below 60	0.0	0.0

INCOMPLETE GRADES

An **"I"** is given when a student has not fulfilled course requirements for some unusual reason (e.g., personal illness). In such cases, the student has two (2) weeks to make up the missed work or the Incomplete becomes a failing grade.

GRADE REPORTING and REPORT CARDS

St. John Paul II Catholic High School offers students and parents full access to the student's grades through FACTS SIS. Parents are given access to their child's academic performance (grades, assignment completion, attendance, comments from the teacher) in each of his/her classes. Students are encouraged to monitor their own personal academic progress through FACTS SIS. (For more information on FACTS SIS, see the section in General Policies.) Grades will be finalized no later than three (3) weeks after each semester.

Report cards are available at the end of each quarter and are posted in FACTS SIS. A copy of the report card will be sent via email to the email addresses provided in the FACTS SIS system of the student's parent(s)/guardian(s).

Semester grades, seen on the second and fourth quarter report cards, are the final grades that are posted on a student's permanent record.

GRADUATION POLICY

Participation in the graduation ceremony is open to all those who have completed graduation requirements, are in good standing with regard to behavior, and have satisfied all financial obligations to the school.

Any student who fails to meet these criteria may not be allowed to participate in the graduation ceremonies and related activities.

GRADUATION REQUIREMENTS

All students are expected to satisfactorily complete a strong academic program of 28.5 course credits. The specific requirements are as follows:

HOMEWORK

The JPII homework best practices and procedures were developed based on research and input from students, parents and teachers.

Rationale

JPII is a community in which the governing body, school leadership, and faculty, in partnership with the students and their families, support the use of homework as an integral instructional strategy. Because research has shown and our record can confirm that there is a positive correlation between homework and student achievement, JPII assigns homework to:

- Enhance student’s academic growth: expands knowledge of concepts, encourages problem-solving, and develops creative ways of relating topics and ideas presented in class.
- Prepare the student for subject lessons.
- Reinforce concepts and objectives taught in the classroom (practice/review).
- Develop independent time management, organization, collaboration, and study skills to foster initiative, self-direction, confidence, and self- discipline.
- Help students to become independent learners and critical thinkers.

Time

- Will vary depending on the student’s study habits, academic skills, personal goals, and course load
- Will vary as rigorous courses may necessitate more homework

Teachers Responsibilities	<ul style="list-style-type: none">● Assign relevant, challenging, meaningful, developmentally appropriate homework that reinforces or extends classroom learning.● Protect family time by not assigning new homework over long holiday periods (i.e. Fall Break, Thanksgiving, Christmas, Spring Break, and Easter).● Define homework and late work policy clearly in course syllabi.● Post homework on Google Classroom.● Give clear instructions, objectives, and assessment guidelines.● Allow reasonable time to complete assignments.● Give timely feedback and corrections on all assignments.● Vary homework to accommodate different learning styles.● Post grades in FACTS SIS in a timely manner.● Consult with counselors and parents about persistent problems with homework (e.g. completion, timeliness, correctness, etc.).● Coordinate and cooperate with tutors, counselors, and other specialists concerning additional support a student might need.
Student Responsibility	<ul style="list-style-type: none">● Submit your own work. Copying work done by another student and submitting it as one’s own, even with that student’s permission, constitutes cheating and plagiarism.● Write down and revisit daily assignments: reading, review of notes and handouts, exercises, study, projects, reports, presentations, and so on.● Check assignments on Google Classroom, especially when absent.● Ask questions about instructions, objectives, and assessment guidelines if anything about an assignment is unclear.● Seek extra help and support as needed by seeing or emailing teachers and by taking advantage of tutorial sessions and study halls.● Take home all textbooks, notes, study guides, and anything else that might be necessary to complete assignments.

Student Responsibility (cont'd)	<ul style="list-style-type: none"> ● Set aside a regular time to study at home, or simply manage time in a way that balances homework with other activities and commitments. ● Put away the cell phone and abstain from social media during homework. ● Think actively and question frequently while doing homework as part of the learning process. ● Produce and take pride in quality work – neat, complete, and in accordance with directions and rubrics. ● Complete assignments on time. ● Take the initiative to discuss homework overload with teachers. ● Recommendation: Conform to the alternating A-day/B-day schedule by doing homework on the day that it is assigned.
Family Responsibilities	<ul style="list-style-type: none"> ● Promote a positive attitude towards homework and effort in all courses. ● Understand and reinforce efforts for the quality of the work. ● Provide a quiet space, discourage use of cell phone and social media, and restock supplies (e.g. copy paper, printer ink) to facilitate completion of homework. ● Monitor student’s assignments on Google Classroom and carefully read all communication from the teacher before contacting him/her with concerns. ● Verify completion of homework as needed. ● Allow student to work independently; that is, be available for assistance only. ● <u>Respect the school day. At JPPII, one block class carries the same educational weight as two class periods.</u> Taking students out of school for family holidays and other events when classes are in session is not in the students’ best academic interest. Students might be able to catch up on assignments, but they will never recover what they missed in class.

HONOR ROLL

Academic Honor Roll is based on semester grades and 3rd nine weeks.

1. A Honor Roll – Each grade must be an A.
2. A/B Honor Roll – Each grade must be a B or greater.

MISSING GRADES

An “M” is given when a student has missed an assignment/test, but the work can still be completed for a grade. If the assignment/test is not submitted by the teacher’s deadline, the M becomes a zero (0).

SCHEDULING and COURSE SELECTION

For all returning students, the selection of classes for the upcoming year will take place in the spring semester. In order to register for classes for the upcoming year, all financial obligations to the school for the current year must be met.

School counselors will meet with students and recommend courses based on academic performance, graduation requirements, and personal interest. After counselors have met with students and courses have been selected, students/parents complete the Course Registration Form and return it to the school.

SCHEDULE CHANGES

After schedules are issued a student who needs to change his/her schedule must:

- Obtain a *Change Schedule Request Form* from the Counseling Office;
- Pay a \$50.00 course change fee for each course changed;
- Any changes must be finalized by the Friday of the 1st full week of school.

Please remember that some changes may not be possible due to schedule and class size limitations. Course changes are not considered for or against a particular teacher or to be with friends. Schedule change requests for a senior privilege are only considered, though not guaranteed, in regards to dual enrollment, after school employment, or special circumstances.

Students may not drop or add a course after the deadline without the approval of the faculty involved and Administration. If a course addition is approved, the student must complete any class work that was assigned prior to the addition.

SEMESTER EXAMS

Examinations are given at the end of the second and fourth quarters and are designed to test a student's comprehensive and cumulative knowledge in a particular course. **The midterm and final exam dates are posted well in advance on the school calendar so that all students and families may plan appropriately. Exams will not be rescheduled because of family vacation plans.**

- Students may not ask teachers to alter exam schedules.
- If an exam is withheld due to outstanding financial obligations, the student will be informed approximately one week before exams.
- Students who take AP courses do not take final exams but take the AP exams as scheduled by the College Board.
- Absences due to illness or other emergency must be verified and exams made up according to a schedule set by the administration.
- Failure to take or make up an exam results in a grade of 0 on that exam. Any exception to the above policies must be approved by the administration.

SENIOR EXAM EXEMPTIONS

Exemptions for final exams are determined by individual class. Exemptions are only granted to seniors under the following conditions:

- Minimum average for the class must be at least 83 for the second semester.
- No more than ten (10) unexcused check-in tardies per class for the year.
- No more than ten (10) excused or unexcused absences per class for the year.
- Required service hours must be completed by the end of first semester.
- International/transfer students whose first year in attendance is as a senior should have 25 service hours completed by the end of April.
- Administration will provide faculty a list of students who did not meet the behavioral or service requirements; individual class instructors will assess GPA, tardies, and absences in a class.

Students who receive three or more cumulative days of suspension, either in school and/or out of school, will lose their exemption.

Note: First semester exams can be exempted for seniors if the class is an elective semester-only class, Requirements: see above. The Assistant Principal will review on a case-by-case basis those seniors affected by extreme absences due to illness or surgeries.

STANDARDIZED ACHIEVEMENT TESTING and APTITUDE TESTING

Freshman	MAP Testing PSAT 8/9	Aug / Jan / May October
Sophomores Juniors	PSAT – Preliminary Scholastic Aptitude Test	October
Juniors Seniors	SAT – Scholastic Aptitude Test ACT – American College Test	Independently arranged by the student

The school has responsibility for the preparation and administration of these tests.

Students are strongly encouraged to begin taking both the SAT and the ACT by the spring of their junior year at least. Links to registration information about the ACT or SAT can be found in the Parent/Student Naviance account. For information regarding ACT/SAT preparation classes, contact the Counseling Department.

SUMMER READING ASSIGNMENTS

Summer reading assignments are required of all students in preparation for each upcoming school year. The assignments are published in the spring of each school year and are available on the school website under the “Academics” tab and through Google Classroom.

Support Services

SCHOOL COUNSELING DEPARTMENT

The Counseling Department implements a comprehensive guidance program aligned with the American School Counselor Association National Model. The school counselor is a certified professional with unique qualifications and skills to address the academic, personal/social, and career development needs of all students.

The school counselor addresses these needs through:

1. Individual, small and large group formats.
2. Classroom sessions.
3. Consults and collaborates with parents/guardians, teachers, and staff.
4. Community resources referrals.
5. Facilitates the School Counseling Support Team (SCST) – which provides academic support to students that are struggling.
6. Provides College and Career Counseling.
 - a. Meets with student individually to discuss Career Paths.
 - b. Works with students in Career Prep A.
 - c. Hosts colleges to support and promote readiness for postsecondary goals.
 - d. Uses Naviance an online college and career readiness solution to connect academic achievement to post-secondary goals.
 - i. This tool is used extensively throughout the college search and application process at JPPII.
 - ii. Request transcripts and letters of recommendations.
 - iii. Search scholarships and enrichment activities.
 - iv. Students and parents receive registration information to create separate accounts

Contact the school counselor if you have any concerns about your student.

LIBRARY/MEDIA CENTER

The library/media center provides opportunities for developing skills in research and independent learning.

- A level of quiet that is conducive to study is required of all students using the library.
- Collaborative technology centers for small groups are available for use.
- All students who use their laptops must adhere to the Technology Policy in this handbook.
- Students must sign in and out at the circulation desk when coming from study hall.
- Complete list of library rules is at the circulation desk.

STUDENT RECORDS

A permanent academic record for current and former students is maintained in the Administrative Office. Transcript request forms are available on the school website and from the Counseling Department. This form must be signed by the student or parent if the student is under 18 years old for the release of any transcript. Please allow three (3) business days for the availability of any transcript. Transcripts will be released only to the student, the parent(s) of a student, a guardian of a student, or an individual acting as a parent, in the absence of a parent or a guardian.

Current students **must** use Naviance to request official and unofficial transcripts. Students will sign a “general release transcript form” allowing the counselor to send transcripts via Naviance. Initial college transcripts will not be released until September 1. The student’s **first final** official transcript will be issued at no charge; each additional official transcript will cost \$5.00.

Official transcripts are sent within three school days to the designated school. Official transcripts for pick up will be put into a securely sealed envelope. Unofficial transcripts may be issued to parents or students and are available for pickup within three (3) days of the receipt of a signed request form.

Students enrolled in the Dual Enrollment Program must request a transcript directly from the corresponding university.

All financial commitments must be paid in full before complete records are forwarded.

Student Health & Well-Being

INTRODUCTION

Parents must complete and update their student’s emergency and medical information record with the school for each student enrolled. This information should be entered in FACTS SIS through the “Family Information” section. All medical conditions, medications used by students, and other pertinent information should be entered.

CLINIC

A nurse is present in the clinic or on the school grounds every day. A student who feels ill may spend up to half of one class period in the clinic/sick room, provided that the student has a pass from the teacher.

ILLNESS OR INJURY DURING THE SCHOOL DAY

Any student who becomes ill during the course of the school day should report to the school clinic. (Student should let his/her teacher know that he is ill so that someone can escort him/her to the clinic as necessary.)

- The student calls his/her parents to let them know he/she is ill (make call in the front office).
- Parent/guardian/designee comes to the office to pick up the student.
- Students who are severely ill will not be allowed to drive themselves home.
- A note must be sent for the absence upon return to school.

The nurse or office personnel will call the parent if the student is too ill to do so. Students with fevers or communicable diseases will be sent home to reduce the risk of infection to others.

A student who experiences an injury must report it to his/her teacher and go to the clinic so that parents may be called if needed. Parents will be notified of all but the most insignificant injuries. For minor injuries, appropriate first aid will be administered. The school reserves the right to contact emergency medical personnel in case of any injury which warrants such action. Parents will be notified immediately.

MEDICATION ADMINISTRATION PRACTICES

Medication is primarily the responsibility of the parent/guardian, and should be administered before/after school if at all possible. In the event that a student needs medication during the school day, the following must be met.

Over-the-Counter Medication (OTC)

The *Authorization to Administer Medication* form is required for school staff to administer OTC/prescription medication to students. This form includes the following **required** information:

1. Student name
2. Student's current medication profile
3. Student's history of allergies
4. **Parental consent**
 - a. Drug name
 - b. Dose to be administered
 - c. Dosage frequency
 - OTC (i.e. Tylenol, Advil, Benadryl) medication is kept in the school office to address occasional symptoms. OTC medications will only be administered according to manufacturer's dosing instructions and on an occasional basis provided that parent/guardian has given specific "permission" to treat and select the desired medications as listed in FACTS SIS.
 - If a student requests an OTC medication, and no parent/guardian authorization has been given in FACTS SIS, the school staff will notify parent/guardian to receive verbal permission to administer med based on the current student complaint. If the parent/guardian cannot be reached, school staff will not administer the OTC medication.
 - Parent/guardian may bring an OTC medication not listed in FACTS SIS for their student (e.g. Midol, Aleve, Zyrtec, etc.) These must be in the original container and labelled with the student's name and the required dosage. Signed *Authorization to Administer Medication* form must accompany such medications.

Emergency or Life-Sustaining Medications

No student is permitted to bring any medications into the school or carry medication on his/her person while at school. (Exception: Emergency or Life-Sustaining medications prescribed and documented by physician on a fully executed and current *Authorization to Administer Medication* form.)

Prescription Drugs

School personnel will administer prescription medication provided that there is a signed *Authorization to Administer Medication* form on file and that all other requirements as listed above have been met. This form must be current, coinciding with the current prescription medication you are requesting school personnel to administer. Parents of students, who require access to emergency medications such as Glucagon, Epi-pen, or an asthma inhaler, must enter information regarding the student’s reason for needing such medications into FACTS SIS and complete the authorization to dispense medication form. Form should be submitted to the school office. It is advisable to give a “spare” of such medication to the nurse if the student is not able to self-administer his/her supply.

CHRONIC CONDITIONS

(Examples: severe allergy, anaphylactic shock, diabetes, epilepsy, etc.) Parents/guardians of any student with chronic medical conditions requiring specific treatments or possible emergency responses must inform the school nurse of these conditions as well as enter pertinent data into the Student Medical Form in FACTS SIS. The school must also be provided with a health care plan (e.g. allergy, diabetes, seizure, or asthma action plan) that has been approved by a physician or other medical practitioner.

Parents/guardians are expected to provide and maintain all supplies necessary for care (e.g. snacks, insulin, or epinephrine injectors.) The school clinic will alert administration and other personnel as well as those involved with the student including, but not limited to: teacher(s), food service, and coaches so that they may respond appropriately to any emergency situation.

COMMUNICABLE DISEASES POLICY

To ensure the safety, health and welfare of the entire St. John Paul II Catholic High School community, the school nurse will require or recommend appropriate forms of isolation and non-attendance in classes or on the campus until the return guidelines listed below are met.

Exclusion Guidelines	Return to School Guidelines
Oral temperature of 100.4° or above	Fever free for 24 hours (without fever reducing medication)
Vomiting, nausea or diarrhea	Symptom free
Marked drowsiness or lethargy	Symptom free
Sore throat, acute cold or persistent cough	Symptom free
Strep throat	24 hours of appropriate treatment and fever-free without fever reducing medications
Inflammatory eye conditions (e.g. pink eye)	24 hours after start of treatment or note from physician indicating treatment is not necessary
Swollen glands around jaws, ears or neck	Written physician’s release
Skin rashes or eruptions	Written physician’s release
Suspected scabies or impetigo	Written physician’s release

EXCUSED PARTICIPATION FROM PHYSICAL EDUCATION

On occasion, a request for one (1) excuse from active participation in P.E. due to injury will be honored upon written request from the parent. However, attendance is still required. Prolonged permission for non-participation from P.E. will be permitted only upon receipt of a doctor's statement.

IMMUNIZATION REQUIREMENTS

Alabama State Law (Act 1269) requires that children must be immunized against diphtheria, tetanus, pertussis, measles, rubella, mumps, and varicella (*unless otherwise exempted as provided by law, i.e., medical exemption, or religious exemption following diocesan policy*).

Any child reporting on the first day of school without an appropriate immunization certificate will not be allowed to attend class. Appropriate certificates for enrollment, which will be available only from private physicians and the Health Department include: Certificate of Immunization (IMM-50, blue card) or Certificate of Medical Exemption (IMM-51, white card).

If there is a problem obtaining immunization records or getting an appointment for immunizations, a temporary form may be obtained for the local health department or private medical provider. This allows the student thirty (30) days to obtain records and/or receive immunizations.

The Diocese of Birmingham will accept a letter provided by a healthcare professional who is licensed to practice medicine, surgery or osteopathy that indicates and accepted medical contraindication to vaccination or an allergy to any of the ingredients used to formulate the vaccine, as consistent with the labeling of the vaccine as regulated by the Federal Food and Drug Administration (FDA).

Religious Exemptions

Students in Catholic Schools of the Diocese of Birmingham in Alabama may receive a religious exemption for vaccination under certain circumstances. Religious exemptions will be limited to those objections that are in adherence with the tenets of the Catholic faith as identified and accepted by the Bishop of Birmingham in Alabama. Specifically, exemptions may be granted to students whose parents demonstrate a sincere, conscientious objection to vaccines derived from descendant cell lines of aborted fetuses. Diocesan procedures for Religious Exemption may be obtained from the front office.

PREGNANT and/or MARRIED STUDENTS

Pregnancy and marriage should not be considered reasons for automatic expulsion. A pregnant and/or married student may be allowed to continue in attendance, or, whenever possible, arrangements may be made to allow the student to receive the credits necessary for graduation. The Principal, with the approval of the Director of Catholic Schools, will determine whether the student may continue to attend regular classes or the manner of fulfilling graduation requirements.

Attendance

Students at St. John Paul II Catholic High School are expected to be in school, on time every day that school is in session. All school days, holidays and non-attendance days are clearly noted on the official school calendar.

GENERAL ATTENDANCE POLICIES and PROCEDURES

The Administration makes the final determination as to whether an absence is excused or unexcused. A student is considered absent from a class if he/she misses more than half of any class period. A student who misses more than two (2) class periods is considered absent on an A/B day, or more than four (4) class periods on an eight-period day.

ABSENCE REPORTING

The parent/guardian is asked to notify the School Office, (256) 430-1760 and/or attendance@jp2falcons.org between 7:30 a.m. and 9:00 a.m. if a student will be absent on that day and any subsequent days (in the case of continuous absences). You may leave a voice message on the main line voicemail. Absences are recorded as “unexcused” until a signed, dated parental (handwritten) or medical note is received.

Calls prior to 7:30 a.m. may be left on the office voice mail.

If the office is not notified regarding an absence, a reasonable attempt will be made to contact parent/guardian at home or work to confirm the reason for absence.

RETURN TO SCHOOL AFTER ABSENCE

Student must bring a medical note or a parent-signed note which includes:

1. Student name (first & last)
2. Date(s) of absence
3. Reason for absence
4. Parent signature & daytime phone number
 - If the note is not received within two (2) school days of return, the absence is “unexcused” and make-up work will receive no credit.
 - Notes sent via email or written by the student are not accepted.

Absences are excused for the following reasons:

- Illness (parent-signed note required)
- Death or serious illness of immediate family member (parent, grandparent, sibling)
- Medical, dental, or other professional appointment (**note from professional office required**)
- Court/legal business (court documentation required)
- Weather conditions preventing attendance
- Other absences (see section below)

SERIOUS ILLNESS

An extended illness is defined as three or more consecutive school days of absence. **A doctor’s note is required to excuse such absences.**

In the event of a serious illness, please contact the student’s counselor regarding the situation. Teachers will be informed about such situations so that a make-up work schedule can be planned. All information is kept confidential.

OTHER ABSENCES

For an absence that does not fit the excused criteria, requests **must** be submitted via email to the school office **in advance** as noted below. Failure to follow the procedures will result in unexcused absence(s).

- Non-family funeral – If possible, request one (1) day prior to absence. Student is expected to return to school immediately after the funeral.
- Learner’s permit or driver’s license exam – No less than two (2) days prior to absence.
 - Students should NOT plan to go to DMV if there is a quiz or test scheduled in any of their classes. Work is due the day of the absence.
- Vacation/travel – Vacations and trips taken during school days are strongly discouraged. The school calendar is issued in advance and families are expected to plan accordingly. If circumstances require that a student be absent from school due to travel, the parent must send the request **no less than seven (7) days in advance**. Requests are forwarded with student’s grade, attendance and behavior records for consideration to administration. If approved, the family will be notified.

NOTE: Teachers are not obligated to provide special arrangements for any academic work missed due to these types of absences.

Students must make arrangements with teachers to get assignments. It is preferable that work be turned in before the absence, but all assignments are due the day of return. **NO tests/quizzes will be given in advance of absence.**

COLLEGE VISIT ABSENCE

Junior and senior students are permitted to have excused absences for the purpose of visiting college campuses. Juniors are allotted two (2) absences; seniors are allotted three (3). **The appropriate form (College Visit Absence Form) must be submitted to the Counseling Department at least two (2) days prior to the absence to receive an excused absence.** Consult the school counselor regarding absences for visits to colleges 6 or more hours away from Huntsville.

ABSENCES DUE TO SCHOOL RELATED ACTIVITIES

Absences for students who participate in school sponsored or authorized activities are not counted in the attendance record for a class. Students must submit all work for any class missed due to such activities in accordance with the Make-up Work Policy.

Students must make arrangements with teachers to get assignments. It is preferable that work be turned in before the absence, but all assignments are due the day of return. **NO tests/quizzes will be given in advance of absence.**

UNEXCUSED ABSENCES

Unexcused absences include but are not limited to:

- Oversleeping, faulty alarm clock, etc.
- Non-essential appointments (e.g. photography, shopping, etc.)
- Staying home to study or complete a project
- Travel absences that have not been approved in advance
- Traffic delays

ABSENCES and COURSE CREDIT

ALL absences (whether excused or not) are counted in a student's attendance record. **Attendance is based on period (class) attendance rather than daily attendance.** Students and parents are also reminded that one absence on the modified block system schedule is equivalent to *two* (2) absences on a non-block schedule.

Students who exceed ten (10) absences in any course in a semester may not receive credit for that course.

- If a student has **five (5)** absences in any class, parent/guardian will be notified that the number of absences has become excessive.
- Additional parent contact will be made if a student has **eight (8)** absences in a class.
- After **ten (10)** class absences in one semester, the student will be placed on "Attendance Probation" for the remainder of the year. Any subsequent absences will require medical verification to be excused. A meeting will be set up with the parent/guardian, the student's counselor, and the Principal to discuss the situation.
- If the absences are due to illness, a medical waiver may be issued to allow the student to receive credit for the semester. This requires appropriate verification of chronic illness from a physician.

EARLY CHECKOUT

Parents are asked to schedule non-emergency medical, dental or other professional appointments during non-school times. However, we do realize that appointments during school hours may be unavoidable.

Prior to 8:20 a.m., **the student should bring a note** to the school office containing:

- Name of student (first & last)
- Date & time of early checkout
- Reason for early checkout
- Parent signature

Student should report to the school office at the appropriate time to sign out for the dismissal.

NOTE: A student who drives **MUST** have the above signed note to be dismissed for an appointment. If the student returns the same day, he/she signs in at the front office and receives a pass to return to class. The student must turn in the appropriate verification of any professional appointment for the time away from class to be excused.

Students who leave school early may not participate in any extracurricular event unless a doctor's (or other professional) note is provided.

TRUANCY

Truancy refers to those absences for which parental knowledge/permission was not granted. This is considered a disciplinary infraction. If a student is truant, a parent conference is necessary and an appropriate disciplinary action is taken.

The truancy policy may apply to students who are not where they are supposed to be during class time. (Examples of this include visiting locker rooms or lockers, computer center, art classroom or any other class without specific written permission.)

MAKE UP WORK

A student who has unplanned, excused absences is entitled to make up all work missed at full credit. It is the sole responsibility of the student to retrieve assignments from Google Classroom or to contact teachers for make-up work and assistance in understanding missed lessons. It is never the duty of the teacher to seek out a student and remind him/her to obtain or complete make-up work. Work received after the established deadlines receive no credit. **If a student's absence is unexcused, his work is still due to the teacher in the time frame below, though no credit will be given.** (Penalties for work not turned in are up to the classroom teacher.)

Assignment Type	Description	Time Frame
Daily	Homework, Class work	Any work missed is due two (2) days after the student returns to the missed class.
Short Term Project	Project due one (1) week after assignment	The project is due two (2) days after the student returns to the missed class.
Long Term Project	Project due three (3) or more weeks after it is assigned	The student must make arrangements to turn in the project on the due date unless the teacher has been contacted and other arrangements made.
Test/Quiz	Any test or quiz (NOT midterm or final exam)	Daily make-up work time frame above applies.

TARDINESS

Any student who is not in his/her appropriate class by the 2nd bell (8:20 am) with all necessary class materials is considered tardy and will only be admitted to class after first reporting to the front office to receive an admit slip.

If the student is late to class because he/she was detained by another teacher, that teacher will issue a late note. If the student has no legitimate reason for being late, the tardy is unexcused and demerits will be issued by the classroom teacher.

Tardiness to school is excused only for:

- Illness (parent-signed note required)
- Medical, dental, professional appointment (**note from professional office required**)
- Court/legal business (court documentation required)
- Weather conditions preventing attendance (parental note required)

While we understand that traffic, car trouble, ride-sharing and other situations may occasionally cause a student to be late to school; these are not acceptable excuses for chronic tardiness. Oversleeping, faulty alarm clocks or parents causing the student to be late are not considered excused.

CONSEQUENCES FOR UNEXCUSED TARDIES

- Four (4) tardies in a quarter – Weekday Detention
- Eight (8) tardies in a quarter – ISS
- More than eight (8) tardies – disciplinary action to be determined by Administration
- Note – classroom teacher may assign additional consequences for tardiness to class
- Habitual lateness may also result in loss of parking privilege, loss of senior privilege, and/or restriction of participation in extracurricular activities

SPECIAL CONSIDERATIONS

1. Parent/Guardian Out of Town

If parents will be out of town or otherwise unavailable for their student, a note must be sent to the Office at least three (3) days prior to departure. Information supplied prior to such an occurrence should include the name and relationship of the person responsible during the parent's absence, as well as the address and both home and work phone numbers for this individual. The beginning and ending date of this arrangement should also be noted.

2. Mass and Other Religious Services

All students are expected to attend school masses and other services as a component of their education. Parents may not excuse their students from these services. Habitual absence, even those for appointments, from masses/services will result in a conference between the student, the student's parents/guardians, and the Administration.

3. Patterns of Absence

If a pattern of absences occurs, (e.g., absent each time a test is given), the parents will be notified of the school's concern and will be asked to help rectify the problem.

General School Policies

AFTER SCHOOL SUPERVISION

There is no after school supervision for students not involved in a supervised activity (i.e., athletics, clubs, theater, band, etc.). All students must be picked up by 3:40 p.m. each day.

ANNOUNCEMENTS

Announcements are made once daily. Students are expected to listen quietly for the information being given.

ASSEMBLIES

All students should conduct themselves in an orderly manner while attending all assemblies. No students may excuse themselves from attending any assembly. Students are to proceed to an assembly with their class, and they are to remain until dismissed.

BUCKLEY AMENDMENT (STUDENT RECORDS)

JPII abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and other school-related information regarding the child. If there is a court order specifying that there is to be no information given to the non-custodial parent, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

CAMPUS USAGE – RESTRICTED AREAS

Areas of the school that are restricted are as follows:

- The parking lots during school hours. Students must ask permission from an administrator to go to their car during school hours.
- All students must leave campus after dismissal unless involved in a supervised after school activity.
- Administrative offices, faculty lounge and workrooms.
- Classrooms unless accompanied by a teacher.
- Locker rooms & weight rooms unless supervised by a coach.

CELL PHONES, SMART WATCHES, and ELECTRONIC DEVICES

Students are not to use cell phones or other electronic devices, including but not limited to smart watches or earbuds, anywhere in the school building between 8:20 a.m. and 3:20 p.m.

The only EXCEPTIONS to this policy for cell phone use include:

- the school office
- the classroom with special permission granted by the teacher for a legitimate educational purpose
- lunch period

There are no exceptions for other electronic devices, including earbuds.

Cell phones which are visible or audible to a faculty or staff member in class rooms without approval, the hallways or any other areas not listed above will be confiscated. Students are responsible to turn off their cell phones during the school day. Students who need to contact their parents regarding illness or an emergency may use the phone in the school office. Forgetting books, lunches and so forth does not constitute an emergency. Confiscated phones will be turned in to the school office and returned based on the guidelines laid out in the section on Conduct. Arguing or failing to surrender a confiscated phone to a faculty/staff member is considered an act of defiance/disrespect and the student will be subject to further disciplinary action.

If a parent needs to reach their student, the parent should contact the school office and the student will be notified as necessary. Messages will not be delivered to a student during instruction time except in case of an emergency. Parents are asked NOT to text or call their student's phone during the school day.

Use of portable music devices and handheld video games (including those featured on a smartphone) is prohibited during the school day. The school is not responsible for loss or damage to any such device that a student brings to school. Headphones/earbuds (e.g., AirPods)/speakers are directly related to listening to a device. They should be stored unless under the direct permission and supervision of a staff person.

Without teacher permission the use of any electronic device (e.g., cell phone, smart watch) during a test for ANY reason will be considered and treated as cheating. (See Conduct policies.)

The use of the camera function of any electronic device is prohibited during the school day without permission from a teacher or administrator. Students are prohibited from using cell phones or communication devices to take photographs or record video at any time on school property. This includes taking photographs or video recordings in classrooms, restrooms, locker room areas, etc.

CHANGE OF DATABASE INFORMATION

In the event of any change in demographic information (e.g. address, email, phone number, emergency contact person, custodial parent), the student's data in FACTS SIS should be updated immediately.

COMMUNICATION

Strong lines of communication are important to the success of our students and programs. From time to time, difficulties arise which require additional communication with faculty and administration. Therefore, the following hierarchy should be followed for addressing any concerns you may have regarding your child's success at school.

For classroom issues:

1. Teacher
2. Assistant Principal
3. Principal

For student activity issues:

1. Sponsor
2. Assistant Principal
3. Principal

For athletic issues:

1. Coach
2. Athletic Director
3. Principal

Appointments for conferences may be arranged by telephone call or email. If a return call is requested, parents are asked to list telephone numbers and times available for contact. Visits or phone calls to the classroom to discuss problems are not allowed during instruction time.

CONTINUED REGISTRATION

All current students are eligible to re-enroll for the following school year. However, continued enrollment of the student is subject to the student observing all school rules as set out in the *JPII Family Handbook* including but not limited to general behavior, academic performance and attendance. Reenrollment for current JPII students for the next school year will automatically occur during the 2nd semester.

CUSTODY

When a student's parents are divorced or separated, or when a student is in the custody or care of another person, the school should be given a copy of the Court Order or agreement as is applicable to the custody and visitation rights of the divorced or separated parents, or of the custodian. If there is no divorce decree, separation decree, or official custody agreement (signed by the parents) on file, the school will then interact with each parent equally.

DELIVERIES

JPII does not accept student deliveries; this includes but is not limited to: balloons, flowers, packages, miscellaneous items (e.g., books, homework, papers) or gifts of any kind. The cooperation of parents in complying with our policy concerning the delivery of messages and miscellaneous items is anticipated. On the rare occurrence that a student forgets his/her lunch, a parent may drop off food. Students are not allowed to have food delivered to the school.

DRILLS and EMERGENCIES

The school conducts regular inclement weather drills and other safety-related evacuations. Staff and faculty are trained to respond appropriately in various emergency situations. NO student will be released to leave school during a TORNADO WARNING.

DRIVER'S LICENSE

Before a student can obtain their Alabama Driver's permit, the State requires that he/she bring a **completed Proof of Enrollment form from the school**. Contact the Front Office to request the form for the student. Please allow 24 hours for preparation of the form. The document must contain an original signature and the embossed school seal, so it cannot be emailed or faxed.

FACTS SIS

The school uses FACTS SIS, an internet-based student information system to manage attendance, grades, schedules and other student data. Every parent and student are assigned a FACTS SIS ID and password to access his/her information. If there are questions about the operations or use of this system, please contact the FACTS SIS Administrator during normal school hours for assistance.

- Students who fail to submit the proper standard school form 24 hours in advance will not be allowed to participate. Telephone calls will not be accepted in lieu of the proper forms.

FLIGHT TIME (LUNCH)

"Flight Time" is a forty-five-minute break during the school day designed to provide students a venue to have a mental break, take advantage of curricular and extracurricular opportunities (e.g., tutoring, clubs), and eat lunch.

- All students are to eat in the cafeteria during lunch. Students may buy their lunch or bring it; they may not leave campus for lunch. It is each student's responsibility to clear his/her place at the table when finished.
- Students may use their cell phone during this time.
- Students may not leave the school building or be in the training room, weight room, gym, dressing rooms, or band room.

FUNDRAISING

HOUSE SYSTEM

At JPII, every student, faculty, and staff member will belong to one of four houses. You will notice that each House is represented by an important aspect of St. John Paul II's life and mission. The goal of the House System is to provide an opportunity for students and faculty to interact across grade levels in healthy competition and support each other as they grow in their Catholic faith. Students will learn to work hard individually for the good of their house, in addition to working in a team. The JPII House System encourages teamwork, friendship, service, and leadership. Houses compete against each other in the areas of academics, athletics, school spirit, and community service through quarterly House service projects and games.

HOUSE SYSTEM GOALS

1. Encourage our Catholic identity as St. John Paul II Catholic High School
2. Increase our community that is evident in faculty and student retention, current participation in events, encourage admissions and alumni relations
3. Provide opportunities for student leadership through student created and led events
4. Increase student retention through all grades

HOUSE SYSTEM LEADERSHIP COUNCIL

St. John Paul II Catholic High School has established a House Leadership Council. This program will challenge student leaders and their respective councils to take on the real responsibility of serving their community and learning from the experience. Students holding House Leadership roles will sharpen and develop their leadership skills through successful House events and projects that they head. They will move past theoretical to practical strategies by navigating the hurdles and opportunities of developing, planning, and executing schoolwide student activities. In this way we will amplify our sense of community by bringing administration, faculty, staff, and students together with energy and focus to make each year at JPII greater than the year before.

The Leadership Council is designed to serve as the leading student body of the school and as a role model for all future student leaders of JPII. The Leadership Council shall be composed of the following members: both Commissioners, the four House Presidents, the four House Vice-Presidents, the eight underclassmen House Captains and the Campus Minister. The Rectors are to act as the head of the Leadership Council, holding executive powers.

Students are accountable for the condition of the lockers and may not use wallpaper, paint, or make modifications that will permanently damage or alter the lockers. Students are not to swap lockers, share their combinations, leave their lockers unlocked, or jam the locks. The school does not assume responsibility for items missing from lockers. Students should not bring large amounts of money or valuable items to school. Lockers remain the property of the school and may be inspected at any time by school officials. **Students can bring backpacks to and from school, but they must be stored in their lockers throughout the day.**

PARENT-TEACHER CONFERENCES

If a parent would like a conference with a teacher, please coordinate directly with the teacher to schedule. Other conferences during the school year are scheduled as necessary with the individual teacher.

SCHOOL CLOSING and DELAYED OPENING

In case of inclement weather, JP II will align with Huntsville City Schools in regard to school closing, late openings or early dismissal. The school will send out a phone call or text message to families via FACTS SIS Parent Alert system with pertinent information. Please keep tuned to your local radio or TV stations for announcements as needed. Should it be necessary for the school to delay opening or close *for other reasons or on a different schedule* than Huntsville City School, the school sends out a phone call or text message via FACTS SIS Parent Alert system with pertinent information.

When school is closed for the day or when school closes early due to worsening weather conditions, the following will apply: All extracurricular activities, interscholastic contests, team practices, field trips, after school supervision, and non-school activities in the school building will be canceled.

The Counseling Office reserves the right to offer any student a study hall based on special circumstances. Study hall is a time to work on homework, special projects, get extra help or use the library/media center as it is available. This period of time can be very helpful if used correctly. Students are expected to come to study hall with all necessary materials and equipment and are expected to study in silence. A pass will be necessary to leave the assigned study hall to work in any other resource area. The study hall teacher will ascertain whether the library/media center is available before students may go there. **Students must have written permission from the appropriate teacher to go to any other classroom during study hall.**

TRANSPORTATION and DRIVING

Motor Vehicle Regulations

- Students driving to school or to on-campus events are subject to all rules and regulations governing the conduct of drivers and the operation of a vehicle while at school. It is the responsibility of the student driver to operate his/her vehicle in a safe and acceptable manner at all times including obeying all traffic laws driving to and from school.
- All drivers on campus must adhere to all traffic regulations and exit procedures as determined by the administration.
- Campus speed limit is 10 mph.
- Persons dropping students at school *in the mornings* are asked not to park in the numbered spaces in the student parking lot.
- While driving on campus do not use phones or other electronic devices.

Parking Permits

Parking on school grounds is a privilege for those students possessing a valid driver's license and appropriate automobile insurance. The fillable-pdf *Parking Permit Application* form is on the school website under the Families/Links & Forms tab.

Students who apply for and receive parking privileges are expected to know and follow the regulations for driving and parking on campus. Violation of a regulation will result in disciplinary action and may include loss of parking privileges.

- All student vehicles parked on campus must be registered with the school office and the appropriate permit must be displayed on the designated-vehicle location (rearview mirror or window) at all times.
- Vehicle must be parked in the center of the white lines so as not to impede vehicles parked on either side.
- Speed in excess of 10 mph, reckless driving, and horseplay is prohibited and will result in disciplinary action.
- During school hours, students are not to park in ANY space other than the one assigned to them.
- Vehicles may be searched at any time deemed necessary by the school administration.
- Loitering in and around vehicles is prohibited.
- Students are not permitted to go to their vehicles during the school day.
- Students are to leave school grounds by 3:20 p.m., immediately after dismissal, unless involved in a supervised after-school practice or activity.
- The school is not responsible for theft or damage to a vehicle or its contents.

VISITORS

All visitors to the school must report to the main office to sign in and receive a visitor's badge to wear while on campus. The only student visitors allowed are those whose parents have initiated the admission application process, i.e., filled out forms and requested a shadow visit. Former students, house guests, students from other schools, etc. may not spend the day attending classes with JPII students, may not come to lunch or bring lunch on campus, and may not roam school halls to visit former teachers during school hours. Teachers are available during the academic day only by appointment and may not be disturbed during school hours.

VOLUNTEERS

All volunteers at St. John Paul II Catholic High School are required by the Diocese of Birmingham in Alabama to submit to a formal screening process which includes completing all of the following: a criminal background check, *Diocesan Alabama Volunteer Inquiry Release Form*, *Fair Credit Reporting Act Disclosure*, and Virtus on-line Youth Protection training. Any volunteer who drives for a school sponsored trip is required to complete a *Diocesan Driver Information* form, have a valid driver's license and adequate automobile insurance. Forms are available on the school website under the Academics/Links & Forms tab, under Parent Association *Volunteer Packet*. See the section on "Become a Volunteer at JPII" in this handbook for detailed information.

Parents are strongly urged to volunteer a minimum of twenty (20) hours of service per year. These service hours can add as much as \$100,000.00 to the bottom line at JPII. This is a very significant amount that can positively contribute to cost savings and ultimately lead to reducing the necessity of raising tuition and other fees.

Become a Volunteer at JPII

Volunteers enhance the learning experience and Catholic faith of each student by sponsoring assistance to coaches in athletic venues, raising funds, supporting school and family social interaction, and providing subject matter expertise to the administration as needed.

To become a volunteer, the following is required (all forms are fillable pdf format):

1. To begin the volunteer application, please complete the Virtus On-line Youth Protection Training Course <https://www.catholicyouthbhm.net/youth-protection-training.html>
 - Beginning the on-line training will automatically generate the required background check.
 - Once completed, print out the Certification of Completion and bring or send it to the school office.
3. Diocesan *Driver Information* form (Form DI-2)
<https://content.myconnectsuite.com/api/documents/db9753bd6ed24ca49a6f078f5345bf90.pdf>
and provide a copy of their driver's license and current insurance policy to the school office.

All families, faculty, staff and administrators are strongly encouraged to give a minimum of twenty (20) hours of service to the school each year. Volunteers are encouraged to track their hours. The school will keep records that demonstrate the faithful commitment of our volunteers.

WORK PERMITS

The Alabama Child Labor Law has changed. Work permits are NO longer required; however employers must obtain a certificate to employ minors under the age of 16/17. Minors aged 14 or 15 must obtain an Eligibility to Work form which is completed by a school official. This form may be obtained from the school office.

3. Any instructions from JPII faculty or administration regarding clear desk and clear screen must be followed.

TRANSPORT and STORAGE OF DEVICES

It is expected that devices (laptops, tablets, etc.) will be carried between classrooms, offices, and community spaces during the school day. In the hallways, all devices must be stored in a protective case, protective sleeve, or hard-shell case. Students are not permitted to use devices in the hallways under any circumstances. When devices are not in use or when students are in a classroom when devices are not permitted, devices must be powered off and stored in a protective case, protective sleeve, or hard-shell case either in the classroom or in the student’s locker. Students are required to have a protective case, sleeve, or hard-shell case for their device. The case cannot be bigger than what is necessary to store the device, power supply, and any necessary accessories (i.e. keyboard and mouse).

Students are never permitted to store or keep devices in a teacher’s classroom. Students must be in possession of their device at all times, or it must be stored in the student’s assigned locker or closed and locked classroom.

Students must follow all instructions from JPII faculty or administration regarding the use of virus protection software.

It is required that all students bring a personal device to school daily. During the course of the JPII BYOD Program students may use laptops and tablets as acceptable devices. Cell phones, Smart phones, Kindles, Nooks, eReaders, and hand-held gaming platforms are not acceptable devices.

Where investigations reveal misconduct, disciplinary action may follow in line with St. John Paul II Catholic High School's disciplinary procedures and policy as outlined in the *JPII Family Handbook*.

Dress Code Policies

The dress code is intended to create a standard of dress that is neat, modest, attractive, and promotes a visible sense of school unity and identity. We expect the cooperation of parents in ensuring their students' adherence to the dress code. **In all cases, the administration has final determination of standards of dress and appearance.**

ENFORCEMENT OF DRESS CODE

Every effort is made to consistently enforce the dress code.

- Students/parents should not expect to have dress code demerits removed simply because the student has consistently broken a rule and was not previously disciplined.
- It is unacceptable to assume a demerit is not warranted simply because other students have committed the same infraction and did not receive a demerit.
- In addition, students/parents must find shoes that are in compliance with the dress code. With young women's shoes, in particular, it is not acceptable to suggest that retail stores do not carry the appropriate footwear.
- The collar size on young men's uniform shirts must allow for the fastening of the top button.

Failure to follow the dress code policies will result in the student receiving a demerit. Repeated violations will result in weekday detention.

Clothing in compliance with the JP II dress code must be purchased from Dennis Uniform Store either at the local store or online. Online ordering: www.dennisuniform.com. Our school's code is BAPJPH

Extracurricular activities should enhance the academic curriculum by providing all students opportunities to demonstrate talents or explore interests that might not have a place in the regular classroom. Each teacher who sponsors such an activity should set fees, requirements, and guidelines for participation. Students participating in clubs must meet the same eligibility requirements as athletes, as outlined in this Family Handbook. Some clubs may have dues associated with membership as assigned by the faculty sponsor.

NOTE: Proposals for new clubs must be submitted in writing using the form on the school website. These forms should be submitted to the front office for evaluation and submission to the administration.

ATHLETICS

The athletic program is open to all students under the direction of the coaches and the Athletic Director. Rules for eligibility and participation are outlined in the Student Athlete Handbook. The school is a member of the Alabama High School Athletic Association and as such athletes must follow all rules of the AHSAA regarding eligibility & participation. Any questions regarding the Athletic Program may be directed to the Athletic Director.

We commit resources, plan staffing and design programs based on the number of registered students, thus the school depends on the timely payment of **ALL** financial obligations for each student. **These obligations continue even if the school building is required to close under extenuating circumstances (pandemic, weather event, etc.).**

No transcripts/records will be forwarded to any school until **all financial obligations have been met** and any personal check payments have cleared the bank. For immediate transcript release, balances greater than \$100.00 must be paid by cash, money order or cashier's check. In addition, all textbooks, library books, athletic equipment and any other items belonging to JPII must be returned or the cost of replacement will be assessed.

Students who withdraw as well as those who are dismissed or expelled from JPII during the school year may be eligible for a partial refund of tuition. Course fees, any activity fees, and registration fees are nonrefundable.

Refunds will be granted as follows:

In all cases if a student attends school for one (1) day of a month, then the full month's tuition is due.

Fundraising

All School Functions

This procedure/policy is applicable to all St. John Paul II Catholic High School (JPII) employees and other stakeholders, who plan, initiate, implement, and otherwise participate in fundraising activities on behalf of the school.

1. All fundraising activities must have the approval of the Principal or his/her designee. Unauthorized fundraising is not permitted at St. John Paul II Catholic High School. If any unauthorized fundraising occurs, all proceeds will go toward the annual fund.
2. Financial priorities should be in consultation with the mission, vision, and learning objectives of JPII and in consultation with publicly available data of total spending per student.
3. It is expected that fundraising be attentive to the less fortunate by giving a tithe (10%) of the proceeds to a charity approved by the Principal.
4. Fundraising goals set by individual teams, organizations and clubs WILL address the JPII mission by demonstrating the relationship of the fundraising activity to the school's mission, Gospel values, vision and learning objectives.
5. Fundraising goals will be generated by the Principal, the Athletic Director, the Advancement Director, and the respective leaders of specific teams, organizations and clubs to address a gap between school-budgeted funds and unbudgeted financial priorities deemed necessary to be competitive in academics, arts, and athletics.
6. Fundraising goals must be categorized as unbudgeted operations (including special clothing, uniforms, supplies, travel and equipment), or capital facility improvement.
7. Team fundraising goals will need to be carefully considered as it will be difficult to fundraise for an unbudgeted requirement and for a facility improvement at the same time.
8. *Long term goals can be developed to build capacity or make significant capital improvements consistent with the long range development program of the school.*
9. All purchases will be done by submitting a purchase requisition for approval. If the purchase requisition is approved, an assigned school purchase order will be issued. Items and/or services may NOT be purchased without a purchase order number. The bookkeeper will be responsible for buying materials requested by school staff.
10. Petty cash can be used for purchases \$25.00 and under and will be dispersed by the Bookkeeper.

DIOCESAN POLICIES REGARDING CONDUCT

Weapons – Diocese of Birmingham Catholic Schools Policy 4600

It is strictly forbidden for any student to possess a dangerous weapon on school premises, in a school-owned vehicle, or during any school-sponsored trip or activity.

- For the purpose of this policy, a “dangerous weapon” is any instrument or device designed primarily for use in inflicting death or injury upon a human being, and which is capable of inflicting death upon a human being when used in the manner for which it was designed. Additionally, any instrument or device of any sort whatsoever which is actually used in such a manner as to indicate that an individual intends to inflict death or serious injury upon the other, and which, when so used, is capable of inflicting death upon a human being is a dangerous weapon. Dangerous weapons include, but are not limited to, any pistol, revolver, or other firearm, dagger, razor, stiletto, switchblade knife, butterfly knife, clubs, nunchakus, brass knuckles, stun guns, and Billy clubs. Facsimiles of dangerous weapons used in a threatening fashion are subject to this policy.

Students found possessing a dangerous weapon will be subject to expulsion or suspension, for a period of not less than one calendar year, according to Diocese of Birmingham in Alabama Catholic Schools Suspension and Expulsion Appeals Process.

The Principal of the school may modify this expulsion or suspension for a period of not less than one calendar year requirement on a case by case basis with the permission of the Director of Catholic Schools.

The Principal of the school should immediately notify the Director of Catholic Schools of any violation of this policy.

Alcohol, Drugs and Tobacco – Diocesan Policy 4500.1

It is strictly forbidden for any student to use, possess, or distribute drugs and alcohol, including, but not limited to, tobacco, cigar-type items, marijuana, stimulants, depressants, hallucinogens, opiates, inhalants, mind-altering substances, drug or smoking paraphernalia, or controlled substances as defined by federal and/or state law, for which the student has no prescription(s) from a duly recognized medical authority or use of another person’s prescription on school premises, in a school-owned vehicle, or during any school sponsored trip or activity. Students found using or possessing alcohol or drugs or who arrive at school or any school function under the influence of drugs or alcohol shall be subject to disciplinary action as outlined by the school’s policies and regulations.

Searches

In an effort to maintain a safe school environment, administrators may authorize random searches (by school personnel or local authorities) of students, their personal belongings, lockers, and personal vehicles. The Administration may also authorize random medical evaluations at the school’s expense. If a school official suspects that a student has violated the policy regarding the possession, use and distribution of alcohol, drugs and tobacco or may be associated with anyone who has, the school Administrator will respond appropriately. For suspected possession, use and/or distribution of a controlled substance, the school has the legal responsibility to notify appropriate law enforcement personnel.

School Administrators may:

- Search a student's locker, personal belongings and/or vehicle;
- Require medical evaluation at a designated facility at the school's expense;
- Require additional medical evaluations at the parents' expense if the initial one is positive;
- Require individual and/or family counseling, as needed.

Defamation

In order to protect each student as well as employees and the institution itself, each student enrolled in a Diocese of Birmingham Catholic School is expected to treat the good name and reputation of each of the above with dignity and respect. The same is expected of each parent/guardian of a student enrolled in our schools. Public defamation of any student, employee, or Catholic school by a student or parent/guardian is serious, whether this be done orally, in writing, via email, or on the web, and whether it is done on a school computer or personal property and on school time or not. Therefore, any student or parent/guardian found to be participating in any defamatory activity will be subject to disciplinary/responsive action by the school. This could include expulsion of the student, whether the action is by the student and/or his/her parent/guardian.

Harassment

St. John Paul II Catholic School is committed to ensuring that faculty, staff and students have a working and learning environment that is free from discriminatory intimidation, insult, ridicule or other forms of harassment. Any harassment that is based on race, color, gender, national origin, age or disability is unlawful under both federal and state law. Any student who believes he/she has been subjected to unwelcome conduct (that which may be intimidating, harassing, hostile, abusive, or offensive) should immediately report the incident to the school counselor, administrator, teacher or other staff member. The administrator will promptly conduct an investigation of the complaint. To the fullest extent possible, St. John Paul II Catholic High School will keep the complaint, the investigation of the complaint, and the results of the investigation confidential.

Bullying Policy

The Diocese of Birmingham is committed to providing a safe and respectful environment in its schools. Bullying, which involves an imbalance of power or strength, is repeated aggressive behavior that may include physical, verbal, racial, sexual, or emotional intimidation. This includes cyber-bullying, which is defined as destroying or smearing a person's reputation through the use of internet connected or other electronic devices. Any and all witnessed or reported incidents will be addressed. Students involved in bullying or harassment shall be subject to disciplinary action as outlined by the local school's handbook or policy statement. (Diocesan School Board Policy 4701)

APPENDIX B

ELECTRONIC COMMUNICATION WITH MINORS – Diocese of Birmingham Catholic Schools Policy 4702

Policy Adopted: October 2014

Preface

All Catholic school personnel who are employed by the Diocese of Birmingham or serve as volunteers in our schools must follow the guidelines in the *Diocese of Birmingham Policy for Electronic Communication with Minors*.

- 1.0 For purposes of this policy, the following definitions apply:
 - 1.1 School Social Media Website (here-in-after “School Media”) A social network page, blog or internet website/tool created by an employee, cleric or volunteer for which the purpose is to conduct official school business.
 - 1.2 Personal Social Media Website (here-in-after “Personal Media”) A social network page, blog or internet website/tool created by an employee, cleric or volunteer for which the purpose is to share personal communication with family, friends and/or associates.
 - 1.3 Web-based Educational Applications Websites that facilitate interaction with educational information specific to academic instruction such as YouTube, Mathletics, Google Apps, Wikispaces and any other student/teacher sign on products.
 - 1.4 Other Electronic Communication Electronic communication technologies that are not defined as Social Media. Examples include: cell phones, landline telephone, email, texting, video conferencing, etc.
- 2.0 When communicating with minors using School Media, Personal Media, Web Based Educational Applications or Other Electronic Communication, it should be noted that:
 - 2.1 The purpose of such communication is to provide information and/or comments related to school work or event(s) and not for socialization or other personal interaction.
 - 2.2 Counseling of minors through such communication methods is not permitted.
 - 2.3 Parents must be notified of the methods of communication that are used in each school and must be granted access to participate in such communications. Parents should have student access codes to all school-based accounts at any time.
 - 2.4 School Media websites may not be used to communicate with minors below the age of 19 unless parents have equal access. Personal Media websites must not be used for official school communication. This includes but is not limited to Facebook, Twitter, Snapchat, Vine, Google Circle, Linked In, and photo sharing apps.

-
- 2.5 Teachers may use “closed” web based educational applications with students. A closed system cannot be accessed without being a member of a group and usually requires ID entry that is validated by the server and the content filter. Such use requires administrative approval and monitoring by two school faculty members.
 - 2.6 There must be at least two adults with administrative rights for each school media account used for school communication.
 - 2.7 If a school media site is to be used, the administrators must create a group that both minors and adults can join and interact without allowing full access to one another’s profile.
 - 2.8 Personal media websites and other electronic communication may not be used to communicate with an individual minor within one’s school. In unusual cases where a response is needed, one must copy the response to another adult within the school and maintain a copy of the message.
 - 2.9 Acceptable hours of communication with minors via other electronic communication shall be between 7:00am and 9:00pm. Communication outside of these acceptable hours may be used only in emergency situations or to communicate time sensitive information related to the school or a school related event. Communications via other electronic communication should be to a group rather than to individual minors, where practical.
 - 2.10 The depiction of minors in photos or videos on school media sites may only be used with parental permission.
 - 2.11 The Diocese considers each and every Diocesan employee as a representative of the Diocese of Birmingham in Alabama. Consequently, the Diocese expects its employees to be cognizant of this most important responsibility and conduct their lives, both professional and private, in accordance with the teachings, beliefs and spirit of the Roman Catholic Church. Any information on an employee’s social media website that causes embarrassment to the Diocese must be avoided. Diocesan trademarks or logos can’t be used on personal website.

APPENDIX C

JPHI Suspension and Expulsion Appeals Process

It is the expectation of the Diocesan Catholic Schools that students will develop a Catholic philosophy of discipline and behave according to the policies, rules and regulations of the school. When these are violated, the schools will impose reasonable disciplinary measures within the established authority of the school so that students are treated with fairness and firmness. The classroom teacher is the primary disciplinarian in the classroom. When it is deemed necessary for the classroom teacher to take extraordinary disciplinary action, the behavior of the student and the recommended action will be reviewed by the person responsible for student disciplinary records and knowledgeable of school policy and implications. This person will probably be the Assistant Principal or Principal. After a thorough investigation is conducted, and it is determined that more severe punishment is appropriate, such as suspension or expulsion, the following procedures will apply.

Suspension

When it becomes necessary to suspend a student because of a disciplinary problem or a violation of a major school regulation, the appropriate school authority will notify the student and parents immediately by telephone and in writing within three school days. The appropriate authority could be the Dean of Students, Assistant Principal or the Principal. An appeal of the decision to suspend must be made to the Principal within three school days of notification. The final decision will be made by the Principal.

Expulsion

For serious disciplinary reasons and/or violations of major school regulations a student may be expelled from school after the Principal has met with the student and his/her parents. A written notice of expulsion will be sent to the parents within three school days after this meeting. Expulsions may be appealed to the Principal by the student and/or parents within three school days after the meeting with the parents. If there is cause for further review, a written appeal may be made through the Principal to a Review Committee of the local school board. The Committee will consider the application of school policy as indicated in the school handbook and determine that the decision to expel was not capricious or arbitrary. An Appeals Process Coordinator will be appointed by the Superintendent to assist the students/parents in writing up the appeal and in documenting the findings and actions of the school.

The Review Committee will meet within ten school days after notification and will make a recommendation to the Superintendent within five school days. Neither side may be represented by legal counsel.

Within five school days after receiving the recommendation, the Superintendent will communicate the decision to the parents in writing. If the Superintendent does not agree with the Review Committee, he/she will meet with the committee to resolve differences. The decision of the Committee is final.

Records are kept on all proceedings.

APPENDIX D

Student Drug Testing Policy

As a way to convey our Church's teaching on the dignity of the human person, foster a commitment to a healthy lifestyle among our student body, and support the Diocesan Alcohol, Drug, and Tobacco Policy (see p. 54), JPPII has adopted the following policy and student drug testing program.

Policy: It is strictly forbidden for any student, enrolled at JPPII, to use drugs, including but not limited to, marijuana, stimulants, depressants, hallucinogens, opiates, inhalants, mind-altering substances, or any controlled substance as defined by federal and/or state law, for which the student has no prescription(s) from a duly recognized medical authority.

Process: JPPII strives to maintain a safe, healthy, and productive learning environment free of substance abuse. By accepting admission to JPPII, parents/guardians and students assume the responsibility for cooperating with school officials regarding the drug testing program.

All students enrolled at JPPII for the 2022-2023 academic year will be tested under this program in the fall of 2022. Thereafter, students will be tested on a random basis throughout the school year or may be tested when there is a reasonable suspicion that a student has violated the terms or conditions of this policy. On a periodic basis and without prior notice, students will be selected to submit to testing. Since this selection is random, some students may be selected more than once during a school year (no more than three times), and other students may not be tested at all. A prior negative test result does not exempt a student from future testing. All transfer students, when they enroll at JPPII, will be required to be tested within three months of enrollment.

On each testing day selected by the administration, students whose numbers are selected for testing will be required to report to the place at the school designated for collection activities by the testing facilitator. The facilitator will remove at least 3.9 centimeters (approximately one and one half inches) of hair from the student. Hair can be collected from several locations on the head. Body hair from the arm, leg, or chest in males may be used as an alternative to cranial hair. The sample will be placed into a receptacle provided by the testing laboratory with the root end clearly marked. The student will initial the storage receptacle. An adhesive, tamper proof strip will be placed over a second storage receptacle. JPPII will send the samples, by overnight delivery, to the testing laboratory at the end of the school day. The testing laboratory shall conduct tests on the samples collected in accordance with federally established procedures. The testing laboratory shall report any sample that is adulterated, contaminated, unreadable, not authentic, or otherwise impossible to analyze properly to the Principal, or to such other person as he designates, who shall meet with the student and/or the facilitator and ask for an explanation. If a satisfactory explanation is provided, a new test may be performed at the discretion of the Principal. If a satisfactory explanation is not provided, administration may recommend rehabilitation and/or impose discipline in accordance with this program.

Consequences: If a student tests positive, the Principal shall meet with the student and his or her parent, and shall inform them that a second test may be conducted at the student's expense. If the student or his or her parent desires a second confirmatory test, he or she shall submit a written request to the Principal for retest no later than five (5) days after being informed of the initial test results.

If a student tests positive, they will serve an out-of-school suspension, the length of which will be determined at the discretion of the administration. JPII requires any student with a substance abuse problem to seek counseling or treatment. JPII will make available to students and parents information concerning the availability of alcohol and abuse counseling and rehabilitation. Participation in those programs will be at the parents' expense.

The student will be allowed to remain at JPII for a probationary period of ninety (90) days after being notified that the test was positive. After the expiration of the ninety (90) day probationary period, the student will be retested, at a date to be determined solely by the Principal. The same testing procedures as the initial test procedure will be used for the retesting. If the student then tests positive, he or she will be dismissed from JPII.

As a parent/guardian, I recognize that the use of the Internet comes with a corresponding responsibility to use it wisely, both for myself and my child. I also recognize that sending my child to a Catholic school is a privilege that comes with a corresponding duty to act in a Christian way toward others. I therefore pledge to refrain from using the internet in any way that might disparage the school's administration, staff or coaches. If I have an issue with school personnel, I will take my concerns directly to the school's administration and not publicly broadcast vile, hateful or disparaging remarks about the administration, staff or coaches. Publicly broadcasting any such remarks is an indication of my intent to withdraw my child or children from the school and the Principal has my permission to act accordingly.

FAMILY SCHOOL AGREEMENT (2024-2025) DIOCESE OF BIRMINGHAM

The purpose of Catholic education is the formation of young people who will be good citizens of this world—loving God and neighbor and enriching society with the leaven of the Gospel—and who will also be citizens of the world to come, thus fulfilling their destiny to become saints. This is all done in an environment of academic excellence, where students learn how to become intentional, missionary disciples of Jesus Christ, grow in virtue and holiness, share the Good News of Christ's love with others, and join in the Catholic Christian community of the school. This Family-School Agreement is intended to further these purposes. Catholic schools in the Diocese of Birmingham are open to all students; however, we are first and foremost Catholic.

When enrolling their child(ren) in a Catholic school in the Diocese of Birmingham, parent(s) or legal guardian(s) (hereafter, “parents”) are asked to sign the Family-School Agreement. In signing the Family-School Agreement, it is understood that:

- a. All children are welcome in the Catholic schools in the Diocese of Birmingham. As part of enrollment, parents must sign the Family-School Agreement.
- b. Our schools exist to pass on the Catholic faith in its fullness to students and to form disciples of Jesus Christ. Parents and schools are partners in this mission; parents are expected to cooperate fully in it and shall supervise their children in accordance with this agreement.
- c. As partners in this mission, students and their parents are all part of the school community. As such, students and their parents agree to live their lives in a way that supports, rather than opposes, the mission of the school.

The school joyfully exercises its responsibility to teach Catholic faith and morals in all fullness. Parents whose religious practices and beliefs run counter to Church teaching might experience conflicts as we maintain mission integrity. Sincere questioning of the practices and doctrines of the Catholic faith—whether by students or their parents—in order to more deeply understand them are welcome; but openly hostile or persistent defiance of Catholic truths or morality are a violation of the Family-School Agreement and may result in denial of admission or dismissal from the school.

As parents/guardians, we ask St. John Paul II Catholic High School to help us in educating and forming our child(ren). We understand and agree that our child(ren) will be taught the teachings of the Catholic Church in their fullness. Our intention is to respect and cooperate with school policies and with those providing a Catholic-based education to our child(ren)—the priests, principal, teachers, parishioners, and all school personnel. We pledge our full cooperation with the school to prepare our child(ren) to be disciple(s) of Jesus Christ. We will make every effort to supervise our child(ren) in accordance with this agreement.

Acuerdo familia-escuela

El propósito de la educación católica es la formación de jóvenes que serán buenos ciudadanos de este mundo, amando a Dios y al prójimo; enriqueciendo a la sociedad con la levadura del Evangelio, y que también serán ciudadanos del mundo venidero, cumpliendo así su destino de llegar a ser santos. Todo esto se hace en un ambiente de excelencia académica, donde los estudiantes aprenden cómo convertirse intencionalmente en discípulos y misioneros de Jesucristo, crecer en virtud y santidad, compartir la Buena Nueva del amor de Cristo con los demás y unirse a la comunidad cristiana católica del colegio. Este Acuerdo entre la familia y la escuela está destinado a promover estos propósitos. Las escuelas católicas de la Diócesis de Birmingham están abiertas a todos los estudiantes; sin embargo, somos ante todo católicos.

Al inscribir a sus hijos en una escuela católica en la Diócesis de Birmingham, se les pide a los padres o tutores legales (en adelante, "padres") que firmen el Acuerdo Familia-Escuela. Al firmar el Acuerdo Familia-Escuela, se entiende que:

- a. Todos los niños son bienvenidos en las escuelas católicas de la Diócesis de Birmingham. Como parte de la inscripción, los padres deben firmar el Acuerdo entre la familia y la escuela.
- b. Nuestras escuelas existen para transmitir la fe católica en su plenitud a los estudiantes y para formar discípulos de Jesucristo. Los padres y las escuelas están juntos en esta misión; Se espera que los padres cooperen plenamente y supervisen a sus hijos de acuerdo con este acuerdo.
- c. Como aliados en esta misión, los estudiantes y sus padres son parte de la comunidad escolar. Como tal, los estudiantes y sus padres acuerdan vivir sus vidas de una manera que apoye, en lugar de oponerse, a la misión de la escuela.

La escuela ejerce con alegría su responsabilidad de enseñar la fe y la moral católicas en toda su plenitud. Los padres cuyas prácticas y creencias religiosas van en contra de las enseñanzas de la Iglesia pueden experimentar conflictos mientras mantenemos la integridad de la misión. Se agradece el cuestionamiento sincero de las prácticas y doctrinas de la fe católica, ya sea por parte de los estudiantes o de sus padres, con el fin de comprenderlas profundamente; pero el desafío abiertamente hostil o persistente de las verdades católicas o la moralidad es una violación del Acuerdo Familia-Escuela y puede resultar en la denegación de admisión o expulsión de la escuela.
