### **NEEDS ASSESSMENT: IDENTIFYING PRIORITIES**

"In most schools, conducting a comprehensive needs assessment will result in the identification of a large number of issues that could be addressed to improve the achievement of students. However, no school should attempt to address every identified need in a single year. Most planning experts suggest that schools prioritize their major issues and address no more than three of the most important..." (Designing Schoolwide Programs Non-Regulatory Guidance, March 2006)

List and number, in order of priority, the critical needs identified in the school profile.

Prioritized needs

1	Increase the number of students in the 90/90 attendance range	
2	Decrease the number of discipline infractions	
	Increase the number of proficient and advancement students according to state standards
