**Vision:** Perry County students raising the standard for lifelong learning.

**Vision:** The vision of Perry County Schools is to ensure student success, as measured by college and career readiness, through the building and sustaining of appropriate systems for continuous academic achievement and lifelong endeavors.

Dear Parent or Guardian:

The educators in Perry County Schools are committed to providing a quality instructional program for your child. This letter is just one of the ways of keeping you informed of the educational commitment of our schools and our district.

Our district receives federal funds for Title 1 programs as a part of the No Child Left Behind Act (NCLB). Under NCLB, you have the right to request information regarding the professional qualifications of your child's teacher(s). If you request this information the district will provide you with the following:

1. Whether the teacher has met the state requirements for licensure and certification for the grade levels and subject matters in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which state qualifications or licensing criteria have been waived.
3. The college major and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
4. Whether your child is provided services by paraeducators, and if so, their qualifications.

If you would like to request this information, please contact Bridget Maggard by phone at 439-5813. Please include your child's name, the name of the school your child attends, the names of your child's teacher(s) and a phone number, an address or email address where the information may be sent. Thank you for your interest and involvement in your child's education.

Sincerely,

Bridget Maggard  
Director of Federal Programs
