

STUDENT CONDUCT

It is the intention of the Board of Directors that Centennial BOCES help students achieve maximum development of individual knowledge, skills and competence and that they learn behavior patterns which will enable them to be responsible, contributing members of society.

The Board, in accordance with applicable law, has adopted a written student conduct and discipline code based upon the principle that every student is expected to follow accepted rules of conduct and to show respect for and to obey persons in authority. The code emphasizes that certain behavior, especially behavior that disrupts the classroom, is unacceptable and may result in disciplinary action. The code shall be enforced uniformly, fairly and consistently for all students. Centennial BOCES shall take reasonable measures to ensure students are familiar with the code.

All Board-adopted policies and Board-approved regulations containing the letters "JIC" in the file name constitute the conduct section of the code.

In all instances, students shall be expected to conduct themselves in keeping with their level of maturity, acting with due regard for the supervisory authority vested by the Board in all Centennial BOCES employees, the educational purpose underlying all Centennial BOCES activities, the widely shared use of Centennial BOCES property, and the rights and welfare of other students and staff. All employees of Centennial BOCES shall be expected to share the responsibility for supervising the behavior of students and for seeing that they abide by the conduct and discipline code.
