School Goals

Grant Union Jr/Sr High School strives to promote student success by focusing on academic rigor and athletic excellence. Our goal is to ensure every student feels safe and can succeed both academically and socially. We are working to become an AVID school which will provide students with a successful pathway into a career or college that meets both students' interests and aptitudes. We want every student to earn a diploma and have a strategic plan for life post high school.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Grant Union seeks to ensure all students, parents, and community members feel welcome in our school and the front office. Improved communication is a priority and all communication will be delivered in multiple platforms, including mailers, phone calls, emails, and social media posts. Safety is a top priority and safety measures are continuously being evaluated for effectiveness and efficiency.
