Student

As a student, it is important that I work to the best of my ability; therefore, I will:

- attend school regularly, including not checking out often.
- be positive in my attitude and choices in and out of the classroom.
- be accountable by being prepared for class with my supplies and work.
- be willing to learn by participating in class every day.
- ask for help or support when I need it.
- show respect for myself, other people, and property at all times.

Teacher

As your teachers, it is important that our students achieve success in all content areas; therefore, we will:

- respect you and your child at all times.
- encourage and praise your child's efforts.
- communicate with you often through Parent Square, calls, messaging, and/or email.
- maintain and update the gradebook weekly.
- be flexible with parent conferences to discuss your child's academic progress.
- take the time to know your child and his or her individual needs.
- maintain high standards concerning your child's education and actively do what is needed to ensure that he or she grows academically.

Parent/Guardian

As a parent/guardian, I want my child to succeed; therefore, I will encourage my child by doing the following:

- strive to see that my child attends school each day, is on time, and does not check out often.
- talk to my student daily about his or her school day.
- support CCMS staff in maintaining proper discipline, making sure my child has necessary materials, monitoring assignments on Canvas, communicating through Parent Square, and checking grades in Infinite Campus.
- visit, call, or email my child's school to conference with his or her teacher.
- speak positively regarding school, teaching, and education.

Principal

As the CCMS principal, I will support parent involvement; therefore, I will:

- maintain high standards of professionalism for myself and my staff.
- maintain an orderly and positive school environment.
- foster and maintain high standards of academic achievement and behavior.
- actively interact with students.
- maintain positive communication between parents, students, and staff.
- develop resources and support for academic programs.
